Proceedings

1. The ninety-sixth annual meeting of the Little River Baptist Association held its first session with the First Baptist Church, Buies Creek, Monday Night, October 25, 1971. The session was opened with worship in song led by the Friendship Baptist Church Youth Choir under the direction of Rev. Jimmie Mize. L.G. Green, Pastor of Chalybeate Springs Church, read from the 89th Psalm and led in prayer.

2. Moderator Howard Beard called the meeting to order and recognized Rev. E. Weldon Johnson, Pastor of the host Church, who brought words of welcome from the

First Baptist Church, Buies Creek.

3. The Clerk called the roll of the Churches and messengers from 28 Churches and Missions responded. A motion was made, seconded and carried, that the messengers of these churches, and those reporting later, constitute the ninety-sixth annual session of the Little River Baptist Association.

4. Tom Freeman, reporting for the Program Committee, presented the order of business for the annual meeting and moved its adoption as presented. Motion carried. (See program, page 11).

5. Moderator Beard appointed the following Committees:

Nominating:	Norman Wheeler, Chairman Irby Todd Mrs. Edna Stephens
Program:	R. Lewis Beal, Chairman Howard Roseman Henry B. Stokes Mrs. Walter Gentry Mrs. Harvey O'Quinn
Resolutions:	Walter Gentry, Chairman Mrs. Morris Andrews G. Scott Turner
Time, Place, and Preacher	Morris Andrews, Chairman Johnnie Barnes Mrs. Wesley McLeod

6. James Brown presented the Brotherhood Report (See reports, page 34).

7. Julius Holloway, Associational Missionary, gave his report (see reports, page 34). He recognized the following new Pastors: L.G. Green, Chalybeate Springs, Jerry Shriver, Antioch Mission; Cecil Harkey, Jr., Gourd Springs; R.H. Brown, Swanns Station; Dennis Burton, Fellowship; Donald Phillips, Harmony, and Hal Collins, Harnett-Johnston Mission. Rev. Holloway stated that for the first time in many years all Churches and Missions within the Association have Pastors. He then recognized Mr. O.O. Manning, of the First Baptist Church, Dunn, who gave a report on the newest Mission in the Association, the Harnett-Johnston Mission. Mr. Manning asked for financial help in purchasing land for the Mission.

8. After Rev. Jimmie Mize led the congregation in singing "Come, Thou Fount of Every Blessing," Mrs. W.F. Gentry gave the Woman's Missionary Union Report (See reports, page 36).

9. Special music was presented by the Friendship Baptist Church Youth Choir.

10. The report on World Missions was adopted (See reports, page 36).

11. The Moderator announced the meeting for Tuesday and urged prompt attendance at 9:30 A.M. He stated that no one would be admitted to the auditorium during periods of worship in the Tuesday program.

12. Moderator Beard introduced Rev. Samuel James, Missionary to Vietnam, who brought greetings from fellow Christians in Vietnam and appreciation for prayer and other support given them by Christians at home. Rev. James related that many people ask him, why he chose Vietnam? Why do Baptist have mission work in Vietnam? He stated that the work there is really our work, and the prayers of Christians at home is a source of strength and blessing. In answering the question, "Why Vietnam?", Rev. James read Luke 4:16 and following. In His first sermon, Jesus set out His purpose in the earth, and just before His ascension He said, "As my Father hath sent me, even so send I you." Where in the world can there be more broken-hearted, bruised, and enslaved people than in Vietnam? Jesus did not set geographical limitations; He said go where the need is. The ministry of the Gospel of Christ is often costly in Vietnam,

but Christianity has been the bulwark against atheistic Communism taking over in that country.

13. The session was adjourned until the second day with prayer by R. Lewis Beal.

SECOND DAY
Morning Session

1. The second session of the Annual Meeting of the Association was held with the First Baptist Church, Erwin, Tuesday, October 26, 1971. Jimmie Mize led in the singing of "Love Divine, All Loves Excelling," after which James D. Phillips, Pastor of Harmony Baptist Church, read from Revelations 3 and Romans 12 and led in prayer.

2. Moderator Howard Beard called the meeting to order and recognized Alvin O'Shields, Pastor of the host Church, who brought words of welcome from the First Baptist Church, Erwin.

3. The Moderator gave the report of the Executive Committee (See reports, page 38). He called attention to the cancellation of the April meeting of the Committee due to lack of attendance. According to Moderator Beard, if the work of the Association is to be conducted as it ought, members of the Churches must attend the various meetings of the Association.

4. Halford O'Quinn gave the Treasurer's Report (See reports, page 38).

5. Morris Andrews reported for the Sunday School (See reports, page 40).

6. Walter Gentry gave the Church Training Report (See reports, page 40), and encouraged support of the various phases of the Church Training program.

7. Rev. Harold White, representing the Baptist State Convention of North Carolina, brought greetings from the Convention Staff. Rev. White read Genesis 1:31 and spoke of God's plan of salvation, His plan for proclaiming the Gospel (the Church's most important task), and His plan for financing His Kingdom. We first give ourselves and then our substance. Southern Baptists and North Carolina Baptists are now giving less than 1/3 of the tithe. Rev. White concluded by saying that we are now almost 7% ahead of last year in Cooperative Program giving in North Carolina.

8. Jimmie Mize led in the singing of "Blessed Assurance."

9. The Moderator recognized Tom Freeman, who presented two requests for aid to the Harnett-Johnston Mission. The first request was for $7,500 from the Baptist State Convention Church Loan Fund, and the second was for $2,500 from the Baptist State Convention to aid in purchasing a lot. Both requests were approved.

10. Tom Freeman called attention to the absence of Miss Lillian Draughon, member of the First Baptist Church, Dunn, and long-time faithful supporter of Association work, who passed away recently.

11. The Moderator presented a request for Pastoral Aid for the South Erwin Baptist Church in amount of $780. The motion for approval was seconded and carried. Tom Freeman presented a request for Pastoral Aid for Crestview Mission, which was also approved.

12. The Baptist Hospital Report was adopted (See reports, page 41). Mr. Calvin Knight was introduced by the Moderator, and he spoke of the work of the Baptist Hospital in Winston-Salem.

13. The Baptist Children's Homes Report was adopted (See reports, page 41).

14. L.L. Coats, Sr., gave the report on the Homes for the Aging (See reports, page 42). The Moderator introduced Mr. Nelson Hayes, representing the Children's Homes, who spoke on the work of all Social Service Agencies of North Carolina Baptists.

15. Tom Freeman gave the Christian Higher Education Report (See reports, page 43), after which he introduced Dr. Budd Smith, President of Wingate College. Dr.

Smith stated that there are now 14,000 students in our Baptist Colleges. The difficulties with our young people today is a result of loss of identity; they feel that they are only "computer numbers." Christian Education is just that because of the teacher who stands in the classroom. The Cooperative Program is the lifeblood of North Carolina Baptist Colleges; they depend heavily upon this support. Through the Cooperative Program, we are participants, not spectators, in Christian Higher Education. Dr. Smith challenged the Churches to increase their support of the Cooperative Program.

16. J.C. McQueen, Jr., gave the Social Service and Civic Righteousness Report (See reports, page 44), after which he introduced Mr. D.P. McFarland, Director of the Christian Action League of North Carolina. Mr. McFarland stated that we are in a crisis situation today in North Carolina, especially in two of our counties, Moore and Mecklenburg, where votes will be held on liquor-by-the-drink November 5th. Concern about liquor-by-the-drink is because of what it does to people and the fact that it will open up many many more outlets for selling alcoholic beverages. It will change the method of distribution in North Carolina, making alcoholic beverages more available. Mr. McFarland urged the Churches to contribute financially to this fight. He called attention to a bill pending in Washington which would prohibit advertising liquor on radio and TV, and he urged Christians to write their representatives in Washington asking them to defeat this bill.

17. Jimmie Mize led in the singing of "O For a Thousand Tongues to Sing."

18. The Campbell College Choir, under the direction of Dr. Paul Yoder, thrilled and inspired the messengers and visitors with several fine renditions.

19. Dr. John Bunn, Campbell College, brought the annual sermon. Dr. Bunn referred to the account in Acts of the coming of Pentecost and asked the question: Is it possible that we have overlooked the availability of the power of the Holy Spirit, depending too much upon human resources to generate the power desperately needed by the Christian Church? From outward appearances, our Churches are doing a lot, but actually we are accomplishing little - highly organized, many meetings, but doing little. We are making little impact upon the world for the Kingdom of God; we have not turned the world upside down. What is the answer? One of our major needs is a revival of the possibility of a modern Pentecost. God has not refused to send it, nor has the Holy Spirit refused to dwell within us. It is our fault. Our self-centeredness pride, and haughtiness over our own accomplishments have bulwarked us against the invasion of the power of God. We want to do the work of God's Kingdom in our own way. We today do not even talk about the Holy Spirit or depend upon Him. Can Pentecost occur again? Yes - but the same price must be paid as was paid by the early Christians. They were together in prayer and expectant faith. Their differences resolved, they were in right attitude toward each other and toward God. The disciples were as one man on the day of Pentecost. They found this oneness with each other through their common faith in Christ. Dr. Bunn concluded: If this little group could do what they did, think what we could do today if we could achieve the oneness they had?

20. Henry Stokes led in a prayer of benediction and thanksgiving for the delicious meal prepared and served by the First Baptist Church, Erwin.

AFTERNOON SESSION

21. Jimmie Mize led in the singing of "Faith of our Fathers," after which Rev. Bob Brown, Pastor of Swanns Station Baptist Church, read from Joshua 23 and 24 and led in prayer.

22. Mrs. Beamon Kelly conducted a memorial service, paying tribute to members

of our Churches who passed away during the past year (See "Our Beloved Dead," page 16).

23. The Committee on Time, Place, and Preacher brought the following report:
Time of next Annual Meeting, October 23 and 24, 1972;
Place, Coats and Rawls;
Preacher, Rev. James Pardue; Alternate, Rev. Clyde Johnson.

24. James Pardue, Chairman, brought the report of the Finance Committee (See reports, page 44). The report, including the proposed budget, was adopted as presented.

25. Scott Turner reported for the Resolutions Committee (See reports, page 46).

26. Walter Gentry reported for the Nominating Committee (See Associational Directory, page 3). Upon motion and second, the report was adopted and persons named therein were elected to positions as indicated.

27. Scott Turner gave the Christian Literature report (See reports, page 46). He also reported on Church Libraries (See reports, page 47).

28. The Moderator introduced Marse Grant, Editor of the Biblical Recorder, who spoke of the difficulty in trying to get across the Christian point of view on such issues as liquor-by-the-drink without being misunderstood or intimidated. Mr. Grant said that, to his knowledge, attacks against the Church are more prevalent than at any time in the past. The Biblical Recorder seeks to present the Christian view and be a source of information for North Carolina Baptists.

29. The Minister's Retirement report was given by Lewis Beal (See reports, page 47).

30. Alva Ellis presented the American Bible Society report (See reports, page 48).

31. Jimmie Mize led in the singing of "Make Me a Channel of Blessing," and then he sang a song of prayer, "Eternal Life."

32. C. Paul Jones brought the Report on Evangelism (See reports, page 49), and introduced Rev. Jimmy D. Hinson, Associate in the Evangelism Department of the State Convention. Asking the question, "Where will you go with God?", Rev. Hinson read several verses of Scripture dealing with the command to go and bear witness. People are on the move, but so few are going in the right direction. We need to know that we are going where God would have us to go, to do what He would have us do when we get there. Doing God's will after we learn it is the most important but the most difficult thing for us to do. God does have the right to tell His children where to go and what to do. Many people go places without His permission and against His will. Another group - men such as Moses, Jonah, Peter, and Paul - found God's place and plan and did His will. It is a matter of going and doing now, regardless of age or circumstances.

33. Rev. Jerry Shriver, Pastor of Antioch Mission, led in prayer, bringing to adjournment the ninety-sixth annual meeting of the Little River Baptist Association.

BROTHERHOOD REPORT

"When the Brotherhood began in 1907 as a layman's missionary movement, its purpose was to stimulate the zeal and activity of laymen to a more thorough consecration of their time, prayer, and means to the glory of God in world-wide evangelism."

"A prime objective of the movement was the enlistment of men in the affairs of Christ's Kingdom. It was a systematic effort on the part of these laymen who had a constraining vision to bring the great mass of laymen face to face with their religious obligation. It was an appeal to laymen from the standpoint of laymen. It urged men to pray daily, study diligently, plan wisely, serve zealously, and give generously that the Kingdom of Christ might prosper."

"However, the heart of the Brotherhood work has always been missions and missionary education. Thus in recent years it has turned more to its original objectives, so that now it carries the responsibility for missionary education for boys, young men, and men. Such education seeks to develop a Christ-like concern for all peoples, an intimate knowledge of how Christian fellowship is being extended at home and abroad, and a hearty participation in all efforts to enlarge this fellowship of Christian faith until it covers the earth."

There will be hope for world evangelization as long as there are men and boys in our churches who organize themselves for the purpose of becoming informed about world needs, and who are willing to become personally involved in world missions.

I am happy to report that we have one new Brotherhood and the active ones look better. Our Royal Ambassador program has taken on a new look with the younger boys and much progress is being made.

ASSOCIATIONAL MISSIONARY REPORT

These are great days the Lord has given us to live and serve Him together. May our faith in God and in one another be such as to advance His Kingdom. We are grateful for the work being done in all the churches of our Association and the fine leadership and cooperation among the pastors. The fellowship among our pastors is as fine as you will find anywhere. All of us should be proud of this, and should encourage this relationship. Let us renew our faith and dedication for another great year in 1971 - 1972.

Thank you to those observing week of prayer for Associational Missions August 22 - 29. We spoke in 7 of our churches on Associational Missions. Thanks for your financial support also.

Our Missionary supplied pulpit 20 times, 15 special day sermons, participated in 6 Deacon ordination services, 8 funeral services, attended 20 State Meetings, heard 5 professions of faith, made 35 hospital visits, showed 12 filmstrips, taught 3 Mission studies, and worked in 3 Vacation Bible Schools.

At the end of February, 1972, we will have completed 20 years as Missionary in Little River Association. I wish to express my appreciation for your continued support interest and prayers during these 20 years.

The Biblical Recorder Speaks: As we studied the statistics in every association-one thing became evident, the churches which do not give through the Cooperative Program are frequently the churches which do not support the local Associational Missions Program as they should. But these churches have another similarity; most of them do not get the Recorder. The survey showed that 50% of the churches getting the Recorder gave 95% of all mission gifts. We try to encourage Recorder subscriptions as a part of Associational missions.

The Associational VBS clinic was held March 22nd at Neills Creek with 24 churches represented, 3 missions, 17 pastors, 28 in Pre-school Conference, 41 in Children's, 36 in youth, 48 in General and a total present of 153.

One hundred thirty-nine people representing 19 churches met in its annual WMU Associational Meeting April 13, 1971 at Antioch Baptist Church. Little River WMU was one of 19 Associations in our State rated as Distinguished Associational W.M.U. 1969-1970.

An Associational Missions Fair was sponsored this year by the Associational G.A.'s at the Lillington Baptist Church May 8th from 10 to 12 A.M.

An Associational Teacher Improvement Clinic was held at the Lillington Church May 17 and 18. Thirteen churches were represented with 65 in attendance each night. Leaders were: Pre-school, Mrs. Edna Stephens; Children's, Mrs. Morris Andrews; Youth, Rev. Norman Wheeler; Adults, Rev. Wendell Pearson and General, Rev. Morris Andrews.

Erwin First elected 8 young men as associate deacons for a one year period to study the office of a Deacon and the needs of the Church. After a year s study they will be eligible for election as a regular deacon.

Erwin First also purchased a house and lot in back of the church for future expansion.

Rev. John Poe, Jr., South Erwin Pastor was named to the 1970 - 1971 editions of Who's Who among students in American Colleges and universities. He was a psychology major at Campbell College and plans to enter S.E. Seminary upon graduation at Campbell.

Southern Baptists have missionaries in 71 countries or areas and all but 8 of these requested additional missionary personnel for preaching ministries during the year. We must encourage more of our young people to prepare for mission service.

ANNUAL WMU REPORT 1970-71

Woman's Missionary Union is one of five program organizations in a church. Other church program organizations are Sunday School, Church Training, Brotherhood and Church Music. Each organization has special work to do. Together they help a church fulfil its mission in the world. Woman's Missionary Union is committed to helping a church fulfil Christ's purpose on earth. The work done by WMU is church work. The tasks performed by WMU are Church tasks. Woman's Missionary Union assumes responsibility for helping the church and makes distinctive contributions to the total life and work of a church.

We have attempted through our four tasks this year to aid in helping ourselves and others in "Living the Spirit of Christ in Openess and Freedom" which is our theme for the year 1970-71. We tried to TEACH MISSIONS through our monthly meetings, Mission Study Groups, Bible Study Groups, Mission books groups, Home and Foreign Mission Graded Series Study Books, and individual study and reading. We have ENGAGED IN MISSION ACTION as we became engaged in Mission Action projects, mission VBS, family mission action projects and individual mission action projects. We SUPPORTED WORLD MISSIONS through giving and praying as we used the Calendar of Prayer (Praying for missionaries on their birthdays), prayer retreats, weeks of prayer for Home and Foreign Missions, Mission Prayer Groups as well as family and individual praying and projects. We sought to PROVIDE AND INTERPRET INFORMATION REGARDING THE WORK OF THE CHURCH AND DENOMINATION realizing that this task is common to all church programs.

New names and new materials constitute the major new look in WMU for 1970-71. The new grouping-grading plan has four divisions: Adult, Youth, Children's, and Pre-School. The names of the age level organizations in the divisions follow:

Adult Division	Baptist Women and Baptist Young Women
Youth Division	Acteens
Children's Division	Girls in Action
Preschool Division	Mission Friends

We feel that the new WMU age levels offer unlimited possibilities for grouping within a church.

The Associational WMU officers meet once each quarter to plan our work.

The Associational-WMU-Brotherhood Manual Study was held at the Friendship Baptist Church, September 15, 1970.

Our Annual WMU Associational Spring meeting was held at the Antioch Baptist Church, April 13, from 4:00 - 9:00 P.M. Miss Bernice Popham, from the State WMU office, spoke to us in the afternoon. The Rev. Jack Gentry, Missionary to Taiwan, was a featured speaker in the Evening.

Mrs. Norman Wheeler, G.A. Director, led in an Associational Fair in the Lillington Baptist Church, May 8. Rev. James Pardue was the speaker and six churches participated in the program. Four Associational WMU Directors attended the State WMU workshop at Camp Mundo-Vista, Asheboro in September, 1971. "If the Son therefore shall make you free, ye shall be free indeed." John 8: 36

WORLD MISSIONS REPORT

FOREIGN MISSIONS

As 1970 ended the Foreign Mission Board had a staff overseas of 2,501. This included 165 missionary associates, 4 special project medical personnel, and 121 missionary journeymen. Appointments during 1970 totaled 182 (92 Career, 18 associates, 64 Journeymen, 1 special project medical couple, and 6 career reappointments.)

On May 1, 1971, Southern Baptist Missionaries were under appointment to 76 geographical or political entities. New fields added in 1970 were Laos, Mozambique, Surinam, and Upper Volta. A couple was assigned to Barbados on an exploratory basis.

Southern Baptist Mission fields now have a total of 5,853 organized churches. 75% of these churches are self-supporting.

Publication ministries are a vital aspect to Southern Baptist Mission overseas. Baptist missionaries are related to publishing centers in 24 lands and to informal literature production programs in a number of other countries.

The hospital ministry of Southern Baptists is of extreme importance. During 1970, missionaries and national workers engaged in medical ministry treated more than 51,000 in-patients and saw nearly 930,000 out-patients.

As 1970 came to a close, Southern Baptists' contributions for Foreign Missions totaled $31,503,218 (a per capita gift of $2.71, 1% more than in 1969). The Lottie Moon Christmas Offering for 1970 had reached a total of $16,220,105 by May 1, 1971.

Approximately 50% of Southern Baptist Convention Cooperative Program Funds are made available annually for foreign missions. Still needed urgently for overseas fields are land, buildings, and equipment, amounting to several million dollars' worth.

HOME MISSIONS

New sections in the Home Mission Board were formed in 1970. The new sections are Planning and Coordination, Program Implementation and Program Services.

At the close of 1970 there were 2,222 home missionaries, 13 less than 1969. The reduction was caused by the rising cost of living and a slowdown in giving. Of the missionaries two-thirds are supported jointly with state conventions and serve in 50 states, Puerto Rico, and Panama.

There were 617 chaplains on active duty in the military, hospitals, institutions and industry. There were 701 part-time chaplains. These ministers reported 11,086 professions of faith and 850 units of work started such as new worship services, Bible Classes or Sunday Schools.

Church loans were made for 126 churches for $3,926,871 and 81 other loans for more than $4,000,000 were committed.

About 350 new churches and church-type missions were established in 1970. Church growth in pioneer areas increased 25% over the previous year as about 300 new churches and 900 home-type fellowships were established.

Southern Baptists have 1,032 missionaries associated with language missions in 41 states, the District of Columbia, Cuba, Panama, and Puerto Rico. New York was started with Filipino and Japanese people in Hawaii and with Spanish speaking people in New Orleans.

Student summer personnel with the Home Mission Board reached a high of 940. This number was sponsored by the Board and the Baptist Student Union (202). These workers reported 6,645 professions of faith.

STATE MISSIONS

The Baptist State Convention of North Carolina has a Division of Missions which works through five departments and numerous specialized ministries. The departments are Town and Country and Seminary Extension; City and Metropolitan; Interracial; Deaf Work and Fruitland Baptist Bible Institute and Camp.

Specialized ministries include Military; Cherokee; World Missions Conferences (Schools of Missions); coordination of work with associational Superintendents of Missions (Associational Missionaries); a chaplaincy ministry at Leonard Training School, McCain; Odom Prison, Jackson; and Morrison Training School, Hoffman; and field work in the Burnt Swamp Association.

This year the state mission offering goal is $250,000. If each Baptist would give 25¢ the goal would be reached. In 1970 the same goal of $250,000 lacked $29,130 being reached which means North Carolina Baptists didn't average 25¢ a member.

ASSOCIATIONAL MISSIONS

Missions begin in the local church, and the base for cooperation of churches in their missionary endeavor is the Association.

Associational Missions are supported in the following ways.

1. Through your prayers and the prayers of other people all over your association.
2. By your attending the Associational Meetings. These meetings are for you and are designed to help you in your work, and to help you to get acquainted with other Christian Friends.
3. By your being an officer in the Association if you are called upon. It is a great honor and privilege to serve Christ as an associational officer or committee member.
4. By sharing in the financial support of the Association. You can do this by giving your tithes and offerings in your church and your church giving a reasonable percentage of the offering plate dollar to Associational Missions.

Week of Prayer for Associational Missions was held August 22 - 29, 1971. The Theme was "United in Prayer" and the scripture was Ephesians 3: 14.

EXECUTIVE COMMITTEE REPORT

The Executive Committee held regular meetings in January and July (the meeting in April was canceled due to poor attendance). The Committee heard reports from the heads of the several organizations of the Association and took such action as the reports indicated was necessary. Other routine but important matters were handled by the Committee during their meetings.

SUNDAY SCHOOL REPORT

The beginning of the 70's were exciting days for those who dared to venture into the new program of Sunday School work (the new grouping and grading plan, new terms, new literature, new methods, and new opportunities.)

Truly it has been a good year to re-arrange the entire Sunday School system in your church so that the people could get the most out of Bible teaching.

If your church failed to adopt and use this new system, we encourage you to begin this year. We feel that this is one of the best moves our Convention has made for many years.

Last year the Sunday School Officers of the Association attended a Regional Sunday School Conference in Durham, N.C. which was very instructive. A two night Sunday School Leadership Training Clinic was held at the Lillington Baptist Church for all age groups, and was very well attended.

The Vacation Bible School Leaders of the Association attended a three day session at Wingate College, and our Associational Vacation Bible School Clinic was held at Neill's Creek Baptist Church with very good attendance for all age groups.

Much time and effort went into the Launching of the new work for the 70's, and we hope that all the churches are enjoying the literature that we are now receiving. If you have had trouble in receiving all of your materials as ordered, please be patient for such a tremendous change in writing, printing, and handling of the new literature was a tremendous undertaking.

The people of the Sunday School Board along with the Associational leaders, extend their best wishes to all the churches for a very good year in Sunday School, and all phases of your Christian endeavor.

CHURCH TRAINING REPORT

Our Church Training Program has taken on a number of new and most helpful features. Some of them are as follows: The New Group-grading plan, a correlated curriculum for all ages, increased emphasis on short-term training and interest groups, a wider selection of elective training courses, more emphasis on self-instruction, emphasis on scheduling training for certain groups at times in addition to Sunday Evening, flexibility of organization, and improved Achievement Guides. With these new features our churches ought to be doing a more effective job in helping church members gain knowledge, understanding, and skills needed in fulfulling the Church's mission.

There are three types of training in the new Church Training Program. They are Church Member Training, Leadership Training, and New Member Orientation.

Last year we had our "M" Night Service with Holly Springs Church. There were 13 churches represented with 141 in attendance. Our Associational Tournament night was held with Buies Creek Church. The Scripture Exploring Drill was the only drill promoted in Church Training last year. There were 13 churches represented, with two churches having participants, and a total attendance of forty-three. Eight children completed the drill and went on to the Regional Tournament. All eight were regional winners and seven were State winners.

Remember, "present-day Christians must continue in training if they are to live as meaningful and effective disciples."

If we are to make a difference, we must train.

NORTH CAROLINA BAPTIST HOSPITAL

Your Baptist Hospital admitted 17,557 persons in 1970 for a total of 150,174 days of care. In addition, there were 51,563 visits to outpatient clinics, including 17,241 to the Emergency Room. About 90% of these were "referral" patients-that is, patients who were referred to our Hospital by their local physicians because they needed the specialized medical care our Hospital is staffed and equipped to offer.

Our Hospital, from the day of its beginning, has provided good medical care for our people, including care for persons who cannot pay the cost. There has been great progress in medicine and tremendous increase in hospital costs, and these have made some policy changes necessary. The basic policy of providing care - now the highly specialized care for the more difficult cases - for those who cannot pay has not changed. This Christian ministry is at the heart of the work of our Baptist Hospital.

The financial situation of the Hospital is viewed by the administration with "cautious optimism." The operating deficit has been reduced and expenditures are being kept more nearly in line with income. The entire staff is cooperating in an effort to maintain a proper balance between sound financial policies and a spirit of Christian compassion.

The Medical Center Development Program is progressing on schedule. The new patient Tower is expected to be ready for partial occupancy by late 1972. The 14 bed coronary care unit will open about September, 1971. A statewide Development Campaign initiated with pledges totaling $177,182 from employees of the Medical Center, is moving toward successful completion.

Baptist Hospital offers a ministry of healing in Christ's name to all who need it. It seeks to fulfill the same purpose in North Carolina that a Baptist Hospital operated by our Foreign Mission Board seeks to fulfill in Korea or Nigeria. It ought to be supported by missionary-minded Baptists with the same enthusiasm and for the same reason we support every other phase of our denomination's World Mission Program. This is Missions, too. Twenty-eight churches in Little River Association gave in 1970, $3,708.89 and $4,137.21 in 1971.

BAPTIST CHILDREN'S HOMES 1971

Since the Children's Home Program was established in 1885 by John H. Mills, the founder of the Thomasville Baptist Orphanage, the program nas seen many innovations. The past year has been no exception.

For some time now the need for a Home to serve Western N.C. has been apparent; this past year it became a reality. The Broyhill Home near Waynesville was opened with two cottages, providing accommodations for twenty-five children in group care. Also a maternity home has been opened in Asheville in the past year.

The Ten Star Builders Program was launched last fall. This program is designed to inform Baptists and our other friends of the Children's Home Programs in Eastern North Carolina. There is a drive to raise funds in Lenoir County for the W.C. Reed Memorial Gymnasium and plans are to have the dedication of this building on Sunday, November 7, 1971.

Five years ago we had only one foster home in Eastern North Carolina. Today we are fortunate enough to count sixteen homes with space for twenty-five children. We are grateful for this growth; however, additional homes are needed. We must not forget that the foster parents also reap rewards for this opportunity to minister to young lives.

The purpose of the Children's Home is to provide Christian care for dependent and neglected children and their families. The desire to provide this care has caused a variety of services, all family centered.

Our services are made available through strategically located facilities throughout North Carolina; in the East at Kinston, Pembroke, Fayetteville and Raleigh; in the Piedmont at Chapel Hill, Thomasville and Charlotte; in the West at Asheville and Waynesville.

The entire staff members and Trustees of the Baptist Children's Home wish to express their gratefulness to North Carolina Baptists. Their continued support through increased gifts is a vote of confidence for their varied ministries. They thank you for this support and pledge to return Christian child care for your investment.

BAPTIST HOMES FOR THE AGING

Our North Carolina Baptist Homes for the Aging celebrated their 20th anniversary in March of this year. During these two decades, the story of our Homes has been one of faith and the abundant blessings of God upon this special ministry to older people. God has brought us from one Home, and one resident in 1951, to five Homes and a Nursing Care Unit, with total accommodations for 160 residents and 76 patients. Two of these Homes, Resthaven and the Hayes Home, and the Nursing Care Unit are located in Winston-Salem, and the other three Homes are located in Albermarle, Hamilton, and Yanceyville. In these Homes, our residents are loved, and we feel that there is no greater security that they could have and no better care that they could receive.

The past year has been one of the best ever, and we are rejoicing in the blessings that have come from God through our Baptist people. Support for the Homes from the churches, through the Cooperative Program and the Special Day Offering, has been most encouraging. For the last three years, the Homes have had an alarming deficit and have operated in the red. We have not yet reached the point of operating in the black, but let us say, with hopeful optimism, that we are approaching this time. The deepened concern of our Baptist People and the increase in gifts have been strong contributing factors to the success of the past year.

At least 80% of the people who live in our Baptist Homes are financially needy persons and benefit directly from the love gifts of North Carolina Baptists. They simply could not be maintained, and the Homes could not be operated, without the special offering, designated gifts from the churches, and the Cooperative Program. We would urge our Baptist people, therefore, to remember how dependent these dear older people are on them and would challenge them to give more liberally than ever and to see that their gifts are a real life-line in the on-going of this ministry.

Of unusual interest during the past year has been the construction of the new addition to the Nursing Care Unit in Winston-Salem. It is anticipated that this new facility will be ready for occupancy by September 1. It will make available 20 additional beds and bring the total capacity of the Nursing Care Unit to 76. This addition was made possible by the generous challenge gift of $80,000.00 from Judge and Mrs. William York, of Greensboro. The trustees accepted the challenge and raised an additional $80,000.00.

Pray for your Baptist Homes for the Aging and remember that any ministry to an older person in the name of Christ is a direct ministry to Him.

REPORT ON CHRISTIAN HIGHER EDUCATION

In his annual report, one of our Baptist college presidents said, "Higher education has reason to be gloomy. The wolves knocking at its doors are not fictitious. The problems are many, and sometimes they wrench at bedrock tradition." Recently Dr. William W. Jellema, research director of the Association of American Colleges, stated that 200 private colleges will exhaust their liquid assets in a year and that if the same pace continues for 10 years it could result in 365 bankrupt colleges. The financial crisis is a continuing crisis in the colleges.

But the Baptist college president's report turned from the gloomy to the encouraging, and he was optimistic as he reported growing financial strength, academic excellence, and an adequate number of faculty and students. The Baptist colleges of North Carolina are exceptional in that they do not operate in a crisis atmosphere, as do many others. They have problems, but they are, generally speaking, in good academic and financial health.

Our Baptist colleges must face with sober realism the fact that the day of applicants flooding our admissions offices is past. It is already harder to secure qualified and worthy students, and every college must strive to make its appeal to Baptist students an attractive one.

In his report to the Southern Baptist Convention in St. Louis last June, Dr. Ben C. Fisher, Executive Secretary of the Convention's Education Commission, stated that one conclusion of the self-study made by the Commission is the following:

"The basis for the continuation of our Baptist witness in higher education includes a determination on the part of the individual institutions to live within stated Christian purposes, the willingness of these institutions to serve the denomination in vital relationships, and the willingness to strive continually for academic excellence." He praised our Baptist colleges for giving a strong moral leadership in an age of decline, and added, "Church-related colleges are the last live option for post-high school training in a Christian atmosphere."

One of the most encouraging signs of the times in Christian Higher Education is the recognition by leaders in state government that private colleges are a tremendous asset to the state and that means must be found to encourage and utilize them rather than compete with them for students. Our public education system is now in a state of turmoil, and a special session of the State Legislature is being held this month to grapple with its problems. There seems to be emerging a recognition that the youth of our state deserve the option of attending a private college for their higher education.

Another source of encouragement is the fact that North Carolina Baptists are giving more money in unrestricted funds to their seven colleges each year than ever before in our history. Since this is true, Baptists have a right to expect their colleges to be operated as allies and co-workers with the churches, not critical antagonists. The colleges, for their part, have the right to expect affection and support from the churches plus honest efforts to get our finest young people to pursue their higher education in a Baptist College, when possible.

SOCIAL SERVICE AND CIVIC RIGHTEOUSNESS

The events which take place in a given community or state can not be disassociated from the effects which they have upon those who live therein. We live in a world where the issues which affect the very lives of our families are no longer those events which happen in remote places but happen next door or perhaps even in our own homes.

As these social issues (alcoholism, drug abuse, sexual deviation, racial problems, crime, disease, and others) face us, we can not stand by and do nothing about them. The Church has a responsibility to become involved in an attempt to solve these problems which affect our very existence.

Historically, the Church of Jesus Christ is rooted in a keen sense of ethical responsibility. The Old Testament abounds with examples of the very high sense of responsibility the Hebrew people felt for those around them, whether they were family, friends, or strangers (Deut. 14: 28,29). In the New Testament the ministry of Christ was punctuated in countless places where He sought to give Himself in helping other people. Sometimes His ministry was healing (Luke 8: 26,25), sometimes it was feeding (Luke 9: 12-17), and sometimes it was just being a friend in a time of crisis (John 4: 1-42).

In all of Jesus' ministry, He sought to get in the main stream of what was happening and to give His best in meeting the needs of that hour. This is the challenge, but more than a challenge, this is the call of Christian people today. We must become concerned lest these current problems become worse and more lives are ruined.

The Church must first issue the call to repentance on the part of man but she must also speak out against those things which are destroying the lives of thousands upon thousands each year. Not only must the church speak, she must ACT. Possibly the Church, in her failure to act, can be blamed for some of the things which are damaging people's lives.

The church cannot and must not wait for someone else to handle problems and issues for which she is responsible. To wait may be disastrous. The non-Christian may not seek to do good for all. If we neglect our responsibility as a Christian then we may suffer the consequence of letting someone else decide the issues which will doom the church even more. The problem of social services and civic righteousness are problems which Jesus would have us get involved in as we minister and follow the example He set.

The church can best minister to the needs of people as she gets involved. To fail in this area of relating to people and the problems of our world, is to do it at the expense of Christ and His Church. May God help us to see the world's needs and problems and act responsibly as a church and as Christians.

FINANCE COMMITTEE REPORT

The Finance Committee presents these recommendations for your consideration.

(1) The proposed budget for next calendar year-the budget represents a modest $323.00 a year increase. As you will note, most of this is built in to past actions-$75.00 debt retirement, $106.00 hospital insurance increase, $40.00 house insurance increase.

We feel, however, that we have been able to provide a cost of living increase to our missionary and still keep close to our receipts.

(2) We recommend that an Associational missions banquet be held next March. Each church would send five members with each member paying for his own meal. The purpose of the banquet would be to inform about our associational program with the hope that each church would support our local work. We ask that the Calendar Committee set the date.

(3) We recommend that a mission action section be included in the budget during this Calendar year. We recommend that the missions Committee suggest concrete proposals for mission action in our association such as: help for existing missions, starting of new missions, help with Harnett Youth Center, help with Mental Health Center, Campbell College, etc.

We recommend that these suggestions be presented at the March Missions banquet and that individuals, organizations in churches, and churches be encouraged to contribute to this local mission advance.

RESOLUTIONS COMMITTEE

Your committee on resolutions with deep gratitude to God for His blessing upon us during this past year and for the faithful work of the officers and members of the association, which has made a successful year possible, do offer the following resolutions:

BE IT RESOLVED:

1. That we express our thanks to the Buies Creek Church and to the First Church of Erwin for entertaining the annual meeting of the association and to the Erwin Church for the bountiful luncheon served:
2. That we thank our Missionary Reverend Julius Holloway for his faithful work during the year and especially at this time for the preparation of the Book of Reports that has meant so much to the efficiency and the success of this annual meeting, and to the Moderator and officers of this association for their work during the year;
3. That we express our thanks to God for the life and works of Miss Lillian Draughon, who passed on to her reward this year and who attended the meetings and took part in the work of this association for a longer period of time than any other person;
4. That because of the tremendous harm done by the use of alcohol and drugs, we express our strong opposition to their use and to this end urge the members of the churches of this association to use their vote and influence against the legalized sale of liquor by the drink, and that we support the Christian Action League in its efforts in this matter;
5. That we thank Dr. Paul Yoder and the Campbell College Choir for the inspiring musical selections presented by them and to the Youth Choir of Friendship Church led by Reverend F. J. Mize for their contribution.

CHRISTIAN LITERATURE REPORT

At a time when some religious publications are losing circulation, it is good to report that the BIBLICAL RECORDER has passed 93,000 - the highest circulation in its 138-year history. This circulation is a tribute to the Baptists of North Carolina who support the paper so faithfully.

Even though inflation continues to create problems, you can receive the RECORDER under the Church Budget Plan for the same price it was in 1960--only $2.00 a year. It is not known how long this reasonable price can be made available and that is all the more reason churches should enlist immediately.

The RECORDER likes to report all the good news it can about Baptists. The paper is proud to be the instrument that communicates to the world what our denomination is doing. When evil needs to be exposed, however, the RECORDER does not shun it. This was evidenced again in the legislature this year as the liquor forces managed only small gains. And these may turn out to be unconstitutional. We are referring to the local option liquor by the drink elections in Moore and Mecklenburg Counties. The RECORDER stresses Christian citizenship. Perhaps this is one reason the paper continues to reach more and more people - it stands for something.

The RECORDER appreciates every reader and supporter. The cost is reasonable. You can receive the RECORDER under the Church Budget Plan for only 4¢ a week--half the cost of mailing a letter. There is no more economical way to have an informed membership than by sending the RECORDER to every family.

Other publications of our Denomination include:

Much new and improved literature has been published by the Sunday School

Board this year and all our churches should become acquainted with this material.

CHARITY AND CHILDREN which brings news of our Children's Homes.

The HOME MISSION MAGAZINE which deals with all the work carried on by the Home Mission Board.

The COMMISSION which is published by the Foreign Mission Board and has news from the foreign fields.

Good Christian Literature can mean so much in imparting information and in building character. We urge our churches to get the best materials for their libraries and encourage their use.

REPORT ON CHURCH LIBRARIES

The modern church library is the repository for all the material used in the educational work of the church. It should not only catalogue and keep careful records of books but also all such materials as films, slides, objects, pictures. The care of the equipment for the display of these should also be the responsibility of the church library.

The Associational Library Committee is happy to announce a growing interest in libraries in our churches. The Committee has assisted two churches in the formation of libraries.

ANNUITY BOARD

As prices of goods increased and the value of the dollar decreased in 1970, a large number of Baptist pastors, church staff members, and denominational employes moved to provide greater protection in the years ahead for themselves and their families. Most of these persons did so by increasing their Southern Baptist Protection Program participation to at least ten per cent of total salary.

While members upgraded, the Annuity Board was introducing Good Experience Credit. This gives Protection Program members benefits over and above the amounts set forth in their certificates.

Increased benefits are made possible by interest earnings in excess of the Protection Program's initial actuarial assumptions. Since January 1, 1970, active members received Good Experience Credit in the form of increases in retirement credits accrued.

Retired persons also get Good Experience Credit. Persons receiving benefits other than education, variable or fixed period are getting four per cent more income each month.

Each retired person, or widow, also received a "13th Check" for 1970 amounting to 8.33 percent of his annual benefit. It was the fifth consecutive year the "13th Check" had been given and amounted to $424,594.

In its 53 year history, the Annuity Board has paid benefits amounting to $82.1 million; $8.4 million was paid in benefits during 1970.

The following is a list of Churches in the Little River Association now participating in the Southern Baptist Protection Program. Nine of this number participate beyond Plan A which is the basic Retirement Program.*

AMERICAN BIBLE SOCIETY REPORT

In the words of ABS General Secretary Laton E. Holmgren: The sole purpose of all Bible Society activity is - and always has been - to provide men, in intelligible and convincing speech, with the record of the "wonderful works of God." It is this concern for the redemption of the world - for the whole life of the whole man in the whole world - that permeates the work and witness of all those concerned with the Bible Society movement. If possible, every man on earth must be told of the Saviour in his own tongue and given the opportunity to surrender his life to Him. This can only be done if we "press with vigor on."

The American Bible Society is grateful for the privilege of serving as a partner of Southern Baptists in providing the Bible as a tool for missions. It helps missionaries translate the Bible. It publishes without note or comment. It distributes without profit, and without any charge in cases of special need. For the blind it supplies Scriptures in Braille and other raised-letter systems talking Bible records and tape recordings.

At the close of 1970 at least one book of the Bible has been published in 1431 languages: the Bible in 249, a testament in 329 more, and portions in 853. Many however still wait for the Bible in their own language.

In 1970 the Bible Society donated 4,323,599 Scriptures for chaplains to the Armed Services, a 94.3 per cent increase over 1969. Many of these were distributed by Southern Baptist Chaplains.

Distributed 99,595,465 Bibles, Testaments, Portions and selections, a 30.7 percent increase over 1969. The world distribution of all the Bible Societies totaled 173 million, equivalent to one copy for every 21 persons in the world.

SOUTHERN BAPTIST SUPPORT THE WORK.

In 1970 Southern Baptist churches gave $233,185 to the American Bible Society, and stood first among all denominations. Although Southern Baptists lead in total gifts, the per capita gift from more than 11.6 million members is only a little more than 2 cents a year.

SOUTHERN BAPTIST CAN LEAD, even in percapita gifts - if every church will give each year. Has your church given this year? Here are some suggestions, based on what many churches are doing:

Every church can give AT LEAST these amounts EACH YEAR.

Smaller Churches	$10 to $60
Larger Churches	$60 to $300
Great City Churches	$300 to $600 or more

Please send your gifts to Baptist State Office marked "for the American Bible Society."

EVANGELISM REPORT

During the past associational year the churches of Little River Association reported 310 baptisms. This compares with the previous year, when 327 were reported. We are grateful to God for everyone who has been reached for Christ during the past year, but we realize that there are many more that need to be won. This is the task of our churches as we face another associational year.

All Christians need to thank God for the renewed interest among youth in evangelism. This was evident during the Youth Evangelism Night this past February 2nd when almost 20,000 youth and adults overflowed the Greensboro Coliseum and War Memorial Auditorium. 1,519 decisions were made by these youth. Also many youth in churches across our state are involved in witnessing for Christ in unique ways.

The Little River Association Evangelism Conference was held February 23rd at the Lillington Baptist Church. Rev. Marion Powell, pastor of the First Baptist Church of Taylorsville, North Carolina, was the guest speaker. He preached a very challenging message on evangelism and gave a testimony as to the many ways his church is reaching people for Christ.

There is tremendous interest in North Carolina and the entire Southern Baptist Convention in the new WIN materials on lay witnessing and the one week Lay Evangelism Schools. Over twenty-five associations have already started specific planning toward a one week Lay Evangelism School in their area. The first Lay Evangelism School sponsored by the Division of Evangelism will be November 1-7 in the Mecklenburg Association. Other one week dates have already been confirmed in several associations. Jesus reminded all Christian laymen of our task in Luke 24:48 - "And ye are witness of these things." Thousands of laymen and youth will respond if they are properly challenged and trained.

The Division of Evangelism in cooperation with our Brotherhood Department and the N.C. United Methodist Conference will sponsor four Regional Evangelism Conferences for Baptist and Methodist men during October 18-19 and 21-22, 1971, across the state. Lay evangelism will be the emphasis of these evening meetings. Dr. Ben Johnson of Atlanta, Georgia who has assisted Dr. Billy Graham and Dr. Ken Chafin in several conferences, and Dr. Ralph Neighbour of Houston, Texas, will be the two main speakers. Rev. Bob Gibbons will be the guest soloist. Laymen will preside, share personal testimonies, and have the Scripture and Prayer.

The 26th Statewide Evangelism Conference will be February 7-9, 1972, at the Cumberland County Memorial Auditorium in Fayetteville.

The next statewide Youth Evangelism Conference Night will be on Friday Evening August 18, 1972, at Greensboro Coliseum.

Remember to pray earnestly for the non-Christians in North Carolina and around the world that through our efforts together the Holy Spirit may lead many persons to commit their lives to Jesus Christ.

The Evangelism chairman challenges every church to give an added emphasis to evangelism during the coming year.

COOPERATIVE PROGRAM REPORT 1971

Is there a church you can lead to increase Cooperative Program giving by $5,000? or $10,000? or $15,000? Does your association have 100% of the churches contributing through the Cooperative Program? Anson and Yates associations did in 1970. More than 1,000 churches in North Carolina increased Cooperative giving last year by 10% or more over the previous year. As a dedicated Christian steward will you try to lead your church to increase the percentage of the offering plate dollar given through the Cooperative Program?

A Pastor said during a Fellowship Dinner in his church, "My hands reach 25,000 miles, or rather the Lord's hand through me, when I lay the dedicated tithe of my income in the offering plate of our church.

"But how can I reach this distance? By joining hands with others.

"You see, our church gives 32% of every undesignated dollar through the Cooperative Program.

"Our Lord set a wonderful example for us at this point. He started with education. He taught the apostles and they proclaimed the gospel around the world. The Cooperative Program is an effort to follow this example.

"Since the Cooperative Program helped to educate and now pays the salary of over 6,000 missionaries around the world, I am able to reach around the 25,000 miles of the earth as I tithe through our church," concluded the pastor.

You can reach 25,000 miles as your church gives a worthy portion of each worshiper's contribution through the Cooperative Program.

North Carolina Baptists believe that the Cooperative Program is the best way to do mission work because:

1. It is motivated by the Great Commission. The Cooperative Program did not create cooperation on the part of Baptist churches; the desire of the New Testament churches to give the gospel to the world created the Cooperative Program, (Luke 24:45-48; Acts 1:8).
2. It is rooted in New Testament practices (II Cor. 8 and I Cor. 16:1-3).
3. It is the product of generations of the best Baptist leadership.
4. It gives hope for the future.

The Moderator, the Convention's General Board member, our Superintendent of Missions, and your Cooperative Program representative in this association, plus your Regional Cooperative Program Consultant and R. Tom Greene of the Baptist State

Convention office are delighted to offer friendly service to aid your aim of increased Cooperative Program sharing. On your invitation we stand ready to assist in every possible way.

"THE STATE OF STATE MISSION MINISTRIES"

GENERALLY SPEAKING, State Missions in North Carolina can be divided into two major categories: (1) ministries that STRENGTHEN and (2) ministries that LENGTHEN the witness of local churches.

STRENGTHENING ministries involve the various church program organizations such as Sunday School, Church Training, WMU, Brotherhood, etc. These programs better enable local churches to realize their own mission potential.

State Missions ties into all of this by providing resources and personnel that assist in the development of these ministries. Workshops, seminars, and conferences are conducted each year that deal directly with the strengthening of these organizations. State Missions, therefore, helps local churches as they themselves become types of "Mission Station" across the state.

The second type of State Missions are those ministries that LENGHTEN the witness of local churches. These are cooperative efforts that "represent" the concerns of local churches; programs that require the support of many congregations. Some examples of these ministries include Urban Missions, Interracial Cooperation, Resort Ministries, Language Ministries, Chaplaincy, Fruitland Baptist Bible Institute, Seminary Extension, Ministry to the Deaf, etc. These are specialized programs that require the continued support of well-trained personnel. Many of these ministries are co-sponsored with the Southern Baptist Home Mission Board who provides home missionaries, as well as other resources.

Each of these ministries, however, works closely with local churches and associations. In Resort Ministries, for example, local churches and associations often participate by providing personnel and other resources. It is not uncommon for urban weekday programs to look to churches and associations for a needed location and other resources.

Other extending ministries include Literacy Work, Migrant Missions, Mountain Missions, Week-Day Ministries and Youth and Family Services. All total, State Missions involves over 50 different ministries across North Carolina. These programs serve as a vital link in the total World Mission responsibility of North Carolina Baptists.

DEPARTMENT OF INTERRACIAL MINISTRIES

Corbin L. Cooper, Director
September 1970 - August 1971

An important event of the past year was to welcome the Rev. Leo Williams, Jr., to the staff as Director of Christian Education. He is a part of the expanding cooperative ministries sponsored by the General Baptist State Convention and the Baptist State Convention.

This summer a record number of 30 young people and adults were appointed to serve in a variety of places throughout the state. They have ministered primarily to young people in Bible Camps, week-day programs, day-care centers, and Vacation Bible Schools. From the mountains to the the coast they have ministered in churches of both conventions, reaching the youth of all races.

For the first time applications for summer work were rejected because funds were not available. The summer of 1972 may result in the same problem unless additional resources are provided. We are hoping that individuals and churches will see fit to help provide for this project.

Another objective of the department is to provide programs and materials to General Baptist Churches and Associations upon request. This is another way whereby the various departments may cooperate in reaching, teaching, and training people. Leaders of the General Convention are invited to reciprocate by providing messages and materials to aid individuals and churches in the Baptist State Convention. This exchange of talents and information helps us to get the best from both conventions, while improving relationships between the races.

As our young people become better acquainted in public schools, colleges, and in the military, they are placing greater demands on their churches and denomination to be racially inclusive in their ministries. We are eager to help pave the way for those congregations who believe that the Great Commission involves a challenge to reach all people with the gospel.

Those who serve within these cooperative ministries are especially happy to provide their services to churches and associations of both Baptist State Conventions. In addition to the Director they are Mrs. Mary E. Washington, Office Secretary; C.C. Craig, Jr., Raleigh; Leo Williams, Jr., Raleigh; J.Z. Alexander, Raleigh; Benjamin Daniels, Winston-Salem; and Mrs. Alcovia O. McCall, Asheville.

DEPARTMENT OF STUDENT WORK

The Department of Student Work of the Baptist State Convention of North Carolina seeks to minister to those on the various college and university campuses in this state.

Across North Carolina there are more than 125,000 students enrolled in over 70 institutions of higher learning. The Department of Student work has campus chaplains or BSU directors on 30 of these campuses. Many of these ministers are local pastors or faculty members who serve in a volunteer or part-time capacity.

The ministry of the BSU varies from campus to campus, but each unit operates within a basic philosophy and guidelines decided upon by the Convention. The work on the local campus seeks to help the student relate his Christian faith to the academic world of which he is a part.

Beyond the local campus there are other opportunities for student involvement. During the 1970-71 school year the BSU Fall Convention was held at Ridgecrest Baptist Assembly. Approximately 400 students participated in this program. A conference for International Students was held during the Thanksgiving holidays at the North Carolina Baptist Assembly. Caswell was also the site for the BSU Spring Conference. There were 300 students attending this meeting.

During the summer months students were involved in various outreach projects. Six students formed the RHYMES WITH REASONS, a Christian folk team. The students toured North Carolina sharing their faith through music. The majority of their concerts were in resort areas. The Apostoloi Team, composed of two boys and two girls, spent ten weeks in youth ministry in various churches. This team spent eight weeks of the summer in churches in the Carolina Association. Ten students were involved in mission and ministry in Morehead City. This beach ministry project was coordinated through the Bogue Banks Ministry, Inc.

The work of the Student Department is a part of the total witness of State Missions. The staff and personnel of this department stand ready to assist the local church in its ministry to students. Likewise, the department needs the support and assistance of each local church as it attempts to minister on the campus.

Proceedings

1. The ninety-seventh annual meeting of the Little River Baptist Association held its first session with the Coats Baptist Church, Monday Night, October 23, 1972. The session was opened with special music by the choir of the host Church, after which Dr. J. Winston Pearce led in a devotional period.

2. Moderator Howard Beard called the meeting to order and welcomed messengers and visitors to the Coats Church. He introduced Mrs. West and Mrs. Smith, musicians of the host Church.

3. The Clerk called the roll of Churches. Motion made and seconded that the messengers of these Churches and those reporting later constitute the ninety-seventh annual meeting of the Little River Baptist Association. Motion carried.

4. The Moderator recognized Lewis Beal, who presented the order of business for this annual meeting. He pointed out one change in the day session. Dr. Wiggins will bring his address at 9:55 rather than at the scheduled time. Motion, seconded and carried, and the program as presented with one change was adopted.

5. Moderator Beard appointed the following committees:

Program:	Howard Roseman, Chairman Mrs. Billy Ray Currin Norman Wheeler Morris Andrews Mrs. Winston Pearce
Resolutions:	G. Scott Turner, Chairman Irvin Stephens Mrs. Weldon Johnson
Place and Preacher:	Henry Stokes, Chairman Mrs. Morris Andrews Robert Clark
Nominating:	E. Weldon Johnson, Chairman Mrs. Edna Stephens Clyde Johnson

6. James Brown presented the report for Baptist Men (see reports, page 21).

7. The W.M.U. Report was given by Mrs. Billy Ray Currin (see reports, page 21). Mrs. Currin thanked Mrs. Walter Gentry for her work as Associational Director and announced an Association-wide Foreign Missions study on November 1st, to be taught by Mrs. Winston Crawley.

8. The Moderator asked for permission at this time to present a matter concerning

local missions. He referred to cards which were available and which were to be filled out, indicating that the signee would be willing to contribute $10 when called upon during the coming year in support of local missions. 300 or more signees would make it possible to help Churches in the Association which are in areas that are growing but have facilities which are inadequate. The Association Missions Committee would have the responsibility of administering the fund.

9. After the singing of "Ask Ye What Great Things I Know", Rev. Julius Holloway gave his report as Associational Missionary (see reports, page 23). He also gave the World Missions Report (see reports, page 23). Bro. Holloway spoke to the report on World Missions, presenting a stirring challenge to the Churches to expand World Missions outreach. He reported on the status of the Missions of the Association. Using the Gourd Springs Church and its challenging situation as an example, Bro. Holloway urged the Churches to respond to needs within the Association as well as specific areas of State, Home, and Foreign Missions. Our Minsionary then introduced new Pastors in the Association: Bobby D. Hollar, Kennebec, and Gerald McKay, Neills Creek.

10. Special Music was presented by the Coats Church Choir.

11. Moderator Beard introduced Rev. Kenneth Bragg, Missionary to Japan, who is living in the Missionary Home in Buies Creek provided by the Snyder Memorial Church of Fayetteville. Rev. Bragg quoted the Southern Baptist theme for this year and stated that Christ will ever lead us into new adventures under the leadership of the Holy Spirit in a program of action of winning this world to Christ. Missionary Bragg related several experiences which he and his family have had in pursuing this Christian adventure. Only 3/4 of 1% of the Japanese are Christians, but missionaries are making an impact on these people. Communism is very strong among some of the Japanese students, but the power and Spirit of Christ in a Christian character can overcome Communism as well as other evils. Bro. Bragg spoke of the thrills he has experienced in discovering the ministry of the Holy Spirit to and through him, challenging each person to re-examine the New Testament teaching in this connection. The benediction was pronounced by Missionary Bragg.

SECOND DAY

Morning Session

12. The second session of the Annual Meeting of the Association was held with the Rawls Church Tuesday, October 24, 1972. After the singing of "O Worship the King", Dr. J. Winston Pearce led in a devotional period.

13. Robert Clark, host Pastor, welcomed messengers and visitors to the Rawls Baptist Church.

14. Dr. Hugh McKinney gave the report on Christian Higher Education (see reports, page 24). He introduced Dr. Norman A. Wiggins, President of Campbell College, who spoke to the report. Dr. Wiggins stated that North Carolina Baptists have one of the finest system of Church-related colleges in the nation. Were it not for the Cooperative Program, many of the colleges, including Campbell, could not exist. Dr. Wiggins thanked Little River Association Baptists for their support of our Baptist Colleges and shared something of the progress which Campbell has made during the past 5 years. He closed with an invitation to the Association to meet at Campbell College in the near future.

15. The Executive Committee Report was given by the Moderator. He emphasized again the "300 Club" - persons who will give $10 when called upon during the coming

year to undergird Associational Missions projects. Messengers were asked to sign the card indicating their desire to be a member of the "300 Club". (see reports, page 26).

16. The Treasurer's Report was given by Julius Holloway (see reports, page 26).

17. The Moderator introduced E.C. Wilkie, who spoke on cooperative missions. Bro. Wilkie asked the question, "Where does cooperation start"? God initially uses individuals, and this is the beginning point of cooperative missions. Concern for a lost world must begin with the individual. The vision of the individual becomes the vision of the body of Christ as the Holy Spirit directs.

18. The Sunday School Report was given by Norman Wheeler (see reports, page 28).

19. The Church Training Report was adopted (see reports, page 29).

20. The congregation joined in singing "All Hail the Power of Jesus' Name".

21. Upon motion, duly seconded and carried, request of Gourd Springs Church for financial aid to purchase a lot for a church building was approved.

22. The Moderator presented the following suggested amendment to the Constitution: Article 10, section k, having to do with standing committees, be amended as follows; The wording, "Chairman on Social Service and Civic Righteousness" be deleted and the following wording be included: "Chairman on Christian Life and Public Affairs". In the same section, after "Chairman on Evangelism", added "Chairman on Cooperative Program". This amendment will be voted on during the afternoon session.

23. Don Phillips gave the Baptist Hospital Report (see reports, page 29).

24. Mrs. Weldon Brown presented the Children's Homes Report (see reports, page 30). Charles F. Hodges, representing the Children's Homes, thanked the Churches for helping support the ministry to 1,412 needy boys and girls in North Carolina. He reported on the progress being made on the various campuses and in the other programs of Child Care.

25. Irvin Stephens reported on the Homes for the Aging (see reports, page 31). William Poole, representing the Homes for the Aging, spoke to the report. Bro. Poole stated that caring for the needy is a Divine trust. To minister to even one person in the Name of Christ is an incomparable experience. Social services is a ministry to the total person. Bro. Poole closed by saying that we are all in the Social Services ministry together and expressed his thanks for support received from the Little River Association through the Cooperative Program and special offerings.

26. After the singing of "O God, Our Help in Ages Past" and "Jesus Is All the World to Me", the Moderator asked Wendell Pearson to serve on the Resolutions Committee in the absence of Bro. Scott Turner.

27. The Campbell College Choir, under the direction of Dr. Paul Yoder, brought thrilling and inspiring messages in song.

28. Clyde Johnson brought the annual sermon. He read Ecclesiastes 3:1-8 and spoke of the balanced order of God's creation. Man's life is delicately balanced also, especially with regard to our spiritual lives. We need in 1970 a proper balance between getting and giving; between fighting the evil and building the good; between acquiring knowledge and using the knowledge we already have; between life's restraints and its freedoms; between hard work and satisfying rest; between laughing and crying; and between preparing to live and preparing to die. After this challenging message, Bro. Johnson led in the benediction and asked God's blessing upon the noon meal which was prepared and served by the host Church.

AFTERNOON SESSION

29. After the singing of "Holy, Holy, Holy", Dr. J. Winston Pearce led in the third and final devotional period on the theme, "The Temptation of our Lord".

30. Henry Stokes brought the following report of the Place and Preacher Committee: Time, October 29th and 30th, 1973; Place, Oak Grove and Campbell College; Preacher, Norman Wheeler, and alternate, Howard Roseman (doctrinal message); Resident Missionary at Campbell College to bring the Missionary message; alternate, Furman Mathews.

31. Wendell Pearson reported for the Resolutions Committee (see reports, page 31).

32. Don Phillips presented the Finance Committee's Report, including the proposed budget for the coming year (see reports, page 33). He pointed out changes in the proposed budget as compared with last year and moved that the proposed budget be adopted. Motion seconded and carried. An amendment was offered which would add to the report "Funds received from the '300 Club' can be used also to assist needy International Students at Campbell College, at the discretion of the Missions Committee". The amendment carried. The report of the Finance Committee was adopted.

33. The report of the Nominating Committee was given by Norman Wheeler (see Associational Directory, page 5). Upon motion and second, the report was adopted and persons named therein were elected to positions as indicated.

34. Henry Stokes reported on the funds which were raised during the past year to aid International Students at Campbell College. About $646 remain in this fund after helping two Nigerian students for four months.

35. The Constitutional Amendment presented during the morning session was adopted.

36. Tom Freeman asked that request to the Baptist State Convention for a loan to aid in purchasing a lot for Faith Mission be approved. He also asked that the State Convention be asked to donate $1,200 to Faith Mission to apply on the purchase of a lot. Upon motion and second, both applications were approved.

37. Henry Rawls gave the report on Christian Literature (see reports, page 33). The Moderator recognized Toby Druin, who spoke on the work of the Biblical Recorder.

38. H.R. Starling gave the Ministers Retirement Report. He spoke of his own experiences of blessing through the Retirement Program of Southern Baptists and expressed his gratitude that Churches where he served made it possible for him to be covered by the Retirement Board. He urged that each staff member of each Church be given Retirement Board coverage. (See reports, page 33).

39. The report of the Baptist Foundation was adopted (see reports, page 33).

40. The report on Christian Life and Public Affairs was given by Morris Andrews (see reports, page 34).

41. Henry Rawls gave the report for the American Bible Society (see reports, page 35).

42. The Evangelism Report was adopted (see reports, page 35).

43. The congregation joined in singing "Rejoice, Ye Pure in Heart".

44. Mrs. Bruce Blackmon led in the memorial service, remembering those members of our Churches who went to their eternal home during the past year (see "Our Beloved Dead", page 41).

45. The Moderator recognized Tom Freeman, Pastor of Dunn First and President of the Baptist State Convention, and presented to him a plaque from the Association

in appreciation for the leadership of and service to Little River Association Baptists and Baptists throughout North Carolina. Moderator Beard asked Mrs. Freeman to join her husband in receiving the plaque and the gratitude of our Association.

46. Bro. Freeman thanked the Association for the award given him and brought the closing message. He read from Luke 9, 10, and 14, and spoke on the subject, "Missionary Baptists Greatest Opportunity". Only 1/3 of Americans believe that Churches have any real influence. Baptists have experienced a recent decline in baptisms and other areas of our work. Calling the 60's a "desert period", Bro. Freeman pointed out some "oases", some churches which actually grew during this period of general decline. Their people went out to witness face to face with the lost. They went back to the New Testament method, and thus they were able to go against the trend of decline. The "Jesus Movement" was another oasis and continues to influence youth around the world. These and other signs indicate that the decade of the 70's may be the greatest age of the Church, presenting us with our greatest opportunity - that of getting our lay people to witness face to face. Jesus sent out His followers, apostles, and others to witness. We must go before the lost will come. Early Christians went out to tell others about Jesus; we go to Church to hear the preacher tell about Jesus. This must not be, if we are to realize our opportunity. Only 3% of our Baptist people witness. We are afraid, undedicated, untrained, and lacking in love for Jesus. If we love Him enough, we would take advantage of our greatest opportunity in the 70's, that of personal evangelism.

47. Moderator Beard turned the gavel over to the incoming Moderator, Henry Rawls, who called upon Lewis Beal to lead in the prayer of benediction. Thus the ninety-seventh annual meeting of the Little River Baptist Association was adjourned.

Reports

BROTHERHOOD REPORT

The need for Baptist Men in our association is greater now than ever before. Baptist Men should challenge men with the need for mission work by the church and set forth that need so that every man will see his individual responsibility. Informed, concerned, and involved men can and will make the ministry of their church more effective.

As we visit churches with Brotherhood and Royal Ambassador programs, we find the men and boys becoming more involved in the work for Christ's kingdom among men.

During the past year our associational workshop for the leaders was well attended. Many of our men and boys attended the State Brotherhood Convention in Raleigh. We have some men doing personal witnessing in their church and in other churches when called upon. Several of our Royal Ambassadors spent a week at Camp Caraway this summer and many of the men had the opportunity of visiting the camp also.

With God's help in the coming year, we hope that we can give assistance to all of our churches in Brotherhood and Royal Ambassador work.

WOMAN'S MISSIONARY UNION

All will openly proclaim that Jesus Christ is the Lord, To the glory of God the Father. (Phil. 2:11TEV). Paul is pointing out here that the Christians knee must be bowed in reverent prayer and the tongue vocal in confession of who Christ is. He is Christ, Lord, obedient and exalted Son of God.

Using as our denominational theme, Living the Spirit of Christ in Expectancy and Creativity, this passage from the Scriptures appropriately reminds us that we must examine our personal definition of Christ if we are to openly proclaim him with our lives and our tongues. It is required of modern Christians that with the commitment of the whole of life we affirm boldly and with certainty that "Christ is Lord".

WMU members in our churches emphasized Mission Action and Family Missions activities in 1971-72. The plans we make and the work which we do in the "name which is above every name" can witness to troubled and despairing people all about us the joyous truth that Christ the Lord can be trusted and that His resources and power to meet human need, regardless of its complexity, are without limit.

The associational WMU-Brotherhood Leadership Conference was help in the Erwin First Church, October 18 from 7:00 to 9:00 P.M. Conferences were held for all officers.

The WMU observed the first Associational Interracial World Day of Prayer last year in the Lillington Baptist Church, November 1st.

The Little River Association was well represented at the State WMU Meeting which was held in Winston Salem in March.

The high-light of our year is always our Associational WMU Spring Meeting which was held last year at the Holly Springs Baptist Church, April 12, from 7:00 to 9:00 P.M. It was voted at this meeting to have only one session for our annual meeting which will be in the evening. Miss Phyllis Thomas, former Missionary Journeyman to the French West Indies, was our featured speaker. Special music was rendered by Roy, Jr. and Connie Frierson. Their parents, Rev. and Mrs. Roy Frierson, Sr. are missionaries to Japan. Because of the health of Mr. Frierson the Foreign Mission Board has recently re-appointed them to Ghana, Africa. They will be leaving for Ghana the last of October. At the close of the meeting a silver tray was presented to your retiring Associational WMU Director. The tray will always be held in loving memory of the five years spent serving as your Associational WMU Director.

Mrs. Curtis Parker, Associational Acteen Director, led in an Associational Acteen Fun Fest at Antioch Baptist Church, April 15, from 2:00 to 4:00 P.M. Miss Phyllis Thomas was in charge of the program.

The Lillington Baptist Church was host to our Associational G.A. Missions Fair in May. Mrs. Roy Frierson and her children were featured on the program. Mrs. Norman Wheeler, Associational G.A. Director, reported a good attendance with 13 churches being represented.

The Associational WMU hosted an Open House at the Associational Missionaries home Sunday, March 5 from 3:00 to 5:00 P.M. The occasion also honored Rev. Julius Holloway who has served as our Associational Missionary for 20 years. The churches of the association presented Rev. and Mrs. Holloway a silver tray and love offering commemorating their faithful service to the community.

The Associational WMU was rated Advanced for their work in 1970-71.

Gourd Springs Baptist Church organized all WMU organizations last year. Broadway Baptist Church organized a G.A. organization.

Five Associational WMU Directors attended the State WMU Workshop at Camp Mundo Vista, Asheboro, in September, 1971.

May we be faithful in Christian witnessing so that the day will soon come when "All will openly proclaim that Jesus Christ is the Lord, To the glory of God the Father".

Thank you for letting me serve in the above ways. A very, very big thank you for observing Week of Prayer for Associational Missions. Thank you for your financial support, and for remembering my birthday with cards and phone calls and visits.

Thank you also, Associational W.M.U. and others for the 20th Anniversary celebration as associational missionary. It was such a joyful and most meaningful experience to my wife and me.

WORLD MISSIONS REPORT

The Basis for World Missions is found in the Scriptures: Matt. 28:18-20; Mark 16:15-16; Acts 1:6-8; Luke 24:46-49; John 13:33-35; Eph. 3:11; Luke 19:10; John 3: 14-18.

Christ contemplated nothing less than the Spiritual Conquest of the whole world. God loved the whole world and sent Christ to die for the whole world and Christ's command, purpose, and provision was for the whole world. His method was the proclamation of the truth and the practice of love. The truth is: God is love, Christ coming into the world to save sinners, and saved sinners going into the world to share with others the redeeming grace of God in Christ.

World Missions is the presentation of the Gospel of Jesus Christ to all peoples of the world both at home and abroad, with the purpose of leading them to personal faith in Christ and obedience to His will. World Missions is NOT at home or abroad. World Missions is NOT at home then abroad. World Missions is BOTH in Jerusalēm AND in ALL Judea AND in Samaria AND unto the uttermost part of the earth. Not one or the other; not one then the other; but BOTH. We must be impelled by the Love of Christ, and be motivated by concern for the Salvation of the lost, to develop Christlikeness of character, the exaltation of Jesus Christ, and the desire to glorify God as we work through our mission agencies. Our mission agencies exist only to enable cooperating churches to co-ordinate and correlate their resources and efforts for World Evangelization.

Every church is obligated to evangelize the Three Billion plus people is today's world. It is evident that by working together with churches of like faith and order, any church can greatly expand its world outreach. How can we, recipients of the magnificent blessings of the gospel of the grace of God, be content to be mere reservoirs when we ought to become channels through which the rivers of God's grace may flow to the lost and dying world? We have the message and the resources to get the message to every individual in the world. DO WE HAVE THE COMMITMENT?

A few of our churches do not give one penny to support world missions outside of the local community. This may discharge their responsibility to preach the gospel in that community, but it does not comply with the command to go into all the world and preach the Gospel to every creature. However, these are usually the churches that report few or no Baptisms in their own local community.

According to scriptures listed above, a local Baptist church is charged with the task of meeting every evangelistic and missionary need of its own community and of the world. Simply put, every church is to win the lost and train the saved in ways of Christian living and discipleship. According to the Scripture, the early church soon found out they could not fulfill this world task by themselves and came to rely upon other churches to help in this great task. So World Mission task became cooperative mission task with churches helping each other. They enjoyed and profited in the fellowship and work together, so the weaker churches became stronger; all began to grow and feel and hear of lost people in far-away places. They cooperatively sent missionaries to people and lands which could not have been reached by any one church. They also began to see the need for colleges and schools which would provide Christian education for sons and daughters, preachers, and teachers, and missionaries. The vision of the need became so great they organized in associations and associations called upon each other until State Conventions were born, then the Triennial Convention and Southern Baptist Convention. But only as churches grow, fellowship, share and become aware of world needs and cooperate, will the lost be saved and the saved be trained.

As you have prayed and shared financially with the Association, surveys have been made and missions have been started. Just this year in our association our missions have won 35 for Baptism and 25 by letter and statement.

As you shared in State Missions:

> Camp CaRaway this summer had over 1500 boys with over 200 professions of faith.
> Camp Truett had 150 boys with 58 professions of faith.
> Two of our churches received aid on pastors salary and lot aid of over $5,000.00

and this is only a tiny part of State Missions work.

As you shared in Home Missions, you assist 2,229 missionaries working in all 50 states, Puerto Rico, and Panama. The income through Annie Armstrong Offering and cooperative program is about $15 million. The increase each year is about 3%, but operating cost each year is up about 6%. Home missions assisted over 2,000 churches in 160 associations and saw 587 professions of faith, over 2,000 rededications and 662 mission volunteers.

As you shared in Foreign Missions, you assisted 2,526 missionaries in 75 countries, in 6,045 churches, 720,872 members with 56,905 Baptisms.

The administration of Africa as a mission territory will be divided into two areas as of January 1, 1973. These two areas need 500 new missionaries.

REPORT ON CHRISTIAN HIGHER EDUCATION

Our common goal is to seek to provide opportunities for students to seek Truth in an atmosphere of freedom, guided by persons who are committed to God as He is revealed in Jesus Christ. This ideal always exceeds our grasp. However, it is the ever-present goal toward which those in Christian Higher Education strive.

Baptist schools along with other colleges in the private sector of higher education are experiencing grave difficulties particularly in the matter of rising costs. Although other private schools show a drop in enrollment, Baptist colleges on the whole last year showed an increase of more than 2,000 students. Overall enrollment in our seven North Carolina Baptist colleges continues to grow. Last year the inclusive enrollment was 16,609. The Education Commission of the Southern Baptist Convention reports that enrollment in church-related vocations last year totaled 14,777 - - an increase of 458 over the previous year.

While other denominations have had to cut back in support of their colleges as well as in other areas, North Carolina Baptists continue to show confidence in their seven colleges by contributing almost $2 million in unrestricted funds to assist in the operation. Outside of student charges, the Cooperative Program is the largest financial source of income for our colleges. During the past year, the amounts contributed were as follows:

Campbell College	311,688
Chowan College	192,400
Gardner-Webb College	213,564
Mars Hill College	270,322
Meredith College	270,322
Wake Forest University	467,532
Wingate College	198,172
	$1,924,000

One way our churches can help to relieve the financial burden of our colleges is to contribute to the Baptist College Scholarship Offering Day. Every year many of our churches provide student aid funds for needy North Carolina Baptist students by means of this special offering on Father's Day. Other churches prefer to include this as a regular budgeted item. We urge more of our churches to enter into this investment of our youth.

Some highlights of the past year are as follows:

Dr. John E. Weems became the sixth president of Meredith College. He was formerly Vice President for Finance and Administration of Middle Tennessee State University.

Gardner-Webb College received accreditation as four-year college by the Southern Association of Colleges and Schools.

Seventy young men and women from the seven Baptist colleges worked in churches across North Carolina through the Baptist Youth Corps program. Their salaries are paid jointly by the colleges and the churches.

Little River had the following three students serve in the Baptist Youth Corps this past summer:

Gary Hudson from Memorial Baptist Church, Buies Creek, N.C. is a student at Southern Baptist Theological Seminary in Lexington, Kentucky and serve at Corinth Baptist Church in Elizabeth City.

David Lavery from Oak Grove Baptist Church, Angier served at the Grace Baptist Church in Fayetteville.

Lynn Starling from the Lillington Baptist Church served at Braggtown Baptist Church in Durham. Both Lavery and Starling are Campbell College students.

EXECUTIVE COMMITTEE

The Executive Committee held regular meetings in January, April, and July. At each meeting, reports from the various Organizations of the Association were heard and routine matters of business were handled.

The April meeting was held in conjunction with a Missions Rally, the purpose of which was to discuss opportunities for Mission activities within the Associational area. Several persons' spoke of specific Mission possibilities, and the Missions Committee presented a report containing both short-and long-range goals. The suggested goals are as follows:

Short-Range:

1. The Churches could minister to individuals in various Nursing and Rest Homes of the County. A class, circle, Brotherhood, etc., could adopt a person or persons and minister to his personal and spiritual needs.
2. Cooperate with Chaplain John Rogers of the Harnett Youth Center in ministering to the young men there.
3. Secure secretarial help for the Missionary at least one day a week so Bro. Holloway can be freed from routine office duties, thus enabling him to give more time to helping churches and Pastors of the Association.
4. Cooperate with Director of Church Training, Hugh Jernigan, in providing for needs of persons who are referred to the Mental Health Center in Buies Creek. Encourage Churches to become aware of the Mental Health facility and the ministry it provides to the community.

Long-Range:

1. Include a significant amount in the Associational Budget for 1972-73 earmarked for Mission expansion and strengthening present Missions.
2. Strengthen the work of the present Missions (Antioch, Crestview, and Harnett-Johnson) in whatever way possible.
3. Be alert to Mission needs, especially with respect to new work, and aid in establishing new Mission points through helping in surveys, finances, leadership, etc.

At the July meeting, the Executive Committee heard a recommendation from the Finance Committee that the Association begin a church building plan and ask for 300 people to give $10.00 each, during the next year. The $3,000 received from such plan would be used to help Association Churches which are having space problems and need help in building. The recommendation met with enthusiastic response.

SUNDAY SCHOOL REPORT

The General Board of the Baptist State Convention has challenged our churches to adopt the "Together We Advance" Program for the next three years. Specifically, this program calls for a 10% increase in baptisms, Sunday School enrollment, Cooperative program support, and Associational Mission support in each of the years 1973, 1974, and 1975.

It is the opinion of your Sunday School Director that the aforementioned goals can best be accomplished through the Bible Teaching Program of our Churches. As our Sunday Schools reach out and enlist the unenlisted of our communities in Bible Study, it follows that more souls will be won to Christ and more funds made available for Mission support.

Consider this: 1 out of every 3 persons 9 years of age and over who are enlisted in Bible Study are won to Christ. For those not enlisted, the figure jumps to 1 out of 242. Surely this emphasizes the importance of a vital Sunday School program to the growth of a Church.

The Sunday School Department strongly recommends the "People-to-People" Program for your Church. The program emphasizes the basics of Sunday School growth including finding identifying the prospects, organizing the Sunday School for growth, and going out after the prospects. Materials are available from the Baptist Book Store.

Last year, your Associational Sunday School Staff attended the Vacation Bible

School Clinic at Wingate and conducted an Associational Clinic at Antioch Church, which was well-attended. The staff also attended a briefing meeting in Raleigh on the ReaLife Program. Your Director attended a two-day clinic at Ridgecrest where the emphasis was on the 1972-73 Sunday School Program. An Associational Pastor-Director meeting was held in September at Harmony Church. The main purpose of this meeting was to outline the "People-to-People" Program and encourage its use in the Churches.

Your Sunday School Staff stands ready to assist you in any way possible during this year. We have recommended that every Sunday School in our Association show a net increase in enrollment at the end of the year (1972-73) of one per elected Sunday School leader. We can reach this goal if we work and pray together and use our Sunday School organizations as the outreach arm of the Church.

CHURCH TRAINING REPORT

The church training curriculum offers training for all ages; such as, short-term training and interest groups, a wider selection of elective training courses, more emphasis on self-instruction, emphasis on scheduling training for certain groups at times in addition to Sunday evening, flexibility of organization, and improved achievement guides. With these new features our churches ought to be doing a more effective job in helping church members gain knowledge, understanding and skills needed in fulfilling the church's mission.

There are three types of training in the New Church Training Program. They are: Church Member Training, Leadership Training, and New Member Orientation. It is hoped that each church training director in the association will put forth an effort to see that these programs are established in his church. The association offers all the necessary study materials for each of these programs and will also provide instructors to come to your church to go over the materials with your group.

This past year we had our "M" Night Service with the Memorial Baptist Church at Buies Creek. We had a total of 256 persons present, with 11 pastors and 9 directors. The Antioch Baptist Church won the Attendance Banner. Represented were 16 churches from our Association and 2 visitors from churches outside of our association. Our Associational Tournament Night was held on May 22 with the Lillington Baptist Church. The Scripture Exploring Drill was the only drill promoted in Church Training Last year. This meeting had the lowest attendance ever. The association sends out a plea to all the churches to help promote this area of training during the next year.

Let us each remember our responsibilities as Christians. When we proclaim Him as our personal Saviour, it is then our duty to train in His Word - then win others to His Kingdom.

BAPTIST HOSPITAL REPORT

Our Baptist Hospital is an academic CENTER ENGAGED IN research and in education, as well as direct patient care. The ministry through research is far-reaching since new discoveries in medicine offer new hope to people everywhere. The educational ministry also extends around the world, since graduates of the Bowman Gray School of Medicine serve in 88 counties of North Carolina, in 47 states and the District of Columbia, and in 25 different countries. Alumni of the School of Pastoral Care serve in almost every state and in 39 other countries.

Baptist Hospital continues to serve patients who cannot pay for their hospital care. Even with the tightening of admission policies and procedures, only one person in twelve months - one in approximately 17,000 applications for admissions - were not helped. In 1971, charitable allowances amounting to $1,370,000 were issued to patients unable to pay in full. The Mother's Day Offering of $371,000 helped to make this charity work possible.

The operating deficit has been eliminated and the hospital is now operating "in the black". "A Medical Center ministering with skill and understanding" is not just a letterhead slogan, it is a goal which Baptist Hospital seriously strives to attain.

Last year the Little River Association played a great part in the success of the Hospital when 29 churches contributed $4,361.54 during the months of January thru September. This year we have not carried our share of the budget, for only 26 churches have contributed, and these to a lesser amount. The 26 churches have contributed $3,361.60, a decrease of nearly $1000. If this trend is true across the state, then the Baptist Hospital will have to operate with $1,000,000 less than last year. If your church has not contributed, then we urge you to help minister to the sick.

NORTH CAROLINA BAPTIST CHILDRENS' HOME

For the past eighty-seven years, North Carolina Baptists and their Childrens' Home have cooperated in a program of Christian child care. The Homes seek to provide care, support, and training for dependent and neglected children and to provide a variety of services to strengthen wholesome Christian family life in contemporary society.

The Homes recognized boys and girls for their sacred worth and for their possibilities of future growth and development. No task is more important to the Homes than helping a child hurt by life to grow into healthy well-adjusted responsible citizenship.

The agency is vigorously pursuing its basic purposes. Changing conditions which are affecting American life today are determining factors in the number of children needing our care and the types of care that are needed. More and more we are being asked to serve children with special needs beyond neglect and dependency. The urgency of the present and the challenge of the future is to find effective patterns of care for these children.

The Childrens' Homes continues to expand and improve its services to children and their families. Two new cottages are under construction at Broyhill Home. Mills Home is engaged in a year-long study to determine how we can best serve the children in the Piedmont Area. The Ten Star Builders Program is enlisting the support of Eastern North Carolina for Christian child care in our area.

Across the state renewed effort is being given to the enlistment of foster families. There is a great need for this type of care, especially for pre-school children. Recently the need to place older children in these homes has been greater.

One of the major task confronting our work in Eastern North Carolina is the upgrading of our campus facilities to meet minimum standards for licensing our child care program. Most of our older buildings at Kennedy Home will require extensive and expensive renovation and some may have to be completely replaced with new structures.

We believe this ministry of child care deserves the confidence and support of North Carolina Baptists. Our Baptist friends have demonstrated through their interest and support that they believe in what we are doing. We deeply appreciate this generous support and we pledge ourselves to continue this ministry of child care in the name of Christ and on behalf of North Carolina Baptists.

HOMES FOR THE AGING

In our Baptist Homes for the Aging, we feel that there is no relationship more important and more blessed than the one that we have with our Baptist people in our Baptist Associations throughout the State. It is a special joy to visit personally the Associations and to have fellowship with the good people who mean so much to us in our ministry and to express to them our special thanksgiving. It is with a deep sense of gratitude to the Lord and to you that we bring this report on our Baptist Homes for 1972.

This has been the best year that we have ever had in our twenty-one years. The Special Offering for the Homes and support through the Cooperative Program reflect an encouraging increase. Through these two vital sources, the Homes during the past year derived almost 30% of the total operating budget in the care of the residents and patients, with 20% coming from the offering and 10% through the Cooperative Program. The most significant fact about this support from our Baptist people is that the majority of the residents in the Homes are persons with real financial needs, and these love gifts are used for their care. In fact, these gifts are a lifeline to the residents, and they could not be maintained without them. The greatest challenge to our Baptist people is to continue to increase the Special Offering from year to year, and thus keep pace with the needs of the residents who depend so greatly on it.

Our Baptist Homes now operate five resident Homes, with two located in Winston-Salem, and one each in Albemarle, Hamilton, and Yanceyville. These Homes have a capacity for 162 residents. In addition, there is a Nursing Care Unit, located in Winston-Salem, with a capacity for 63 patients. In these Homes we specialize in tender loving care and do not know of any place this side of Heaven, and outside of one's home, where a person can receive more compassionate Christian care.

Of great significance during the past year, in May, was the dedication of the York Wing of the Nursing Care Unit. This wing, accomodating 18 additional patients was completed in November of 1971 and named in honor of Judge and Mrs. William York, of Greensboro. He and Mrs. York gave $30,000.00 for the construction of this new wing, and the additional money needed was raised by the Trustees of the Homes. With this new addition, the Baptist Homes have been able to receive some few persons, on a limited basis only, directly as patients. The majority of the beds in the Nursing Care Unit are used for the residents of the five Homes, when nursing care becomes necessary. We are glad that the base of our operation has been broadened to include a ministry to the aging sick person, and we can only hope that we will move forward and be able to receive more patients in the years ahead.

Ministry to an older person is a direct ministry to Christ and is one of the finest things that North Carolina Baptists are doing. Be glad that you are a Baptist, and be grateful for the part that you are having in making the life of an aging person more abundant and more secure.

FINANCE COMMITTEE REPORT

The Finance Committee presents these recommendations for your consideration:

(1) The proposed budget for the next calendar year. The budget represents a $1,275.00 increase over last year's budget.

(2) We recommend that we begin a Mission Action Section. Several churches in our association are out of building space and need help to build. We are asking that a goal of 300 people be set who would give $10.00 a year to this cause. The associational missions committee would be the agent for determining the distribution.

CHRISTIAN LITERATURE REPORT

The Biblical Recorder will be 140 years old January 18, 1973. The circulation is nearing 100,000. Also this is the year the Recorder went to computer. Because of the growing circulation this had to be done. It is a wonderful thing, the Christian literature we have. We have "Charity and Children", "The Deacon", and many others for G.A.'s and R.A.'s, Brotherhood and Sunday School.

We as Baptist should really be thankful for all this fine Christian literature, and not only should we be thankful but each Church should see that this Christian literature is in every home. I challenge every member to read and study this literature that we might be strengthened and uplifted to better serve our Lord and Saviour Jesus Christ by serving one another.

MINISTER'S RETIREMENT REPORT

Every normal person in this our day is interested in what we speak of as personal security; even a child wants to feel secure. But security does not come by accident; it must be planned for by some one who cares. Just as a father cares and plans for the security of his family, just so our Baptist Churches should care and plan for the staff of men and women who work for the church. Often these staff members work for a much smaller salary than they are worth and could receive in other vocations of work. As a result, they are not able to provide much security for themselves or their loved ones.

Today, we need to give serious consideration to this matter of providing retirement security for all of our pastors and other staff workers. We need to wake up to the fact that we are responsible for all of the church staff and ought to carry retirement on all of those working full time for the church.

But some of our churches will say they are a small church and simply cannot carry that extra financial burden. Granting that is true in some cases, those weak churches ought to be missions of some strong churches which would assume the responsibility and provide the necessary security for the staff.

Now, since this security ought to be provided, and our convention is paying a part of the cost, the local church can, even on a small scale, provide for those working for the church. Anything that is right and ought to be done can be done with the help and leadership of our Lord.

BAPTIST FOUNDATION REPORT

The North Carolina Baptist Foundation, Inc., is a charitable corporation. It was chartered on November 24, 1920, under the laws of the State of North Carolina. As a charitable corporation, it and its donors presently have certain tax savings.

It was created by the Convention for the purpose of procuring endowment funds and for administering such funds, for all institutions and agencies, owned and controlled by the Convention. It is independent of the causes it serves, but committed to their best interests. It is not a competitive agency, but a service agency dedicated to the task of undergirding all of our Baptist work.

Any property owner who wishes to do so - Baptist or non-Baptist, resident or non-resident, man or woman, young or old, can use the Baptist Foundation through cash, securities (stocks, bonds, notes, mortgages); real property (farms, woodland, houses, lots); and any and every other kind of property, real or personal. These gifts can be in the form of a living trust, gift annuity, or by bequests in wills.

The Baptist Foundation stands ready at all times to aid individuals in making adequate preparation to use any of the foregoing methods in providing for any agency or institution fostered by the Baptist State Convention of North Carolina, or any of the Southern Baptist Convention agencies or institutions.

When one uses the Baptist Foundation, one is EXTENDING HIS STEWARDSHIP IN PERPETUITY. This can and does bring a great deal of satisfaction and joy to the person who uses the Foundation for this purpose.

CHRISTIAN LIFE AND PUBLIC AFFAIRS

It appears that the Church might be the greatest of the "Rip Van Winkles" in the world today, for we are sleeping through some great revolutions. Perhaps the greatest of these revolutions is the moral one, which covers almost every area of our existence, such as:

The "wet forces" in an undying effort to put liquor in every county, city or town.

The all out effort to distribute obscene literature to the public via the newsstands.

"X" rated movies, dope peddling in our high schools and on the college campus, free love with absolutely no restriction about who or where, applications for divorce are unprecedented, the per capita amount spent on alcoholic beverages is at an all time high and is rising.

In the court room, one would think the arresting officer was the one on trial instead of the one arrested.

Boot-legging joints are permitted to continue with their dastardly trade of selling white lightening and harboring a group of prostitutes for the convenience of their customers, and if arrested and brought to trial they are given a fine of a few dollars, sent back to their wallow with a few blistering words such as: "You go on home now, and don't do that anymore".

In recent years some of our national problems have blossomed into such hideous public figures that even the statistical tables reveal their ugly presence.

The printed page, television and radio constantly give to us portions of the inside story on gambling and its related evils.

We have been shocked by the uncovering of well-organized peddling of illegal narcotics and political corruption. The list of social vices is multiplied as we consider the associates of these evils.

It does seem that the tide of satanic origin is flowing against us with devastating success, and we must stem that tide.

How can this be done? Jesse H. Baird in his book "THEY WHO ARE CALLED CHRISTIAN" has challenged the christian world to become hated by those who profit from degrading the body, mind, and soul. He challenges christians to hurt business, that is bad business. May this become our reputation. May we as Amos of old, stand fearlessly against social injustice and corrupt morals. What a privilege it is to take one's cross and follow Christ . . . . . through the path may lead up the slopes of Calvary.

AMERICAN BIBLE SOCIETY REPORT

The American Bible Society is an active partner of Southern Baptists in the missionary task of sharing Christ with the whole world. It is the sole purpose of your American Bible Society to provide the Scriptures to people everywhere in a language they can understand at a price they can afford.

At the present time, 97% of the world's population can secure at least a portion (a single book) in their own language. At the close of 1971, at least one book of the Bible had been published in 1,457 languages and dialects, the complete Bible in 253.

During 1971 the American Bible Society:

Distributed 90,129,921 Scriptures within the U.S.

Supplied 53% of the United Bible Societies World Service

Budget; thereby provided over half of the 1971 world distribution total, 173 million Scriptures.

Presented Dr. Porter Routh, executive secretary of the Southern Baptist Executive Committee, the symbolic 25 millionth copy of "Good News for Modern Man"

Distributed through home missionaries of the Southern Baptist Convention over 300,000 Scriptures.

Following is the record of the Southern Baptist Convention in recent years:

1969 - $232,765
1970 - $233,185
1971 - $240,249

Though 1971 gifts from Southern Baptist stand first in total gifts, the per capita gifts amounts to slightly more than two cents.

Southern Baptist can lead in per capita gifts if every church would give. Suggested contribution goal:

Smaller churches	$10 - $60
Larger churches	$60 - $300
Great City churches	$300 - $600

Has your church given this year?

EVANGELISM REPORT

It is exciting what the Holy Spirit is doing through the ministry of evangelism in our state. In 425 churches, 6,000 youth and adults have now participated in Lay Evangelism Schools or Pastor's Retreats. Forty-two associations already have confirmed dates for schools. We thank God for this tremendous response to the important emphasis of lay witnessing. This will be a continuing effort in future years.

Over 2,400 pastors and lay persons attended the 26th Statewide Evangelism Conference in Fayetteville last February. Special conferences were held with practical emphasis on different phases of evangelism during the first afternoon session. Outstanding speakers challenged pastors to involve their people in the total ministry of evangelism through the church.

The Division of Evangelism in cooperation with the Department of Communications and the Division of Church Programs sponsored a Statewide Communications, Evangelism and Administration Conference in Greensboro in May. The purpose was to help pastors and others communicate the Gospel of Christ more effectively.

A new week at the North Carolina Baptist Assembly at Southport during June 12-16 was Youth Ministries Week with inspiration and training in Evangelism, Vocational Guidance and Recreation. All evening sessions were centered around Bible Study and a workshop experience in learning how to witness for Christ. Over 600 youth and adults were present for the week. On Friday evening 113 youth made different kinds of public decisions. Next June we will have another Youth Ministries Week.

Almost 20,000 youth, pastors and adult leaders are expected to attend the 2nd Statewide Youth Evangelism Night on August 18 at the Greensboro Coliseum. It is evident that God is working through Christian youth today to share His Gospel in a thrilling, significant manner.

Let us rejoice in the excellent reports of revival meetings, city-wide evangelistic crusades and associational evangelism clinics during the past year. The Little River Associational Evangelism Clinic was held at the Piney Grove Baptist Church February 17. There were sixty-five present, and Dr. Jimmy Johnson was the guest speaker. It is our hope and prayer that we shall continue to have a strong increase in baptisms this coming year that many more persons may experience Christ by genuine faith commitment.

The 27th Statewide Evangelism Conference will be February 5-7, 1973 at Ovens Auditorium, Charlotte.

Remember to pray earnestly for the leadership of the Holy Spirit in the total ministry of evangelism in North Carolina, our nation and our world.

CHURCH LIBRARIES ORGANIZATION (TACLO)

The goal of TACLO is to have a library in every church in the association and to assist existing libraries in a program of expansion and improvement. The main purpose of a church library is to provide good books and other literature and to encourage the members of the church to use them. But the modern church library is also the organization that provides care and storage for all the educational equipment of the church. Slides, film strips, films, for example, should be carefully listed and stored so that they will be readily available when needed.

1972 COOPERATIVE PROGRAM REPORT

When you dedicated your life to God, you dedicated your day-to-day labor toward witnessing to a lost world also.

This is the Cooperative Mission Program: Sharing your love of God through 6,000 state, home, and foreign missionaries. These instruments of God's calling brought more than 66,000 people to Christ, who in turn followed Him in baptism last year.

Future leadership is being trained in more than 800 Baptist schools with more than 100,000 pupils around the world.

Ministering to the needs of the sick through 21 Baptist hospitals and 105 clinics in many nations, more than 1,000,000 persons were helped last year who could not pay the cost of their care; aiding in bringing shelter, food, clothing and other necessities of life to 8,000 homeless children. This is the cooperative program.

Last year 1,020 Baptist churches in North Carolina increased Cooperative Mission giving by 10 per cent or more than the previous year. What did your church do?

SUGGESTED GOALS AND PLANS FOR 1973-1975

It is godlike to set goals and plan. In the story of creation it is very evident that God set goals and planned. That is true in the coming of Christ into the world - "When the fulness of time was come, God sent forth His Son - -" (Gal. 4:4). It is evident in the atonement for our sins - " - - the Lamb slain from the foundation of the world" (Rev. 13:8). Christ Jesus is now making ready for His great return - "I go to prepare a place for you - - " (Jn. 14:2).

So a committee of some of our leaders has presented us with a program of advance. It is challenging. Let's accept it as basic goals and plans. It is as follows:

"TOGETHER WE ADVANCE"
North Carolina for Christ
1973 - 1975

PURPOSE

The purpose of this program is to undergird our total Baptist work in North Carolina through the growth and spiritual enrichment of our people and churches. We propose during the next three years to ask our churches to major on evangelism, Bible study, associational missions and world missions through the Cooperative Program.

WHO SUGGESTED THE PROGRAM?

A committee composed of leaders of all phases of our state convention work recommended the program to the General Board. The General Board of the Convention adopted it June 21, 1972.

GENERAL GOALS

That we seek to increase our baptisms by 10% each of the three years, 1973, 1974, and 1975.

That we seek to increase our Sunday School enrollment by 10% each year during the three-year period.

That we seek to increase our Cooperative Program gifts by 10% each of the three years of 1973, 1974, and 1975. (This would reach a total of at least ten million by 1975.)

That we increase church support for associational missions in each association by at least 10% per year for the three-year period.

HOW WILL WE IMPLEMENT THIS PROGRAM?

By urging every church to adopt these goals as a minimum effort during the period 1973-1975. Many churches should go beyond these goals. Posters will be furnished for church bulletin boards.

WHAT ARE THE EMPHASES EACH YEAR?

1973 - LONG-RANGE PLANS FOR THE THREE-YEAR PERIOD

Church leadership discuss and adopt plans.
Take survey of community residents, prospects, etc.
Set dates for special activities such as:
People to people projects
Bible School clinics
Lay evangelism schools
Evangelistic efforts in every church in the spring of 1975
New associational projects studied and adopted.

REMEMBER GOALS FOR 1973

Increase Cooperative Program 10% over 1972
Increase baptisms 10% over 1972
Increase Sunday School enrollment 10% over 1972
Increase church support for Associational Missions 10% over 1972

SUGGESTIONS FOR REACHING GOALS

Use "Share the Word Now" emphases
Begin fellowship Bible classes (Bible Study Fellowships)
Use the "Win" literature and urge every member to become a witness
Secure and distribute Cooperative Program leaflets, and tell the Cooperative Program story. Use "Operation 1" material from the Stewardship Commission of the SBC.
Get stewardship material and plan a stewardship revival
Have your associational moderator, or superintendent of missions tell your church leaders about associational needs.

1974 - SPECIAL EMPHASIS ON SUNDAY SCHOOL ENROLLMENT

Have Bible school clinics
Enlarge your Sunday school organization
Consider a bus ministry
Start a visitation program
Magnify your Sunday School
Use "Share the Word Now" literature

REMEMBER GOALS FOR 1974

Increase Cooperative Program 10% over 1973
Increase Baptisms 10% over 1973
Increase Sunday school enrollment 10% over 1973
Increase church support of Associational Missions 10% over 1973.

SUGGESTIONS FOR REACHING GOALS

Help your people know where the Sunday School prospects are located
Have periods of special prayer for goals
Help Sunday school teachers understand and use the "Win" material and encourage members to participate in lay witnessing training
Lead your church members to be informed about causes supported by the Cooperative

Program, especially during October (Cooperative Program Prayer Month)
Plan carefully for evangelistic efforts in the spring of 1975.

1975 - SPECIAL EMPHASIS ON EVANGELISM AND OUTREACH

Plan a strong evangelistic effort in your church
Update prospect file and assign prospects to individuals
Church revivals, youth revivals, area revivals
Urge every Sunday School teacher to talk personally with every class member who is not a Christian
Have a new members class for new converts

REMEMBER GOALS FOR 1975

Increase Cooperative Program 10% over 1974
Increase Baptisms 10% over 1974
Increase Sunday School enrollment 10% over 1974
Increase church support for Associational Missions 10% over 1974

RESULTS OF SUCH A PROGRAM OF ADVANCE

A general spiritual enrichment throughout our state that will help strengthen our Christian witness in these times, and help check the rising tide of violence, crime and immorality in our society.
Approximately 105,000 new people won to Christ by 1975
Approximately 225,000 added to our Sunday schools by 1975
At least 10 million dollars per year for Cooperative Program by the end of 1975. (The 50th anniversary of the Cooperative Program)
A strengthened program of Associational Missions in every association.
50 new churches in strategic areas in North Carolina.

GENERAL SUGGESTIONS

Every pastor will receive this pamphlet and a poster for his bulletin board.
We hope he will bring this program to his church leaders for their consideration and adoption.
We hope he will then return the card to 301 Hillsborough Street, Raleigh, indicating the action of his church.
Then we pray that we may meet every goal for the glory of our Lord so that "Together We Advance".

Proceedings

1. The ninety-eighth annual meeting of the Little River Baptist Association held its first session with the Oak Grove Baptist Church, Monday night, October 29, 1973. Moderator Henry Rawls called the meeting to order.

2. The Youth Choir of the host church opened the session with special music

with their pastor, the Reverend J.L Atkins extending a welcome to the messengers and visitors in attendance.

3. The congregation sang "Jesus Saves".

4. J.L. Atkins led the devotional reading scripture from St. John, Chapter 1.

5. Julius Holloway moved that these messengers who have registered and those to register later constitute the 98th assembly of the Little River Baptist Association. The motion was carried.

6. Moderator Henry Rawls recognized Julius Holloway who presented the order of business for the session. He moved that the printed program constitute the order of the session with two changes: (1) Treasurer's Report be moved to the night session following the Association Missionary's report and the (2) Tom Freeman present the Cooperative Program Report at the morning session. This was adopted.

7. Henry Rawls appointed the following committees: NOMINATING - Henry Stokes, Mrs. M.M. Jernigan, and Bobby O. Hollar. PLACE AND PREACHER - Robert Clark, Furman Matthews and Mrs. Dan Andrews. PROGRAM - F. Jimmie Mize, Gerald McKay, Floyd Glover and Mrs. Howard Hight.

8. Floyd Glover presented the Baptist Men's Report as included on page 39. He announced that all churches not having R.A. or Brotherhood should contact either James Brown or himself as they would come to the individual churches to assist in helping organize these. The report was accepted.

9. Mrs. Billy R. Currin presented the W.M.U. Report (see reports, page 30). Report was received by the session. Following this, she presented the officers of the Associational W.M.U.

10. Howard Beard led the congregation in singing "Lead on O King Eternal".

11. Julius Holloway presented his annual report as found on page 47. He then recognized the new pastors of the Little River Baptist Association. He requested that the session pay special attention to the second paragraph of his report having to do with the missions committee and the special missions action fund. He pointed out that the missions committee recommend the missions action fund be continued next year. He recommended we appoint a Centennial Committee for 1975. His report was adopted.

12. Tom Freeman moved that the Centennial Committee be composed of the Associational Moderator, Vice Moderator, Clerk, Missions Committee Chairman and the four heads of the departments. This motion was carried.

13. The Treasurer's Report was presented by Halford O'Quinn (see reports, page 43). He encouraged participation in the 300 Club for Associational Missions during the coming Associational Year.

16. Howard Beard led the congregation in singing "All Hail the power of Jesus Name" and "Amazing Grace". R.H. Brown, pastor of Swann Station, announced the film, TIME TO RUN, was to be shown in Sanford, November 17-20.

17. Julius Holloway introduced Dr. Dwight L. Baker, missionary to Israel and on furlough and Visiting Professor, Southeastern Baptist Theological Seminary, Wake Forest, North Carolina to bring the Missionary Message to the Association.

18. Dr. Dwight L. Baker stated that everyone was concerned about conditions in the Middle East, nothing that Israel could not have bargained at the conference table unless she had borders which were secure. Therefore, Israel kept fighting after the truce in order to get back to the 1967 cease-fire line. Missionaries in Israel are all fine and free from fighting. He expressed his desire to be back in Israel to help his people

during this 1973 war between Israel and Egypt. He then spoke on "Star Gleems From the East" - having to do with the country of Israel. Three significant stars have appeared in the Middle East. (1) Star of Bethlehem - the Christians east; (2) Star and cresent of Isalam; and (3) Star of David - New Israel reborn in our generation. He closed by saying, "we need today no to be star gazers, but star followers as those first who saw the star in the east."

19. The benediction was pronounced by Henry Rawls.

SECOND DAY
MORNING SESSION

20. The second session of the annual meeting of the Association was held with Campbell College in the Memorial Baptist Church, October 30, 1973. After the singing of "We Servants of God", Dr. Millard Brown led in a devotional period.

21. Mr. Fred McCall of Campbell College welcomed the messengers and visitors as "homefolks" to Campbell College.

22. Henry Rawls presented the Executive Committee Report (see page 29) which was adopted by the session. He encouraged all churches to send representatives to the Executive Committee in the future.

24. The moderator introduced Mr. Harold White of the Baptist State Convention to speak on the Cooperative Program. He began by saying "The Apostle Paul put into one sentence the central message of the church----'we preach Christ crucified'". We must then ask what is the basic responsibility of North Carolina Baptist today? Our Lord answered: Ye shall be witnesses of me unto the uttermost parts of the earth beginning at Jerusalem (home), into Judea (state), and unto the uttermost parts of the earth (foreign). To do this, we must consider two things: (1) We must deepen our concern. (2) We must dedicate our resources.

25. Tom Freeman reported this years Cooperative Program receipts have increases 11.3%. State Missions is up 21 %. Foreign Missions is up 373/4%.

26. Julius Holloway moved the adoption of the Sunday School report (see page 26). This was carried.

27. Hugh Jernigan presented the Church Training Report (see page 46) which was adopted.

28. Dr. Hugh McKinney gave the report on Christian Higher Education (see page 35). He introduced Dr. Norman A. Wiggins, President of Campbell College, who spoke to the report. He stated if we did not have the Cooperative Program we would not be the dynamic denomination we are today. He thanked the session for all the Baptist Colleges for Baptist College Day. This offering is invested in the young people who come to the colleges through Scholarships, and in financial need. He raised the question "Why Campbell College?" He answered: Campbell has few equals. Institutions such as Campbell are rare, but sorely needed. Our needs today go far beyond education, economics, etc. Crisis beset America today resulting in our inability to live by the principles which have been taught in the past. There is hope--young people today are seeing Jesus Christ as the way to a meaningful life. Christian Education is a high and holy task.

29. The congregation joined in singing "Joyful, Joyful, We Adore Thee."

30. Moderator, Henry Rawls, appointed the Resolutions Committee. They were Mr. Laura Byrd, Mrs. Charles Howard, and Mrs. Curtis Parker.

SUNDAY SCHOOL REPORT

The main emphasis in Sunday School work for 1973-1974 will be on reaching people. This is nothing new for Southern Baptists. For many years, we have majored on reaching people for Christ, charging our Sunday Schools with the primary task of enrolling persons in Bible study with the aim of winning them to faith in Christ.

"People-to-People Now!" is the theme for Sunday School work in 1973-1974. Program materials are available for Church use in carrying out this theme. Some of the suggested activities are:

People-to-People Commitment Week, when the Church establishes its priorities and commits it resources to a year of evangelistic outreach and involvement in the work of Christ.

People Search, a concentrated effort to locate and identify persons who need Christ and the ministry of the Church.

Sharing Christ, a plan for a continuing emphasis on personal witnessing through Sunday School.

Sunday School Enrollment Emphasis, suggested for the months of October and April, with high attendance days on October 28th and on April 28th.

The People-to-People Program, coupled with the Lay School of Evangelism scheduled in January, could result in the greatest year Little River Baptists have ever had in Sunday School Work. Every Church should participate in both.

Your Associational Sunday School Staff is eager to support People-to-People activities in the Churches of our Association. But the Churches must call upon the Staff!

ANNUITY BOARD

The Annuity Board of the Southern Baptist Convention this year added new benefits or increased benefits for most active and retired pastors, church staff members and denominational workers it serves.

For annuitants (retirees, widows and disabled persons) on the roll December 31, 1972, monthly income checks have been permanently increased by 6 percent. Just before Christmas, 1972, more than 7,000 annuitants received "13th Checks" amounting to the size of two extra months' benefits. The "13th Checks" are paid in addition to the regular monthly payments.

Participants in Plans A-10, A-11 and A-25 on January 1, 1973 had their accrued credits increased by 10 percent in "good experience credit," and Plan B participants received an additional interest credit based on the Board's good experience on its investments. In addition, the Board approved (subject to action by state conventions" an increase in widow benefits under Plan A to 50 per cent of the potential or actual retirement benefit; previously it was 40 per cent. This increase applies to those retiring January 1, 1973 and thereafter.

At the same time, a temporary income benefit under Plan A was established for a widow, child or dependent parent of those who die before early or normal retirement, or after disability retirement, and who have met the required participation. The temporary income benefit can amount, at maximum, to $333.33 per month for 36 months. (or a total of $12,000) if the participant died before age 40. The length of payment of the benefit decreases with the age at death. This benefit is payable to those who died January 1, 1973 or thereafter.

More than 9,000 insurance policyholders transferred from the previous Health Benefit Plan with Blue Cross-Blue Shield to the new plan begun January 1, 1973 with Aetna Life Insurance Company.

The Board reported several records for its operations in 1972. Funds held in trust for over 38,000 participants in retirement plans passed $300 million for the first time. Investment income reached a new high for 1972 of more than $22 million. Retirement and other protection benefits paid out for the 12-month period surpassed $10 million for the First time.

The total amount of money paid in "13th Checks" exceeded one million dollars, also for the first time. Good investment results in 1972 on funds held to pay benefits account for this dividend.

Income from premiums and dues topped $30 million, another record.

Information on the Annuity Board may be secured by writing Development Office, Annuity Board, SBC, 511 North Akard Builking, Dallas, Texas 75201.

The benefits of the Annuity Board are so great and so many that every church and pastor in the Association should seek full participation.

Respectfully submitted,
Sam F. Hudson

FINANCE COMMITTEE REPORT

The Finance Committee presents these three recommendations for your consideration:

(1) Adoption of the proposed budget. This budget represents a $1,054.00 increase over the 1973 budget.

(2) Again this year we recommend that individuals be asked to contribute $10.00 to the Mission Action Section approved last year. This money would be used, at the discretion of the Association Missions Committee, for meeting the need of the churches, international students at Campbell College, etc.

(3) That the Association use the $600.00 provided by the Baptist State Convention to be applied to the $500.00 allocated in the budget for the Associational Missionary a secretary on a part-time basis three days a week.

EXECUTIVE COMMITTEE REPORT

The Executive Committee held regular meetings in January, April, and July. Reports from the various departments were given; such action as was necessary was taken.

In the January meeting, the committee heard a report from Mrs. Sarah Flowers, a nurse from the Lee-Harnett Mental Health Center. Mrs. Flowers stated that the Health Center is establishing a day-care program for returnees from Dorothea Dix Hospital where they would be helped in adjusting to being back home. There is a great need for volunteer workers for this cause.

Liquor-by-the-drink was discussed and the churches were urged to work hard and long to see that the people were informed on this matter to be voted on November 6.

HOMES FOR THE AGING REPORT

One of the most meaningful things that you do as a Baptist is the share that you have in the ministry of your North Carolina Baptist Homes for the Aging. As you look back with us upon the twenty-two years of this ministry, and the last year in particular, there are distinctive blessings that we would like to call to your mind and heart.

In the first place, there is no greater realization that we can have together than the awareness of the fact that this special ministry to older people is a venture of faith in God. It always has been. We hope that it always will be. God has brought us from one Home to five resident Homes, with two located in Winston-Salem; (Resthaven and the Hayes Home), and one each in Albermarle, Hamilton, and Yanceyville. These Homes have a capacity for 162 residents, and there is a Nursing Care Unit in Winston-Salem, with a capacity for 63 patients, and serving all of the Homes' residents, when nursing care is needed. Four out of every five persons who come to us in our Homes for the Aging are persons whose income is very limited. They look to you, through your love gifts, for the supplement to their care, and all of us look to the Lord continually for His great love. This, therefore, is a venture of faith.

Never forget that this is your ministry, on behalf of Christ, to older persons and that they simply could not be ministered unto without your love gifts. Specifically, during the past year, through your gifts, you contributed $185 a month for the care of the majority of the residents in your five Baptist Homes. Through the Special Offering you contributed 20% of the total income of the Homes, and through the Cooperative Program, you gave 10% of the total budget needed. The tie that binds this ministry to the hearts of our Baptist people and our Baptist Churches is a very special one and a very distinctive one indeed.

Be glad also for the fact that your love gifts make possible quality care. It has often been said of the ministry of our Baptist Homes that there is no finer care that an older person can receive this side of Heaven than the care given in our Homes for the Aging. Everything that we do for Christ should be this way, and we are certainly trying to give Him our best day by day in our ministry to the older people in our care. There is someone serving around the clock, watching over the residents and patients even as they sleep. One of our Supervisors, or "Mothers," as they are often called was given the name of "Guardian Angel," when a resident, during an illness discovered later that the "Mother" was keeping vigil just outside the door.

You would be interested in knowing that 24 of our churches last year gave $2,529.00 to this cause. For which Bro. William Poole, Superintendent, says, "God bless you for your share in this ministry to the Aging, which is both special and distinctive. Pray for us, come to see us, and continue to support this ministry as liberally and loyally in the future as you have in the past.

WOMAN'S MISSIONARY UNION ANNUAL REPORT

Our WMU Watchword for the year 1972-73 is "Ask of me, and I will make the nations your heritage, and the ends of the earth your possessions." (Psalm 2:8 RSV). We know by asking God that we may conquer not by using force buy by sharing the love of our Lord Jesus Christ.

Missions is sharing God with other people through prayer, mission support and mission action. Missions is obeying the command of Christ to go and teach all nations.

Emphases for 1972-73 were Enlistment and Enlargment and Witnessing Through Mission Action. Twenty eight of our churches have at least one WMU age lovel organization. Girls in Action and Acteens were organized this year in the Oak Grove Baptist Church.

The Associational WMU-Brotherhood Leadership Conference was held on October 10th from 7:00 to 9:00 PM in the Buies Creek Baptist Church. Conferences were led by our Associational officers for all groups.

On November 17th we had an Associational WMU Foreign Mission Study at Lillington Baptist Church. We were fortunate in having Mrs. J. Winston Crawley of Richmond, Virginia to teach our book, "Europe, A Mission Field." Mrs. Crawley is the wife of our director of the overseas division of our Southern Baptist Foreign Mission Board. Mrs. Eunice A. Smith, former missionary to Nigeria and now a member of the Foreign Mission Board staff led our devotion and prayer.

We met at Chalybeate Springs Baptist Church for our Associational WMU Spring Meeting. Miss Nancy Curtis, State Baptist Young Women Director spoke and Dr. Thomas Freeman, President of our State Baptist Convention delivered an inspiring missionary sermon.

Our State WMU meeting was held in Raleigh this year and many of our members were present. Ous Associational WMU receive recognition.

Antioch Baptist Church was host for a fun fest for our Acteens in February and Chalybeate Springs was host in May to our Girls in Action. Miss Virginia Miles was the speaker. Miss Miles is a missionary to Indonesia.

Five Associational Directors attended the State WMU workshop at Mundo Vista on September 7-8.

May we always be faithful and praise God from whom all blessings flow "and to stand every morning to thank and praise the Lord, and likewise at even." (I Chron. 23:30).

NORTH CAROLINA BAPTIST CHILDRENS' HOME

Christian Child Care is a creative opportunity. The Baptist Children's Homes of North Carolina is committed to quality care which nurtures the whole person, physically, mentally, emotionally, socially, and spiritually. It is our hope that each child in our care will have the opportunity to develop the full potential which is his by God's Creation.

Hundreds of dependent children are served from three primary centers of operation, namely: Kennedy Home in the east, Mills Home in the Piedmont and Broyhill Home in the west. From these centers North Carolina Baptist Provide group care, foster home care, family services, pre-school education, higher education, and maternity care.

In Eastern North Carolina the Ten Star Builders Program continues to offer exciting opportunities for a great host of friends to share in developing modern facilities and the most up-to-date services for needy children and families. Although a new cottage for children is being constructed on the Kennedy Home campus, the major emphasis of the Ten Star Builders Program for 1973-74 will be in the direction of the expansion of Odum Home, at Pembroke, North Carolina. A challenge gift has already been promised for the construction of a Recreation Building. A campaign is under way this fall to raise funds for two family style cottages for children and a residence for the Director.

In Eastern North Carolina we have a strong and growing group of families who have opened their hearts and homes to foster children. However, from time to time we have a need for additional foster homes for some children who have special needs which cannot be adequately met in group care. If you are interested, write or call our nearest office.

The Baptist Children's Homes for North Carolina have always operated on a very conservative budget. For this reason we have very little margin for which to cope with today's high cost of living. Therefore we make a strong appeal to our Baptist people and other friends for increased financial support to the Cooperative Program, the Thanksgiving Offering and special gifts. A 10% increase is desperately needed in order to enable us to continue an effective ministry at the present level. It shall be our purpose in the future, as in the past, to keep faith with our Baptist people in providing a Christian home and way of life for the boys and girls we serve. Thank you for the numerous ways you help to make this ministry possible. I personally urge each church and member in our association to give generously for this great and good cause.

WORLD MISSIONS REPORT

Jesse Fletcher in his pamphlet, "Your Church and Mission Support" tells us that the missionary task is inherent in christian experience and explicit in the commands of Jesus, surfaced in the experience of the church amost immediately after his ascension. And it surfaced on the twin pillars of missionary activity and missionary support.

Paul, in his letter to the Romans, pointed out the two-edged responsibility of the missionary task when he asked, "How then shall they call upon him in whom they have not believed ... and how shall they preach except they be sent?" Romans 10:14.

Barnabas, a missionary from the church at Jerusalem to the new work at Antioch, journeyed to Tarsus to find Paul and bring him to Antioch, Acts 11:25-26. Perhaps, he was one of the first disciples to take such direct action in "calling out the called". These two men, along with a young helper, John Mark, were set aside by the church at Antioch for the first great missionary journey.

The New Testament sharply underscores the deep involvement of those who do the sending as well as those who are sent.

Historically, much the same thing happened with the beginning of the modern missionary movement. William Carey, had in Andrew Fuller one to cosign his labor and underwrite his sacrifice in India.

Nineteen years later, Adoniram, and Ann Hasseltine Judson, along with Luther Rice, bacame the first American Missionaries to a foreign land. Rice returned to the U.S. to rally the baptists of the eastern seaboard as underwriters for the Judson's missionary venture.

Individual Southern Baptists, through their Foreign Mission Board, underwrite the endeavors of men and women who in obedience to Christ's command take their lives to the uttermost parts of the earth.

The Foreign Mission Board, in eliciting, combining, and directing the missionary resources of a missionary people, appoints around 200 new missionaries every year and supports over 2,500 men and women in 76 countries overseas.

In his 1972 report to Southern Baptists, Dr. Arthur B. Rutledge, Executive Secretary of the Home Mission Board, tells us that despite the continuation of a stron secular spirit, the American people seemed hungry for spiritual truth and were more open to the gospel than in at least a decade during the past year. The baptismal total of 452,000 is the highest ever. This is a strong indication of a fresh responsiveness among both youth and adults.

Beginning on April 1, 1973, a new Home Mission Board sponsored evangelistic television program, "Spring Street USA", will be seen on about 20 stations in the USA.

The Home Mission Board continues to give major attention to its responsibility to assist churches, associations, and state conventions in discovering mission needs and developing plans to meet such needs.

Our Associational Missionary, Rev. Julius Holloway, tells us how we may support the Little River Associational Missions program. He suggests that we pray, participate in associational meetings, serve the Lord in the association when called upon and share in the financial support of the association as your church gives the suggested amount to associational missions.

He further stated in his Newsletter that the associational program for missions be accepted along with other mission programs as a channel through which the churches can invest their efforts toward a world mission endeavor.

It can be accepted as a means of serving and not being served, of giving rather than receiving.

Our Southern Baptist Mission effort enriches the world. We are able to do this because thousands of people accept as a calling from God their share of the responsibility for the missionary task.

Mrs. W.F. Gentry

AMERICAN BIBLE SOCIETY REPORT

The American Bible Society and the Southern Baptist Convention work cooperatively as "partners" in sharing the Good News of Jesus Christ to people around the world. The sole purpose and mission of the Bible Societies is to make God's Word available to all men everywhere in a language and form they can easily read and understand and at a price they can afford.

To fulfill this urgent need, the Bible Societies have embarked on an ambitious program for the development of Scripture Literacy Selections to meet the rapidly mounting rate of literacy growth around the globe. This program is being built on the Theme: "Let the Word Speak."

"Graded" Scriptures are being designed on five progressive reading levels to lead new readers from literacy primer levels to reading livels of the normal "common language." Before the end of the decade, these Scripture Literacy Selections will be prepared in 100 languages.

In addition to "Good News for Modern Man", "common language" Scripture translations have already been completed in Spanish for Latin America, Spanish for Europe, Dutch, French, German, Korean, Finnish and Thai, and work on 39 similar translations in other languages is already underway.

At the present time, nearly 97% of the world's people can secure at least a portion (a single Book of the Bible) in their language. Approximately 3,000 translators are presently at work on some 600 new translations and revisions. At the end of 1972 at least one Book of the Bible had been published in 1,500 languages and dialects, the complete Bible in 255.

During 1972 the American Bible Society:

- distributed 121,122,596 copies of Scripture within the U.S. This is a 34.4% increase over 1971
- provided 704,849 copies of Scripture for the blind in special format - Braille, records, tapes and cassettes.
- opened a new Southern regional distribution office in Atlanta,
- published "Wisdom for Modern Man; Proverbs and Ecclesiastes" in the Today's English Version. Also published at the request of the Home Mission Board and the National Student Ministries of the Southern Baptist Convention, the "Jesus book for the January Bible Study

- made thousands of Scriptures available to the SBC for the 1973 nation-wide evangelistic campaign, Key '73

- invited Miss Alma Hunt, Executive Secretary, Woman's Missionary Union SBC, as a delegate to the first United Bible Societies'' World Assembly in Addis Abada, Ethiopia, in September, 1972

- provided and distributed 2,196,844 copies of Scripture at Explo '72 during June 1972 in Dallas, Texas.

Following is the record of SBC gifts in recent years:

1967	$218,509	1968	$222,937	1969	$232,765
1970	233,185	1971	240,249	1972	233,752

During these past six years Southern Baptist have lead all the other U.S. denominations in their gifts to the ABS.

A suggested goal for giving is:

Small Churches	$ 10 - $ 60
Larger Churches	60 - 300
Larger City Churches	300 - 600 or more

Randy Godwin

CHRISTIAN LITERATURE REPORT

With the flood of printed matter available today and limited time for reading, we must be selective. We can be thankful that our denomination provides for us the very best.

In recent years our HOME MISSIONS magazine has been especially relevant and helpful. THE COMMISSION keeps us informed about our missions work around the world. HOME LIFE and OPEN WINDOWS provide inspirational and devotional material. Also the Sunday School Board makes available an abundance of tools for our use in teaching and training.

In his editorial in the September 8th issue of the BIBLICAL RECORDER Woodrow Hill says, "Communists understand the power of the printing press, and consequently own and operate the largest and fastest ones in the world. Every country which has fallen prey to their ideology has done so through the influence of the printed page." We are thankful for the influence of our state paper. As more and more people read the RECORDER we will have an even larger group of informed, interested and involved Baptists. It is our belief that the RECORDER should be included in the budget of every church. Our records show that only twelve churches in our association did this last year. May we challenge you to seriously consider this matter. Ray K. Hodge, Pastor of First Baptist Church in Kinston writes, "As music to a choir and quarterlies to a Sunday School are essential, it (the RECORDER) is a needed tool for being denominationally and religiously informed." With the rising cost of production, we are glad our editor is not willing to reduce quality or service. The circulation for the Recorder is now nearly 106,000 - the highest in its 140-year history.

BAPTIST FOUNDATION REPORT

The North Carolina Baptist Foundation, Inc., is a charitable corporation, chartered under the laws of the State of North Carolina by the Baptist State Convention in 1920. The Foundation, as an agency of the Convention, encourages, receives, and manages gifts and bequests for benefit of all Baptist institutions, agencies, and causes fostered and supported by the North Carolina and Southern Baptist Conventions. The Foundation is not a competitive agency, but a service agency dedicated to the task of undergirding all the Baptist work. It encourages the donor to use the local church as a channel for directing the income from Foundation trusts to the benefiting cause. The operating expense of the Foundation is received from the Cooperative Program of the Convention.

The Foundation Executive Secretary is available to assist churches and individuals interested in a program of perpetual stewardship, particularly as it relates to estate planning, involving gifts to Baptist institutions, agencies, and causes. The Foundation provides a means for establishing trusts to benefit these Christian causes as well as providing an opportunity for perpetual stewardship witness. Through gifts of property, cash, or securities during lifetime, donor and/or other beneficiaries can receive annuities from the Foundation during their lifetime, and can also receive certain tax benefits provided for such gifts.

Responsibilities for the administration of the Foundation is vested in a fifteen-member board of directors elected by the Baptist State Convention. The present board consists of thirteen prominent and successful business and professional men and women and two outstanding pastors, all of whom are dedicated to the best management of the sacred trust funds now placed in the foundation. The investment policy calls for investment in quality securities with diversification, good income, and balanced growth potential.

Additions to the investment principal by donors and from property sale and rentals totalled $54,204.92 for the fiscal year 1972-73. As of June 30, 1973, the cost or inventory value of all securities, notes, and principal cash for all funds being administered by the Foundation was $801,292.96. Real estate held by the Foundation was valued at $861,167.54, making the total value of all properties administered $1,662, 460.50.

During the 1972-73 year, beneficiaries of exisiting trusts were paid $23,934.61. A total of $129,465.69 has been paid to Baptist institutions, agencies and causes during the past six years from the income of invested Foundation funds.

CHRUCHES AND COLLEGES WORKING TOGETHER

In North Carolina, Baptist churches and Baptist colleges enjoy a supportive partnership. It is still true that most of our pastors, missionaries, church staff members and denominational leaders are educated in Baptist colleges. Another outstanding example of church-college cooperation is the Baptist Youth Corps, which provided dedi-

cated student leadership for more than eighty North Carolina Baptist churches during the summer of 1973. Campbell College was well represented in these 80 churches by 16 Youth Corps workers.

Little River had the following three students serving churches this past summer:

Mike Hopkins from Calvary Baptist Church, Salisbury, N.C. served at Angier Baptist church.

Terry Wilson from Mt. Elam Baptist Church, Roseboro, N.C. served at Memorial Baptist Church.

Tom Chandler from First Baptist Church, North Pole, Alaska served at Lillington Baptist Church.

Hopkins, Wilson, and Chandler are Campbell College students. All but Chandler were Baptist Youth Corps workers.

On campus, the college presidents interpret to the faculty and staff that our churches and colleges play important, complementary roles in the Christian missionary enterprise.

COOPERATIVE PROGRAM

Your North Carolina Baptist colleges continue to be grateful for the support which comes through the Cooperative Program. During 1973 more than two million dollars will be given to support Christian Higher education. Your colleges share this support as follows:

Campbell College	$ 340,721
Chowan College	212,951
Gardner-Webb College	249,153
Mars Hill College	296,002
Meredith College	296,002
Wake Forest University	517,471
Wingate College	217,210
	$2,129,510

THE IMPORTANCE OF BAPTIST STUDENTS

The colleges make a special effort to recruit North Carolina Baptist students. In fact, no qualified student is turned down in any of our colleges because of inability to pay. The churches help to make this possible through the Cooperative Program and the Baptist College Scholarship Offering on Father's Day. Baptist colleges stress the importance of the individual student, and are anxious to enroll the youth from our churches who plan to attend college. Churches can help their students and their colleges by encouraging interested young people to apply for enrollment in one of the seven North Carolina Baptist colleges.

COUNCIL ON CHRISTIAN HIGHER EDUCATION

Since 1945, the cooperative efforts and relationships of North Carolina Baptist colleges have been coordinated by the Council on Christian Higher Education of the Baptist State Convention. The Council office is eager to assist both the churches and the colleges as together they help to create persons and a world as Christ would have them.

WHAT'S AHEAD FOR BAPTIST COLLEGES?

One question often asked is what should church-related schools offer? Dr. E. Glenn Hinson, Professor of History at Southern Baptist Theological Seminary, answered this question as follows: "...if the church-related schools offer only what the powerful public schools offer, then they have no reason for existing. What is demanded of them for survival is that without having the resources of public schools, they offer something more. That something more has to do with the fuller and more complete humanistic education which the state institutions are not offering." That our Baptist schools have for years been offering something more, with less resources, is reflected in the remarks made by Dr. A.R. Burkot, Campbell College Vice President and Provost, at a recent meeting, that at private institutions (like Campbell and six other Baptist colleges) one dollar must be made to do the work that sixteen dollars does at state supported institutions.

BROTHERHOOD REPORT

Calling all Baptist Men! Never has the need been so great as it is today for men who are willing to work for Christ. We believe that through our Baptist Brotherhood, we have the opportunity to meet some of the needs in our church and community. We are grateful for the work our men are doing through the Brotherhood in our mission work and mission study. We are grateful for the leadership and cooperation we are receiving from our pastors. The Brotherhood of your church can be and we pray that it is, a channel through which we can assist pastors in the ministry of our churches. As we visit churches with Brotherhood and Royal Ambassador programs, we find the men and boys are becoming more involved in the work of the church and its outreach for Christ. Your Associational Brotherhood Director and Royal Ambassador Director would be most happy to work with your church at any time if you do not have a Brotherhood and R.A. program.

This year we had several of our men attend the workshop in Raleigh and a number of our R.A. boys spent a week at Camp Caraway. On June 5, we had the Associational Brotherhood meeting at the First Baptist Church in Erwin. Our speaker was Dr. Raymond Brown, Dean of Graduate School at Southeastern Seminary. We now have eighteen brotherhood organizations in our association. It was a joy to add the Fellowship Baptist Church Brotherhood to our number this year, also we added the Oak Grove Baptist to our Royal Ambassador list. The Bible says that the fields are white to harvest, but the laborers are few,so men let us stand ready to REACH OUT as we work through our Brotherhood and Royal Ambassador Program.

BAPTIST HOSPITAL REPORT

In May of this year Baptist Hospital observed its 50th Anniversary. The hospital opened its doors in May of 1923 "to bring the healing art more definitely under the dominion of the Great Healer."

The anniversary was celebrated jointly with the dedication of the new Reynolds

Tower, a 16-story patient care facility. The completion of the Tower brings the total bed capacity to 655, placing Baptist Hospital within the top 10 per cent (in size) among hospitals in the United States. When the renovation of older sections of the hospital is completed the total number of beds will be 717.

Construction has begun on an ambulatory care building which will house the emergency room, several outpatient clinics, the Physical Therapy Department, and an Oncology (Cancer) Clinic and Research Laboratories. This building and the abovementioned renovations will complete the present Medical Center Development Program.

Last November the Baptist State Convention heard the report of the Committee of 15 and adopted its recommendations. The hospital has been seeking to implement these recommendations:

1. A Medical Center Committee, composed of 8 Trustees from the Baptist Hospital Board and 8 from the Wake Forest University Board, has been appointed. This committee will consider matters involving the Medical Center and its future operation.

2. In January the hospital trustees appointed a committee of three to review appropiations from the Mother's Day fund and assist hospital personnel in making decisions on some specific requests for assistance. The hospital continues to provide care for people who cannot pay, valued at far in excess of the total Mother's Day Offering. The auditors' confirmed value of this care in 1972 was $1,390,000--nearly four times the amount of the Mother's Day Offering--and this does not include the value of physicians' service, provided without cost to these service patients.

3. The Department of Pastoral Care is expanding its services to provide training for lay people. Dr. Mahan Siler joined the staff June 1 to head up this new work. The Department also anticipates the establishment of several sattlelite counseling and training centers in the state, beginning in the near future. Your Cooperative Program gifts support the work of this department.

The hospital's financial operation is "in the black", and there has been a general room rate increase in 2 1/2 years. As of this date, the Mother's Day offerings are running ahead of last year.

In 1972, Little River Baptist Association gave $4,003.49 with 28 churches participating. In 1973, $4,401.25 was given with 27 churches participating.

A. Howard Beard

STEWARDSHIP - COOPERATIVE PROGRAM REPORT

One of the most encouraging things for the future work of North Carolina Baptists is the upward climb of our giving through the Cooperative Program for home and world missions. We are in the second year of a three-year program called "Together We Advance", which seeks to increase our giving by 10% each year. Thus far we are very close to reaching our state-wide goal.

Little River Baptists, in the first six months of 1972, gave $35,665.70 through the Cooperative Program. In the same period of 1973 we gave $42,665.74, which is an increase of 19%. On the other hand, we still have a few churches that have not given anything this year to our cooperative work. Still it is encouraging to see how many churches are increasing their missionary giving by 10% or more, and with the problem of inflation in our nation, this is all the more gratifying.

The 1973-74 Cooperative Program emphasis is designed to revitalize and enlarge our active support for the Great Commission. The theme is, "Operation One: One Lord, One Mission, One People." This is an effort to help inform our people about world mission needs and to challenge each church to increase its gifts to missions through th Cooperative Program by at least 1% of its total church budget, while at the same time increasing its giving to associational missions by the amount suggested by the Association.

Every church should have a stewardship chairman who will keep the church informed each month concerning its missionary obligations. A stewardship conference for the Association would serve to make available to interested churches the various budget subscription programs of the SBC Stewardship Commission. Since some churches are always raising funds for buildings, they need to know about the two programs offered by the Stewardship Commissions to help in this. The "Building for Today's Challenge" is a do-it-yourself program for the smaller church. The "Together We Build" program is consultant-led and tailor-made for raising capital funds in the larger churches.

Tom M. Freeman

CHURCH TRAINING REPORT

Our Church Training Program has some new variations for Sunday evening services. We are seeing Church Training with greater flexibility than in years past. A new approach can be the answer to your church fulfilling its mission as a New Testament Church. We have a great responsibility to our members; are we offering the best training possible?

Last year we had our "M" Night Service with the Lillington Church. There were churches represented with in attendance. Our Associational Tournament Night was held with the Buies Creek First Baptist Church. The Scripture Exploring Drill was the only drill promoted in Church Training last year. There were churches represented with the churches having 8 participants and a total attendance of . Seven children completed the drill and were State Winners.

The Church Training Director challenges each church in the association to have an active training program this coming year. It is essential if we are to become that which we are commanded to be as Christians.

Hugh Jernigan

EVANGELISM REPORT

"SHARING CHRIST NOW" was the theme of the 27th Statewide Evangelism Conference at Ovens Auditorium, Charlotte - February 5-7, 1973. Over 2,400 pastors and lay persons were challenged by outstanding speakers to lead their people to become more involved in the work of evangelism. The closing session on Wednesday, February 7, was held at Pritchard Memorial Church, with an emphasis on prayer and personal renewal.

It is thrilling what the Holy Spirit is doing through the ministry of our first summer youth evangelism team. Three college students - Steve Stout, Cooleemee; Terry Crouse, Lenoir, and Christy Farrior, Williamston, are leading in music, preaching in youth revivals, and directing youth witness training sessions in churches from Marshall to Washington.

During June 11-15 over 730 youth and adults were present for the Youth Ministries Week at the North Carolina Baptist Assembly, with the emphasis on Evangelism, Vocational Guidance, and Recreation. Eighty-one youth made various decisions, including sixteen professions of faith.

Over 16,000 youth, pastors, and adult leaders are expected to attend the 3rd Statewide Youth Evangelism Night at Greensboro Coliseum on August 17.

9,564 youth and adults have participated in lay witness training from 720 churches and 34 associations. Also, 107 pastors from nine associations shared in a Pastor's Retreat to learn how to lead their churches in Lay Evangelism Schools. A Lay School of Evangelism is scheduled for our Association January 21-24, 1974. Our next preparation Meeting for this event will be in the Lillington Baptist Church November 20, 1973, 7:30 P.M.

The Division of Evangelism in cooperation with the Department of City and Metropolitan Missions will sponsor a Metropolitan Missions and Evangelism Seminar on October 1-2 at Southeastern Baptist Theological Seminary at Wake Forest with the theme: "Reaching the Cities for Christ".

The 28th Statewide Evangelism Conference will be at War Memorial Auditorium, Greensboro, during February 4-6, 1974.

R. Lewis Beal

ASSOCIATIONAL MISSIONARY'S REPORT

Things you have helped me do this year: pastored Faith Baptist Mission after Kelly Faircloth went into the service; held conferences with 3 pulpit committees; helped in 4 deacon ordination services; helped with 6 funerals; attended 12 pastors conferences; 15 state meetings, 18 associational meetings, 60 committee meetings; taught 1 January Bible Study, 4 mission studies; participated in 3 Vacation Bible Schools; showed 25 filmstrips; held 10 prayer meetings, 800 individual conferences, 30 group conferences; and drove 27,589 miles.

Thank you for observing the Week of Prayer for Associational Missions and for all gifts to Association Support and Special Mission Action Find. This fund was $1,400. The Missions Committee divided it as follows: $300 to Gourd Springs Church, $300 to international students at Campbell College, and $800 to Faith Mission. The Mission Committee recommends that we continue our Mission Action Fund, that is asking all who will to give $10.00 above their regular church giving to this mission need.

NEW PASTORS THIS YEAR

In 1975, our association will be 100 years old. My recommendation would be to appoint a centennial committee to make plans to commemorate this event.

ABOUT OUR THEME

Many Southern Baptist churches will be making a special effort in 1973-74 to expand and increase the effectiveness of their witness and ministry to people. Share the Word Now is the plan through which the denomination is attempting to assist churches in this emphasis. The plan includes three basic goals:

1. To reach more people for exciting and helpful Bible study.
2. To establish more Bible study fellowships, missions, and churches where the Bible may be taught and Christians may witness to their faith in Christ.
3. To train and send forth more Christians to share regularly and effectively their faith in Christ.

TOGETHER WE ADVANCE N.C. FOR CHRIST 1973-1975

REMEMBER GOALS FOR 1974
- Increase Cooperative Program 10% over 1973
- Increase Baptisms 10% over 1973
- Increase Sunday School enrollment 10% over 1973
- Increase church support of Associational Missions 10% over 1973

SUGGESTIONS FOR REACHING GOALS
- Help your people know where the Sunday School prospects are located
- Have periods of special prayer for goals
- Help Sunday School teachers understand and use the "Win" material and encourage members to participate in lay witnessing training
- Lead your church members to be informed about causes supported by the cooperative program, especially during October (Cooperative Program Prayer Month)
- Plan carefully for evangelistic efforts in the spring of 1975.

1975 - SPECIAL EMPHASIS ON EVANGELISM AND OUTREACH
- Plan a strong evangelistic effort in your church
- Update prospect file and assign prospects to individuals
- Church revivals, youth revivals, area revivals
- Urge every Sunday School teacher to talk personally with every class member who is not a Christian
- Have a new members class for new converts

REMEMBER GOALS FOR 1975
- Increase Cooperative Program 10% over 1974
- Increase Baptisms 10% over 1974
- Increase Sunday School enrollment 10% over 1974
- Increase church support for Associational Missions 10% over 1974.

RESOLUTION

WHEREAS the moral level of television programming has declined for some time, with the degrading use of vulgar, obscene and profane language and actions, and also the degrading misuse of sex and the exploitation of violence, and

WHEREAS television programs usually depict drinking, dishonesty and adultery as though these are normal and accepted among the American people, and

WHEREAS television programs frequently depict love, marriage and family life in a degrading and unChristian way, now therefore

BE IT RESOLVED:

First, that the Little River Baptist Association go on record as objecting to such television programming, and

Second, that we appeal to both the programmers and the advertisers who pay for the programs to eliminate the vulgar, obscene and violent from the programs and try to provide more programs that are suitable for families of Christians to watch together, and

Third, that we, through our representatives, ask the Congress of the United States to try to find better ways to regulate the program content of entertainment that is offered on television.

Adopted this 30th day of October, 1973, in Buie's Creek, N.C.

Signed: Henry Rawls, Moderator
Emmanuel P. Pegran, Clerk

WHEREAS, our citizens will be voting on November 6th on the question of legalizing the sale of liquor-by-the-drink in North Carolina, and

WHEREAS, beverage alcohol is our No. One drug problem in America with alcoholism now at epidemic proportions and threatening the lives of nine million Americans, and

WHEREAS, we believe that our present system with package stores and brown bagging is bad enough, and that liquor-by-the-drink can only make the situation worse, and

WHEREAS, no good seems likely to result, but rather great harm is likely to result if our state legalizes liquor-by-the-drink,

Now, therefore BE IT RESOLVED:

First, that we express strong opposition to the sale and use of intoxicating drinks as a beverage, and

Second, that we express equally strong opposition to any effort to liberalize the liquor laws of our state, and

Third, that we express our opposition to liquor-by-the-drink and urge our citizens to vote against it on November 6th.

Adopted this 30th day of October, 1973, in Buie's Creek, N.C.

Proceedings

1. The ninety-ninth annual meeting of the Little River Baptist Association held its first session with the Swanns Station Baptist Church, Monday night, October 28, 1974. Moderator Henry Rawls called the meeting to order.

2. The Swanns Station Baptist Church Choir opened the session with special music with their pastor, the Reverend R. H. Brown extending a word of welcome to the messengers and visitors in attendance. He then led the session in a period of devotion using the theme "Giving God the Glory". The scripture used was from David's 115th Psalm.

3. Emmanuel Pegram, Associational Clerk, then called the roll of the churches and moved that these messengers who have registered and those to register later constitute the 99th assembly of the Little River Baptist Association. The motion was carried.

4. Jimmy Mize, pastor of Friendship Baptist Church, moved that the printed program constitute the order of business of the session. This was approved.

5. Moderator Henry Rawls appointed the following committees: NOMINATING—Jimmy Mize, James Brown, and Ervin Stephens; PROGRAM—Weldon Johnson, R. H. Brown, and Walter Gentry; RESOLUTION—C. Paul Jones and Gerald McKay; PLACE AND PREACHER—Robert Clark, L. G. Green, and James Flowers.

6. Floyd Glover presented the Baptist Men's Report which is included on page 28. He announced that Tommy Hayes of Hillmon Grove is working with the Brotherhodd this year in the association. He moved the adoption of the report and it was approved by the session.

7. The W.M.U. report was presented by Mrs. Billy Ray Currin (see reports, page 38). The body received this report.

8. Howard Beard led the congregation in singing "We've a Story to Tell to the Nations".

9. The Treasurer's Report was presented by Halford O'Quinn (see reports page 42). He moved its adoption and was approved by the association.

10. Julius Holloway presented his annual report to the association which is included on page 45 of this book. He then stated that the Antioch Mission had been constituted into The Calvary Baptist Church and would be requesting admission into the Little River Baptist Association at tomorrow's session. Encouragement was given for more participation to the 300 Club. Funds are less than in former years with the support very much needed. He pointed out that the Layton's Chapel Church had requested withdrawal from the association this year with the letter of request included in the reports, page 58. All pastors were encouraged to attend the January Bible Clinic at Campbell College on November 22nd of this year. The session approved his report.

11. Mrs. Harold Owens, Cameron, presented the World Missions Report which was accepted by the association. See report, page 33.

12. The Swanns Station Church Choir continued the worship of the evening in music.

13. Miss Sarah Ann Hobbs, Raleigh, led the session in a challenging Missionary Address. The benediction was offered by Billy Tatum.

SECOND DAY
Morning Session

14. The second session of the annual meeting of the Little River Baptist Association was held with the Kennebec Baptist Church on October 29, 1974. After the singing of the hymn, "Come Thou Almighty King", Bobby Hollar, pastor of the host church extended welcome to everyone and led the session in a period of devotion.

15. Moderator Henry Rawls presented the Report of the Associational Executive Committee (see page 27). This report was adopted by the session.

16. The Cooperative Program Report was presented by Walter Gentry (see report, page 31). This report was approved. He then spoke to the report stating the following. He suggested that all churches consider the celebration of the 50th Anniversary of the Cooperative Program on April 20, 1975. In order to join in the celebration, he encouraged all churches to contribute to the Cooperative Program this year. Nine churches in the association have not contributed thus far in 1974. The guest speaker on the Cooperative Program was E. C. Wilkie. He brought the messengers a challenge with conviction.

17. Harris Spence presented the Church Training report (see page 32) which was received by the session. He stated that our churches need to train as well as evangelize.

18. W. C. Gass offered the report on Christian Higher Education (see page 22). Larry Williams, Meredith College, then spoke on Christian Higher Education. He shared what he attempts to do as a pastor to students on a College Campus.

19. Following the singing of a congregational hymn, the session was opened for Miscellaneous Business. Howard Beard announced beginning February 22nd, the Associational Family Life Conference will be held with the Lillington Baptist Church using the theme "Making our Families Better". He requested the churches to share with the association the Sunday Evening Service on that Sunday. Weldon Johnson noted the constitution change which was included in the Executive Committee Report. The vote was scheduled for the afternoon session. Julius Holloway then recognized the pastors coming into the association since the last meeting.

20. The report of the Home for the Aging was presented by Cecil Harkey, and approved by the session (see report, page 29). Ervin Stephens offered the Baptist Hospital Report (page 34) and encouraged better support for this ministry from our Little River churches. This was received. Gerald McKay presented the Children's Home Report (see page 30) and noted the special emphasis this year on the Odom Home. This report was approved. Dr. W. R. Wagoner of the Baptist Children's Home then spoke to this report.

21. After singing a congregational hymn, the session was blessed by special music from the Campbell College Choir.

22. Emmanuel Pegram, Lillington, brought the doctrinal sermon for the association using the subject "Death Equals Life". He offered the blessing for the noon meal prepared by the Kennebec Church.

33. Mrs. Carolyn Johnson presented the report for Christian Literature and Mrs. Ethel McClean the Christian Life and Public Affairs (see page 40). These were approved by the association.

34. Woodrow Hill of the Bibical Recorder brought the annual Inspirational Message of the Association.

EXECUTIVE COMMITTEE REPORT

The Executive Committee at its regular meeting heard the reports for various organizations and took such action as was deemed necessary.

It was brought before the committee the condition of the ditch around the driveway around the associational parsonage. The town of Lillington agreed to install pipe in the ditch if the association would purchase the pipe. The Executive Committee agreed.

The associational office is in need of a better way of addressing mailouts. The committee agreed to purchase a machine for this purpose.

The committee saw the need for election of a Constitution and Policy Committee. The Associational Nominating Committee presented the following to serve on the committee: Morris Andrews, Chairman; Weldon Johnson; and Howard Beard. These were approved by the Executive Committee.

The Constitution and Policy Committee presented five guidelines for ordination of candidates for the Christian Ministry. They were adopted. It was also moved and carried that the constitution and Policy Committee present these guidelines along with necessary constitutional changes to the Associational Meeting in October 1974 for approval. It was requested that copies of these guidelines be sent to N. C. Baptist Convention office and to Dr. Perry Couch to use in helping other bodies in that same matter.

Guidelines for ordination of candidates for the Christian Ministry are as follows:

1. A church who has the opportunity to ordain a candidate called to the Christian ministry and desiring the service of the Associational Ordination Committee should contact the chairman of the committee before making any plans. The candidate should have been called by a church or to special service, either by his home church or by the church requesting ordination, before the ordination examination is requested.

2. The chairman of the committee and the pastor (or other representative) of the ordaining church will set a time for the Ordination Committee to meet with the candidate for the purpose of the examination of the candidate.

3. The chairman of the committee will put in the hands of the candidate, in advance of the meeting, a listing of the areas of questioning to be followed by the committee.

4. When the candidate has satisfactorily responded to the reasonable questioning of the committee, the committee will notify the church requesting ordination, by letter, after reasonable period of time, stating the findings of the committee.

5. The Associational Ordination Committee will help, at the request of the ordaining church, in planning for the Ordination Service and they will make every effort to attend the service and participate. The Committee will present a Certificate of Ordination to the candidate as a final gesture of approval and encouragement.

Procedure for meeting constitutional requirements on amending the constitution to include guidelines for ordaining candidates into the Christian ministry:

1. The ordination Committee prepare a recommendation and present it to the executive committee.
2. The Executive Committee must approve it and elect a committee of three (Constitution and Policy Committee) to bring the constitution into a revised form to include the guidelines.
3. The Guidelines, when approved by the Executive Committee, would be included in the executive committee report to the annual Associational Meeting.
4. The matter of the constitutional change would have to be approved by a vote of two-thirds of the messengers present at the Annual Associational Meeting, being presented at the morning session and adopted in the afternoon session.

Henry Rawls

BROTHERHOOD REPORT

Jesus said "Go ye therefore and teach all nations . . . Baptizing them in the name of the Father and of the Son and the Holy Ghost." But to do that we know that we must begin at home. Here in our Association through the Brotherhood and Royal Ambassador programs is a great place to begin. Our Brotherhood was organized in 1907 and now in 1974 we only have 20 of our churches in our Association that have Brotherhood and R. A. programs.

Our prayer is that this year we will have the opportunity to help your church begin a Brotherhood and R. A. program if you do not have one. We are very happy that this year we will have the Rev. Tommy Hayes who will be working with Mr. James Brown as our Royal Ambassador Directors. We believe that churches with Brotherhood and R. A. programs give their men and boys a great opportunity to be more involved in the work for Christ in their church.

We thank you for giving us the opportunity to visit your church this past year and for the work your men and boys are doing to help win the lost to Christ. We had a good number of our boys to attend Camp Caraway and many of our men and boys to attend the July 8, special meeting with Dr. Glendon McCullough as our guest speaker at Campbell College.

Floyd O. Glover

BAPTIST HOMES FOR THE AGING REPORT

As a Baptist, among the many vital ministries that you support are your North Carolina Baptist Homes for the Aging. For over 23 years now, you have had a part in serving hundreds of older people and making life much happier and secure for them. You have done so through two very helpful means of income: (1) The Special Offering for the Homes, received on the 3rd Sunday of February each year; (2) The Cooperative Program. Gifts through these two sources have increased from year to year, and offerings for 1974 will perhaps exceed $350,000, providing more than 30% of the budget needed to operate 5 resident Homes and the Nursing Care Unit.

God, through you, has blessed this ministry of our Baptist Homes in a remarkable way, leading you to establish two homes in Winston–Salem, Resthaven, and the Hayes Home, and the Nursing Care Unit, and three other Homes at Albemarle, Hamilton, and Yanceyville. In these Homes, 4 out of every 5 residents depend upon your love gifts and simply could not be cared for without your help.

Of greatest significance during the past year, has been the decision by the Trustees of the Homes to establish a 6th Home in Western North Carolina, to be located in the city of Asheville on the Pearson Estate, a magnificently beautiful twenty-one acre site, overlooking the city, and with the gorgeous Blue Ridge Mountains in the background. A dedicated group of people in the Western Carolina area have organized the first initial phase of what will become, it is hoped, a major State-wide fund-raising effort to obtain the necessary money to build this proposed Home, after approval by the General Board, and the Baptist State Convention. Church groups are encouraged to visit the beautiful site on which the proposed Home will be built, and will be served lunch, if an appointment is made in advance.

With the additon of a 6th Home for the Aging, with the spiraling cost of living, and the great and ever-increasing needs of older people, it is most urgent that our Baptist people be more generous than ever before in support for the Homes through the regular channels of the 3rd Sunday of February Offering, the Cooperative Program, and an over and above gift for the Western North Carolina Home.

Ministry to an older person is a direct ministry as unto Christ Himself and is most pleasing to Him, we are sure!

Cecil Harkey

BAPTIST FOUNDATION REPORT

The North Carolina Baptist Foundation was established in 1919 to give sound support and a firm base to all the good and noble efforts of North Carolina Baptists in their state and world programs of missions, ministry and education.

While we give a great deal of attention to the preparation and execution of wills, we would remind you that a foundation is for the living. The whole concept of wills—the distribution of one's property when he dies—is predicted on the assumption that someone continues to live.

Often we are reminded. "You can't take it with you," but we should not forget that "You can determine what happens to it when you are gone."

In the modern maze of tax law, the North Carolina Baptist Foundation may be able to assist the living to live more securely. Some form of trust may actually give a person more spendable income, even as he gives away part of his money. Our government of, by and for the people has established tax laws which encourage charitable contributions.

The North Carolina Baptist Foundation is, itself, a charitable institution. It also receives, holds in trust and distributes funds to any other charitable institution according to the instructions of donors.

Though not made of brick, the Foundation has much in common with the foundation of a house. A foundation is that upon which a house is built. It is the base which supports all the more visible and valuable parts above. Without a sound foundation, a house would be in frequent need of repairs and could eventually become useless.

So it is with the North Carolina Baptist Foundation. We are here to support all the rest. With the help of God's people we can insure the future of any North Carolina ministry or mission.

The man who can help you is Edwin S. Coates, Executive Secretary of the North Carolina Baptist Foundations, Inc. since January 1, 1973. Having come to the office with 23 years of professional experience in education and business, he has a varied background in service to people. We encourage you to contact Mr. Coates to discuss your interest in perpetual good works, and the development of a better plan for your estate.

BAPTIST CHILDREN'S HOMES REPORT

Child care in Eastern North Carolina can well be characterized as "A Shared Christian Adventure." We are sincerely trying to practice the theme of our 1974 Alumni Homecoming at Kennedy Home, which is "Doing the Will of God."

A part of our Christian strength comes through the close relationship we seek to maintain with the Baptist churches and individuals who pray for us and support us in a variety of ways. You, in the associations, have helped us retain this warm fellowship by visiting our campuses at both Kennedy Home and Odum Home; by allowing us to visit with your pastors and their wives in special meetings to explain our program; by opening your homes and churches to our tour choirs on special occasions; and by keeping up with our many activities through the pages of "Charity and Children".

You will be glad to know that our campuses are operating at capacity; that our foster homes are full; and that our children are making good use of their opportunities. A new cottage for twelve children and two staff residences will be completed by the end of the year.

Because more and more troubled teenagers are being referred to us for care, we have started a new program on the Kennedy Home campus. Limited to only eight boys, it is designed to help them work through some of their deepest troubles by using the principles of group therapy.

Our farm-food program continues to be of vital importance. Although feed and fertilizer costs have risen tremendously, the Lord has blessed us with a good season and all of our cottage and staff people are preserving as much food as possible to fight the rising cost of inflation.

A special campaign is in progress to increase the services available at Odum Home. Support for a recreation building and two family-style cottages is being sought in a nine county area surrounding Pembroke. A year ago our first campus integration occurred, with the placement of a Black child at Odum Home. Our success in involving and ministering to Black children has continued at Kennedy Home in 1974. The program of therapy at the McNeill Cottage, located at Indian Beach, continues to be one of the meaningful benefits which all of our children in group care homes enjoy.

We desperately need your prayers and loving support as we face the pressures of an uncertain economy, rapidly spiraling costs, and the need to serve children whose personal problems are most intense.

Gerald McKay

STEWARDSHIP - COOPERATIVE PROGRAM REPORT

More than 5,000 missionaries at home and abroad depend on gifts through the Cooperative Program for a salary each month. Over 3,000 of these have a basic ministry of evangelism, with all of the others using their skills as nurses, teachers, doctors, etc. to meet human needs in order to bring these to Christ. Through the Cooperative Program you are helping the widow, the homeless child, the homeless aged, the sick, plus the ministries of preaching and teaching.

Increasing the percentage given through the Cooperative Program is an excellent follow-through for the special offerings your church receives.

Failure to have a good follow-through, in anything, would be frustrating at the least and tragic at the most. Failure to have good follow-through when you are fishing would cause all of your fish to get away and this would be frustrating. It would be tragic not to have a good follow-through in a baptismal service. A good follow-through is the lifeline between good planning and good results. You will get excellent results if you plan well your special offerings and let your major emphasis be on the lifeline: YOUR COOPERATIVE PROGRAM.

Would your church give more if you received more money? If so, you need to have a thorough stewardship program in your church.

Last year 1,236 churches increased Cooperative Program giving by 10 percent or more over what they gave the previous year. Two of the associations in North Carolina had 100 percent of their churches giving through the Cooperative Program in 1973. These two associations were Flat River and the Tar River Associations. Last year 8 of our churches gave nothing through the Cooperative Program. Join us in making our association 100 percent this year.

In 1975 we will observe the 50th anniversary of Cooperative Program. The date for this observance is April 20. We urge all our churches to participate in this observance by study and prayer and renewed commitment to the Cooperative Program as the primary channel of world mission support.

CHURCH TRAINING REPORT

Our Church Training Program has some new variations for Sunday evening services. We are seeing Church Training with greater flexibility than in years past. A new approach can be the answer to your church fulfilling its mission as a New Testament Church. We have a great responsibility to our members: are we offering the best training possible?

Last year we had our "M" Night Service with the Chalybeate Springs Chruch. There were 14 churches represented with 194 in attendance. Our Associational Tournament Night was held with the Neills Creek Baptist Church. The Scripture Exploring Drill was the only drill promoted in Church Training last year. There were 3 churches represented with the churches having 11 participants. All children completed the drill and were State Winners.

The Church Training Director challenges each church in the association to have an active training program this coming year. It is essential if we are to become that which we are commanded to be as Christians.

EVANGELISM REPORT

"SHARING HIS LOVE AND SPIRIT" was the theme of the 28th Statewide Evangelism Conference at War Memorial Auditorium, Greensboro, February 4-6, 1974. Over 2,400 pastors and lay persons heard excellent speakers emphasize various phases of evangelism.

The continuing response of youth and adults to Lay Evangelism Schools has been significant. In the past thirty months 11,032 youth and adults have shared in this lay witness training from 855 churches and 44 associations. Also 107 pastors from nine other associations have participated in Pastor's Retreats dealing with the Lay Evangelism Schools.

God is greatly blessing the evangelistic ministry of our three summer youth evangelism teams. Nine college students are leading in music, preaching in youth revivals, and directing youth witness training sessions among 27 churches from Pisgah Forest to Edenton.

Youth Ministries Week was held at the North Carolina Baptist Assembly during June 10-14 for about 700 youth and adults with the emphasis on evangelism, vocational guidance and recreation.

About 15,000 youth, pastors, and adult leaders attended the 4th Statewide Youth Evangelism Night, August 16, at the Greensboro Coliseum. Richard Hogue, evangelist, Houston, Texas was the guest preacher, and Darcy and Sharon Hodges the guest soloists. Christian youth continue to share a strong witness for Jesus Christ across our state.

Let us rejoice in the leadership of the Holy Spirit in wonderful revival meetings, city-wide crusades, and evangelism clinics during the past year.

The 29th Statewide Evangelism Conference will be at War Memorial Auditorium, Greensboro, during February 3-5, 1975.

Remember to pray daily for the work of evangelism in all the churches of our state, nation, and world.

We are grateful to East Erwin and Lillington churches for sharing with us their facilities for the Lay Evangelism School. We had 89 in attendance at Erwin and 162 at Lillington. Thanks to all churches who participated.

Respectfully submitted,
John B. Stephenson

WORLD MISSIONS REPORT

When we think of World Missions we usually think of the great commission, the title often given Matthew 28:19-20, in which Jesus commands His followers that by going into all the world, they are to make disciples, baptize them, and teach them the commands of Jesus. The great commission of Jesus does not assign us to go into the world and dialog but to make disciples. No person can carefully evaluate a call to Christian ministry without looking at the great commission.

Baker James Cauthen has made this statement, "Never have we faced a day when the foreign mission task is more urgently needed. Events in our own country and throughout the world constantly remind us that mankind cannot find salvation in bread alone. The hope of man can rest only in the grace of God made known through Jesus Christ."

On January 1, 1974, Southern Baptist missionaries were under appointment to 77 geographical or political entities of overseas missions. The number of the Foreign Mission Board missionary personnel increased to 2,538 during 1973 but during July of 1974, there were 148 new missionaries appointed making the grand total of 2,686 at that time. More missionaries were appointed in July of 1974 than any other month in the 129 year history of the Foreign Mission Board.

Plans are being made for short-term overseas mission projects in 1975.

Approximately 50 percent of Southern Baptist Convention Cooperative program funds is made available annually for foreign missions. Only if we continue to give can this work expand or even continue. Still there are urgent needs that are not being met. Land, buildings, and equipment are needed but most important more people are needed to go and give of themselves.

In addition to the extensive work being done through 2,200 missionaries dispersed throughout this nation, and the help being given to churches, associations and state conventions in developing evangelism and missions programs the Home Mission Board faces many new challenges. A ministry to those involved in work on the Alaska pipeline must be launched. Additional Funds for church extension, language missions and Christian social ministries are urgently needed.

Response to Spring Street USA has been great. It is being seen by thousands over 50 stations each week. More funds are needed to sponsor the program for the coming year.

Arthur Rutledge, Executive Secretary of the Home Mission Board asks our prayers as the board plans for the future. May God help us to move forward in helping claim America for Christ.

Respectfully Submitted,
Mrs. Harold Owen

CHRISTIAN LITERATURE REPORT

Christians face a challenging task in a constantly changing world. One of the greatest aids in meeting this task, in these troubled times, is the attractive and appealing materials which we call "Christian Literature". The alert Christian should never cease to study and communicate to others the compelling message of Christ. We, Southern Baptists, are provided with an abundance of good Christian literature.

Our state Baptist journal, the "Biblical Recorder", is the third largest publication in North Carolina, with a circulation figure of 110,000, surpassed only by two morning newspapers. The "Commission" magazine keeps us abreast of our Foreign Missions effort and the "Home Missions" magazine is informative as to what is being accomplished through missions in our homeland. There are Brotherhood periodicals for Baptist men and boys and WMU periodicals for Baptist women and girls. "Charity and Children", published by the Baptist Children's Homes, makes us aware of the Christian work being done in that area. "Home Life" is an excellent family magazine and should be in every home.

In addition to all of these and others, we have our Sunday School and Church Training literature which gives a balanced study of the major areas of the Bible in six year cycles. All of our Bible study materials are written by Southern Baptists who are committed to keeping them biblically based and doctrinally sound and they are produced with a deep sense of commitment to the local church.

We FIRST turn to the Bible, of course, to learn the way of salvation and standards for Christain living. Therefore, the subject matter for ALL Christian literature should hold to the Bible's message of faith and practice; and, it should always be the authority and guide for churches, as well as for individual Christians. The Bible will continue for all eternity to be the foundation for all Christian literature.

Are we really aware and thankful for the literature available to us? Do we use it in an acceptable manner for the glory of God and to our personal enrichment? These are questions that we should stop to think about. Our churches and denomination provide us with excellent literature to help us grow and mature into true disciples of our Lord. Let's use it to full advantage.

Mrs. Carolyn T. Johnson

BAPTIST HOSPITAL REPORT

In spite of the growth in size and complexity at your Baptist Hospital, the emphasis is still upon "ministering with skill and understanding." Evidence of this is a typical patient's remark just recently: "From the head surgeon to the aide who handed me a glass of water, with all the doctors, nurses, people in the business offices and chaplains in between, I was cheerfully given every personal consideration."

Changes and additions continue to be made for the purpose of providing better hospital care. Renovation of the Progressive Care Unit has been completed, and the South and West Wings of the hospital are now being renovated. Construction of the Ambulatory Care Unit is well under way and is scheduled for completion in the spring, or early summer, of 1975.

New discoveries continue to make possible better medical care. For example, a new EMI-Scanner is to be installed and is expected to be in use before the end of this year. This device, which combines the use of x-rays and computors, will make it possible to detect brain tumors, blood clots, and strokes more accurately and more quickly. Scans can be completed in about 30 minutes and the results can be available in another five minutes. There is no risk or discomfort involved, and the patient does not have to be admitted to the hospital.

New approaches are also being made in the hospital's ministry to the emotional and spiritual needs of people. The Division of Human Enrichment and Development, in the Department of Pastoral Care, is conducting retreats, seminars, and workshops designed to help appropriate the resources of the Christian faith to the various areas and experiences of life. The Pastoral Care Department has also opened its first satellite center, in Fayetteville, to offer counseling and training to people in that area. Your Cooperative Program gifts help to support these ministries.

The School of Nursing graduated its last class in May. The school has been in the process of phasing out for the past three years, as the result of a trustee decision made in 1971.

In January the hospital had its only room rate increase in the past three and one half years. Nevertheless, the hospital continues to operate "in the black". The 1973 Mother's Day Offerings amounted to $375,000. At the time of this writing, our 1974 Mother's Day gifts are running ahead of the same time last year. These gifts are used to assist patients with the most urgent financial needs. A special committee of five Baptists from the Winston-Salem area assists personnel from the hospital Business Office and the Department of Denominational Relations in administering these funds.

Little River contributions for 1973 were $4,669.87 and for 1974, $4,159.32. Your hospital staff, and the people they serve, are grateful for your interest, your prayers and your financial support.

Irvin Stephens

BIBLICAL RECORDER REPORT

The BIBLICAL RECORDER is grateful for another good year, although these are difficult days for religious publications. Some have had to go out of business while others are squeezed by rising costs. The RECORDER has not escaped the pressures of inflation. For example, paper has risen 61 per cent already this year—and the end is not in sight.

Even so, the RECORDER has been in business for 141 years and expects to continue. A few changes have to be made, however, to keep the paper strong. As staff members have resigned or retired, they have not been replaced. Some weeks the number of pages has to be reduced to save money, but readers have been very understanding.

Despite some problems, the RECORDER is enjoying its highest circulation in history—more than 111,000—thanks to the continuing support of the vast majority of Baptist churches in the state. These churches and their members remember the part the RECORDER played in the overwhelming defeat of liquor by the drink last November. This is probably the most significant story that the RECORDER has reported since the associations met last year. You will remember that approximately 70 per cent of the voters in the state voted against liquor by the drink and it was defeated in 97 of 100 counties. This should take care of this issue for awhile.

The RECORDER will continue its emphasis on local church coverage, seeking to deal with problems that every church has. Naturally, we are prejudiced, but we do not believe any publication can take the place of the BIBLICAL RECORDER. If your church does not send it to every family, may we ask a simple question: Why? At a cost of only a nickel a week for each family, this is the best investment a Baptist church can make. Put the RECORDER in the budget before it has to increase the rate because of inflation.

J. Marse Grant, Editor

WOMAN'S MISSIONARY UNION ANNUAL REPORT

"In the tongues of all the people,
May the message bless and heal

Til all lands receive the witness
And Thy knowledge fills the earth."

These words from our 1973-74 hymn gives us new renewal for Mission Support. WMU has contributed much toward financial support. We lead in churchwide offerings as Lottie Moon Christmas Offering and Annie Armstrong Easter Offering. Our organizations support State Missions and especially our own Heck-Jones Offering.

Giving is not all that is required. We must pray daily for our missionaries and their needs and our task is to create an atmosphere that young people might be willing to hear and answer the call to enter mission service.

The Associational WMU Leadership Conference was held at Antioch Baptist Church on October 8. More than a hundred women attended conferences led by our Associational WMU officers.

Neills Creek Baptist Church invited the churches in our Association to hear Mrs. Winston Pearce of Buies Creek teach our Foreign Mission Study, "Passport to People".

Our Spring meeting was held at Memorial Baptist Church in Buies Creek on April 9. Mrs. Roy Wyatt, Missionary on Furlough led our devotion. Miss Sara Ann Hobbs, our State WMU Executive Secretary, brought to us an inspiring message.

Thirty-one of our churches now have some WMU work. This year Mrs. Sammy Overby, Associational Girls in Action Director, led in a study course at Piney Grove Chapel.

One hundred and twenty-two WMU officers attended a Manual Study at Lillington Baptist Church on September 16th. Our State WMU staff from Raleigh led the study. We are grateful to the women at Lillington for inviting other churches.

"The Word was made flesh, and dwelt among us .... full of grace and truth" (John 1:14). We must be ready to answer, "How will anyone go .... Unless someone sends?"

Mrs. Billy R. Currin

ANNUITY BOARD OF THE SOUTHERN BAPTIST CONVENTION REPORT

The Southern Baptist Convention Annuity Board paid out a record nearly $16 million in retirement and protection benefits during 1973. This means in the Board's history, it has now paid out over $100 million in retirement and protection benefits.

More than 9,000 retired pastors and other church-related vocational workers or their widows receive benefits.

In addition, the Annuity Board set another record. This one was for funds held in trust for those participating in retirement and protection plans while in active service. About 38,000 pastors, other church staff and denominational agency employees are included. Funds held in trust will exceed $350 million for the first time, President Darold H. Morgan reports.

The Board issued another 13th check, or extra benefit, for the annuitants shortly before Christmas 1973. It amounted to two extra months' worth of benefits and totaled $1,187,379.00. The 13th check helps annuitants, whose benefits are fixed, to meet the rising cost of living. Payment of the 13th check is over and above the twelve contracted monthly benefits and depends from year to year on investment income.

The Retirement Plans are as follows:

PLAN A (Southern Baptist Protection Plan) is the denominations church pension plan. It is designed to provide certain insurance type benefits (disability, widow, dependent child and education) as well as retirement.

PLAN B (Age Security Plan) is a money accumulation plan. Deposits are credited to the individual's account with earnings added periodically, currently 6% per annum on a monthly compounding basis. The funds are available to the participant or beneficiary in the event of retirement, disability or death.

PLAN C (Variable Benefit Plan) is a selected common stock fund. Deposits purchase units in the plan at the current monthly unit value. Participation in Plan A or Plan B is prerequisite for participation in Plan C. The funds are available to the participant or beneficiary in the event of retirement, disability or death.

TEN PERCENT (10%) of compensation is the suggested amount to pay for retirement purposes. When paid by the church, such amounts may be tax sheltered and therefore non-reportable for federal income tax purposes.

In addition to the Annuity Retirement Plans, three insurance plans are available. Life Insurance to provide protection from $5,000.00 to $60,000.00.

DEPENDENT LIFE for the spouse and minor children is included except with the $5,000 schedule.

DISABILITY INCOME (Long Term Disability) provides a stated benefit in the event of total and permanent disability. The amount of benefit available is based on earnings and is paid in addition to any Social Security disability benefit.

MEDICAL INSURANCE is available in a choice of four plans. Medical and Hospital costs are expected to increase in the coming years.

In our Association there are (26) Churches and the Little River Assoc. participating on some basis in these plans offered by the Annuity Board of the Southern Baptist Convention. Today, we need to give serious consideration to this matter of providing retirement and protection security for all of our pastors and other staff workers. Our Convention is paying a part of the cost but only as the local church and the individuals who need this protection are willing to participate. It is our sincere desire that we give serious consideration to this important matter.

Robert L. Clark

COUNCIL ON CHRISTIAN LIFE AND PUBLIC AFFAIRS REPORT

The Council on Christian Life and Public Affairs consists of a full-time director (Dr. Charles V. Petty) and 16 persons.

The basic work of the Christian Life Council continues to be that of a resource, research and referral agency for North Carolina Baptists. The council responds to daily inquiries from churches and individuals seeking to discover insights for everyday living.

The council conducted a workshop last March entitled "Helping Churches Help Families". Over 1200 attended part or all of the workshop.

A series of political action seminars were scheduled for September 30—October 2. These seminars are designed to help Baptists know how to apply their Christian faith to various levels of government.

FINANCE COMMITTEE REPORT

The Finance Committee presents these two recommendations for your consideration:

(1) Adoption of the proposed budget. This budget represents a $1,698.00 increase over the 1974 budget.

(2) Again this year we recommend that individuals be asked to contribute $10.00 to the Mission Action Section approved in 1972. This money would be used, at the discretion of the Association Missions Committee, for meeting the need of the churches, international students at Campbell College, etc.

AMERICAN BIBLE SOCIETY REPORT

One of the "prime directives" of Southern Baptists is unquestionably the proclamation of the word of God. This directive is the reason for the close affiliation between our convention and the American Bible Society. The program of the society is fourfold: translation, publication and distribution of the scriptures and encouragement of their use. Our involvement with this stated purpose has been by the financial support which is contributed through the Cooperative Program, the promotion of the society throughout the convention and the many volunteers who work with the society. Last year the convention contributed $253,857.00 to the ministry of the American Bible Society.

What does the society do with these and other funds? How do they achieve these goals? In 150 countries, in 450 languages the society distributes an average of 100 million copies of the Bible and portions of the Bible each year. All of this effort still has not closed the gap between the need and the resources available to meet the need. The annual budget for the American Bible Society is $11,400,000. The society has almost reached this goal.

What materials are available for use by the local church? You name it! Bibles, scripture portions, records, films, devotions, Greek testaments, youth materials, and a host of others. These materials are available in full color with a variety of print sizes. The blind are not forgotten as materials and Bibles in braille are also available. These materials are displayed in the catalog of the society which is available free of charge.

All of the work of the society is done without denominational or doctrinal emphasis and is presented without commentary. They let the Word speak for itself! As a convention, association, a local church, or an individual, I feel we should lend full support to the work and ministry of the American Bible Society.

Dennis L. Burton

Westfield—John Stephenson
Faith Mission—Dwight Morris
Macedonia—John McDaniels
Duncan—Billy Tatum
Hillmon Grove—Tommy Hayes
Piney Grove Chapel—Robert West

These churches are without pastors at the present time: Antioch Mission, Crestview Mission, Bethel, North Clinton Avenue

Antioch Mission, sponsored by Antioch Baptist Church, began in May 1958 was organized into Calvary Baptist Church on October 6, 1974. Rev. Tom Green from the Baptist State Convention brought the message. Churches represented at the organizing meeting were Antioch, Hillmon Grove, Holly Springs, Lillington, and Rawls.

The "300 Club" (mission action giving) has not been but $609.62 as of the treasurer's report. This is a $10.00 gift over and above the church pledge for financial help for our missions, smaller churches, and an international student at Campbell College. This amounted to $1,400.00 last year.

The missions Committee has not met yet to decide how this will be divided. I hoped there would be someone here who wished to give that have overlooked it until now. If so, see our treasurer or me tonight or tomorrow. Thank all who have contributed.

Thank you for providing for me secretarial help three mornings a week; Tuesday, Wednesday and Thursday mornings. Mrs. Mary Lou Phillips will be in the office from 9:00 til 12:00 these mornings to work in office and help you with information and materials even if I am not there. Feel free to come for any help you may need. We welcome your visit to the office and will serve you any way we can.

LETTER CONCERNING TELEVISION LANGUAGE

December 10, 1974

Dear Sir:

The Messengers to the Little River Baptist Association meeting with the Kennebec Baptist Church, Fuquay Varina, North Carolina on October 29, 1974 voted to send this letter of protest to you. Our Association consists of 34 Southern Baptist Churches and three missions with a total membership nearing thirteen thousand. We sincerely hope you will seriously consider the matter about which we write.

We feel the time is past when we must protest the language being used on many of the television programs coming into our homes. We are also very concerned with the many suggestive statements being made by the television personalities. There was a time when this was limited to programs being aired late in the evening with the usual audience being adults. As far as we are concerned, this was bad enough. Now the prime time and "family programs" seem to think nothing about its language and insinuations. These incidents also occur on some of the "game" programs coming into our homes during the daytime. We, hereby, protest such incidents.

Yes, the television does have an "off" button on it! We are well aware that people who see no offense to such language and suggestive statements have their rights. This is a free country and we want it to remain a free country. We would, however, have you consider our rights and those of our family members who are in their formative years. We honestly feel the rights of many decent Americans have been disregarded in this matter.

We know there is the ability on the part of the Television Industry to give good and decent entertainment without language of bad taste and implications which are in worse taste. We believe you can and will help us in this matter.

Sincerely,
Emmanual P. Pegram
Associational Clerk

IN RECOGNITION

Julius Holloway is a native son of the Little River Baptist Association, having been born to James Wesley and Ada Campbell Holloway on September 20, 1910 in the Chalybeate Springs community. It was at the age of 15 that he accepted Christ and united with the fellowship at the Chalybeate Springs Baptist Church.

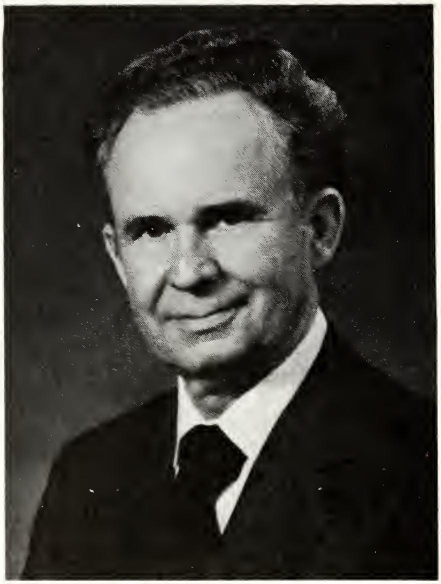
He attended Campbell College and Wake Forest College and graduated from Mars Hill College in 1938. Eight years previous to this, in 1930, he delivered his first sermon in a church near New Bern, North Carolina. In 1938, at the request of Pleasant Memory Baptist Church, he was ordained to the gospel ministry and became their pastor. In the coming years, he served Collins Grove near Buckhorn, Social Plains near Zebulon, and Bethel and Layton's Chapel in the Little River Association.

It was while he was serving Bethel and Layton's Chapel that he married Anne Hawkins Allen. For several years, he taught school and operated a grocery store in Lillington, but returned to the Lord's word in 1952 to become Associational Missionary to Little River Baptist.

He and his good wife Anne were active in the beginnings of many new missions and/or churches in the Little River—Faith, Crestview, North Clinton Avenue, Hillmon's Grove, South Erwin, Westfield, Fellowship, Calvary, and Gourd Springs.

Needless to say, Julius and Anne have a special place in the hearts of Little River Baptists. Both excel in kindness to everyone. They have been generous in the giving of themselves to the Kingdom of Our Lord as they have served among us. No man, young or old, rich or poor, preacher or layman, has approached them without receiving help. Julius is truly a pastor's pastor. He has the heart of a pastor and a love for the people of the congregation. With this combination, he has been able to guide the pastors of the Little River to be better servants of our Master.

We cannot put on paper the feelings we of the Little River have for these two people—for we love and respect them sincerely. It is with sincere love that we dedicate this centennial annual of the Little River Baptist Association to them. With this goes our wishes for a blessed and useful retirement.



IN MEMORY

The Reverend E. Weldon Johnson was a native of Fayetteville, N. C. He was the grandson and son of Baptist ministers and was engaged in retail merchandising before he heeded the call to the ministry. He was a veteran of World War II and served with the U. S. Navy. He graduated from Wake Forest College where he was elected to Phi Beta Kappa and received the A.B. Degree, Magna Cum Laude, and then attended Duke Divinity School, receiving the Master of Divinity Degree in 1952. He was pastor of Lystra, Mount Gilead and Cedar Fork Churches before coming to Buies Creek Baptist Church in July, 1952. He served two terms on the General Board of the Baptist State Convention, serving as Chairman of the Assemblies Committee. He has served as Moderator of Little River Association and for a number of years was Chaplain of Campbell College while serving as Pastor of the Buies Creek Church. Mr. Johnson studied pastoral counseling at Duke University and had wide and varied experience in the field.

He is survived by his wife, the former Mildred Horner, and three children: Miss Gail Johnson of Raleigh, Mrs. Gwen Johnson Upchurch of Morrisville, one son, Mark, of the home; and one grandchild. He is also survived by his mother, Mrs. Joel S. Johnson of Fayetteville; one brother, the Reverend Harold Johnson of Fredericksburg, Va.; and three sisters, Mrs. Carl Britt of Fairmont, Mrs. Joyle Haire and Mrs. Garland Johnson of Fayetteville.

He was dedicated to his Lord and his church. His influence reached further than this, however, for Little River Baptist are better servants of our Lord today for his being sent our way.

In dedicating this centennial annual to his memory, we express gratitude to our Father for his life which showed us faithfulness to God's Kingdom for almost a quarter of a century. It will take years, even generations, to reap the harvest from the lives touched by him.

EVANGELISM REPORT

All churches will receive Proclamation '76 Planning Calendar booklets for 1975-1976 and other revival materials. Each association is encouraged to plan a Simultaneous Revival among the churches during the spring (March or April) 1976. If you do not have a Simultaneous Revival, every Baptist church is urged to plan a dynamic revival effort in the spring of 1976.

The continuing response of youth and adults to Lay Evangelism Schools has been significant. In the past 3½ years, 12,774 youth and adults have shared in this lay witness training from 1,007 churches and 55 associations. Also, 107 pastors from nine other associations have participated in Pastor's Retreats dealing with Lay Evangelism Schools. Five other associations have planned Lay Evangelism Schools during the Fall of 1975.

"BE RECONCILED TO GOD AND MAN" was the theme of the 29th State wide Evangelism Conference at War Memorial Auditorium, Greensboro, February 3-5, 1975. Over 2,400 pastors and lay persons heard excellent speakers emphasize various phases of evangelism.

Youth Ministries Week was held at the North Carolina Baptist Assembly during June 9-13 for 520 youth and adults with the emphasis on evangelism, vocational guidance, and recreation.

About 14,000 youth, pastors, and adult leaders attended the 5th Statewide Youth Evangelism Night—August 15 at the Greensboro Coliseum. Dr. Bill Self, Atlanta, Georgia, was guest preacher, and Bill and Linda Cates were the guest musicians. Christian youth continue to share a strong witness for Jesus Christ across our state.

The Division of Evangelism is cooperating with the Brotherhood Department in Lay Renewal Weekends and Renewal Evangelism.

Let us rejoice in the leadership of the Holy Spirit in wonderful revival meetings, city-wide crusades, and evangelism clinics during the past year.

The 30th Statewide Evangelism Conference will be at the Civic Center Auditorium, Asheville, during February 2-4, 1976.

Remember to pray daily for the work of evangelism in all our churches, our state, nation, and world.

Respectfully submitted,
John B. Stephenson

FAMILY LIFE COMMITTEE

In February of 1975 your Family Life Committee sponsored a Family Life Conference in the Lillington Church. The theme of this conference was, "Making Our Homes Better Homes." Dr. Richard McKay, Chaplain of the Wake Memorial Hospital, and Dr. Charles Petty, of the Baptist State Convention of North Carolina, were our featured speakers. We also had several from our Association who led age group conferences along with three young ladies from Campbell College.

Our committee felt that the conference was most helpful and we were gratified with the response in each of several age brackets.

Respectfully,
Howard Beard

ORDINATION COMMITTEE

The Ordination Committee, following the guidelines laid down in the Constitution, examined Mr. Robert West whose ordination was requested by the Piney Grove Chapel Church. After examination, the committee recommended to the church that they move forward with his ordination.

Respectfully,
Howard Beard

CHURCH TRAINING REPORT

Our Church Training Program has some new variations for Sunday evening services. The new theme for church training this past year and for the coming year has been: CHURCH THE SUNDAY NIGHT PLACE. Surely we will all have to admit that we as Christians are failing to train as we should. Only through training and feeding on God's word are we going to have the boldness and confidence to tell the world about Jesus. How can we neglect such a great responsibility?

Last year we had our "M" Night Service with the Friendship Church. There were 13 churches represented, with seven pastors and seven directors present and a total of 174 persons in attendance. The Children's Bible Drill was the only drill promoted in Church Training last year. There were 3 churches represented. Antioch and Antioch Mission and Oak Grove. All children participating completed the drill and were state winners.

The Church Training Director challenges each church in the Association to have an active training program this coming year. It is essential if we are to become that which we are commended to be as Christians.

Respectfully submitted,
Harris Spence

REPORT OF THE AMERICAN BIBLE SOCIETY

The world's population reached an estimated total of four billion people in 1974. Most of them without ready access to the Word of God. These people constitute the challenge confronting the churches, dedicated to the proclaiming the Gospel, and the Bible Societies, dedicated to the translation, publication and distribution of God's Word.

The publication of the Word of God requires technical skill, scholarly expertise, and selfless devotion to the communication of the sacred text. The American Bible Society has assumed this task, providing Scripture in whatever languages, formats and varieties are required. The task is enormous. The number of Bibles, Testaments, portions and Selections distributed annually throughout the world exceeds 250,000,000.

But the challenge to the American Bible Society is multiplying even faster than the population increase, for new developments in Scripture translation and publication are opening up vast new audiences to God's Word.

The American Bible Society is responding to this challenge in the most ambitious program the Society has ever undertaken. Good News for New Readers was launched in September 1973 to provide special Scripture Selections to be used by people just learning to read. The Selections are being prepared on graded reading levels, and eventually will be available in 200 languages. To date, this program has reached people in 70 countries. Scripture Literacy Selections on the two most elementary levels have been produced in more than 100 languages. Other Selections in 20 additional languages have been translated and are being published. To meet this need, the American Society launched an appeal in 1974 inviting people to join in this endeavor for our Lord, an organization in which members pledge a monthly gift to help to finance the world-wide Good News for New Readers Program.

As a primary supplier of Scriptures, the American Bible Society has for years maintained a close and continuing relationship with the Southern Baptist and their state and local organizations. In 1974, the Bible Society continued to fulfill

Southern Baptist Scriptural needs with the production of 12 special Scripture editions totaling over 1,105,000 copies.

Over $5,000,000 is underwritten by the American Bible Society through contributions from dedicated individuals and churches.

The challenge of hundreds of millions of people hungry for God's Word confronts the Southern Baptist Convention and the American Bible Society. Working together, we can be faithful to the high calling to which we are committed.

Respectfully submitted,
Sanford J. Smith

SUNDAY SCHOOL REPORT

Throughout the years in Sunday School the emphasis has been reaching people and upon reaching them sharing the eternal word of God.

Reach Out is a program used this past year and is continuing for the year 1975-1976. On High Attendance Sunday, November 17, 1974 we celebrated with an attendance in the churches of Little River Baptist Association of 5,669 and every church participated. Compare this attendance with our 1973-1974 enrollment of 8,381. With the continuing of "Reach Out" and the Celebration Sunday November 2, 1975, we will reach many more in Bible Study.

ACTION is a new Sunday School enrollment plan adopted by our Sunday School Board. Andy Anderson, creator of ACTION is working with the Sunday School Board as a specialist to assist in promoting the enrollment campaigns. Secure the material through the Sunday School Board's Sunday School Department.

As we reach people through "REACH OUT" and "ACTION", this calls for added Sunday School classes. During this year for each Adult Class started, a certificate will be given to that class and recognized as an "American 76 Adult Class" at the Annual Session of the Association. Also with the added classes there will be a need for added teachers. During this year a leadership training course is being planned. It is our hope that all churches will get their leaders to attend.

During the year 1974-1975, our Vacation Bible School enrollment was 2,295 with an average attendance of 1,997. There were 26 churches reporting having Vacation Bible School, leaving 8 not reporting. Set your goal for a Vacation Bible School in every church and mission.

Respectfully submitted,
Edward Rogers

MINISTER'S RETIREMENT PROGRAM REPORT

In this our day, 1975, times and conditions have changed so much that we dare not follow the customs of earlier years, but in some of our churches that is just what we continue to do; we seem not to be willing to change if it is going to cost us money.

The majority of our big businesses are now caring for their employees in case of sickness or old age retirement. Certainly a Southern Baptist Church should not be willing to do any less.

Our Southern Baptist Convention has set up a Relief and Annuity Board which is now caring for church and denominational workers where the churches are cooperating in the plan which will offer security to the retiree or to the family if the participant dies. This is a real act of Christian concern for the church workers and every one of our churches ought to become involved in one of these plans offered.

Please check with our Associational Missionary and if your church is not participating in one of these plans, enlist him to help you get your church to participate in one of these security plans.

Respectfully submitted,
H. R. Starling

N. C. BAPTIST HOMES FOR THE AGING REPORT

There has never been a year in the history of your Baptist Homes when more people have sought the services of the Homes. This has been true particularly of the aging sick person. Almost daily calls come from older persons, and their families, inquiring about admission to one of your five resident Homes and the Skilled Nursing Care Facility of the Homes.

Today there are some 21,000,000 Americans 65 and above, and this number, it is anticipated, will grow by over 300,000 a year in the years ahead. The needs of aging people are overwhelming, and we must strive diligently to meet those needs.

Although we can minister in our North Carolina Baptist Homes to only 230 persons at any given time, we have served hundreds of aging people through the twenty-four years that we have been on the scene at Resthaven, the Hayes Home, and the Nursing Care Unit, in Winston-Salem, and in our Homes at Albemarle, Hamilton, and Yanceyville. As God continues to bless us and lead us, we will make every effort to expand our ministry and to reach out and help as many older persons a possible in the years ahead. We can do this only by the grace of the Lord and by the increased concern and giving of our Baptist people.

Gifts for 1974-75 from our Baptist Churches, through the Cooperative Program and through the 3rd Sunday of February Offering for the Homes, reflect a very encouraging increase. This is great, and we are grateful especially since four out of every five persons who live in our Homes depend upon these love gifts for their care. Your love gift is a life-line to these deserving older persons, and they could not be cared for in the majority of cases, if it were not for you.

Signs on the horizon indicate that we will need greater financial support for our Homes for the Aging from our Baptist people than ever before.

The most exciting development in the family of your Baptist Homes for the past year has been the experience of obtaining one of the most beautiful locations in the Blue Ridge mountains of North Carolina for the proposed Western North Carolina Baptist Home. This site is a twenty-one acre tract of land overlooking the city of Asheville, better known as the Pearson Estate, on Richmond Hill, in Northwest Asheville. God Himself, we feel, has guided us in discovering this beautiful site.

Plans are in the making now to raise $1,000,000 for the construction of this new proposed Western North Carolina Baptist Home. These plans initially will include 50 rooms for residents, with living room, dining room, library, chapel and activities room, and other necessary rooms. With the completion of this Home, North Carolina Baptists will be enlarging their base of ministry to almost 300 persons, and older people from Western North Carolina will have a facility to serve the hundreds in their area who will need the service of this lovely facility now and

Pray for the ministry of your Baptist Homes for the Aging. Give as liberally as possible that the overwhelming needs of older people in our midst might be met more adequately. Visit the Homes and see first-hand the personal joy that your gifts bring. Know that your ministry to even one of these dear older people is a ministry as unto Christ Himself.

Respectfully submitted,
Sam F. Hudson

BAPTIST HOSPITAL REPORT

There have been many significant developments in several areas at our Baptist Hospital during the past year.

The new ambulatory care unit is now open, making possible enlarged and improved services for the Emergency Room, Out-patient Clinics, Physical Therapy and other departments. Renovation of the West Wing is now completed and the renovation of the South Wing has begun. The third floor of the Progressive Care Unit has been remodeled to provide 26 beds, therapy room and other improved facilities for Psychiatric services.

The long-awaited EMI-scanner is now in use and is already proving beneficial in detecting blood clots, tumors, and other abnormalities of the brain.

A Family Practice Center opened July 1, 1975 to offer more primary medical care for patients and also to provide specialized training for physicians who choose to enter Family Practice.

During the year, the hospital had its biennial review by the Joint Commission on Hospital Accreditation. All areas of operation received an excellent report, but physician service, nursing service and administration all received especially high commendation.

Despite the continued rise in costs for services and materials, the hospital has been able to operate in the black. The administration and department heads confer frequently and make diligent effort to see that the hospital operates as efficiently as possible.

Gifts from the Baptist churches have been very gratifying. During the calendar year of 1974, the hospital received $258,898.00 through the Cooperative Program and $392,000.00 through the Mother's Day Offering. Hospital staff members have participated in Cooperative Program promotion in cooperation with the State Convention Division of Stewardship and Cooperative Program Promotion.

The Department of Pastoral Care has opened a counseling center in Raleigh, its second satelite center. Plans are developing for a third satelite in the western part of the state. The Department has established a scholarship fund as a memorial to Dr. Richard K. Young, the department's first director, who died December 31. Full re-accreditation was given the School of Pastoral Care in December by the Association of Clinical Pastoral Education.

During the past year Mr. Reid T. Holmes retired as President of the hospital after serving in the hospital administration for 29 years.

Churches of the Little River Association have already, during the year 1975, contributed $5,081.89 for this most worthy cause. All of our churches are urged to participate in the support of our hospital.

Respectfully submitted,
H. Paul Strickland

CHRISTIAN EDUCATION REPORT

So obvious is the necessity of Christian education to the propagation of the gospel that we sometimes seem to take it for granted, and thus have our sensibilities dulled to the vital link between the two. In primitive cultures, highly skilled Christian missionaries often find it necessary to raise the literacy level of the people before they can communicate the gospel to them. Whether in a primitive or a highly advanced society, Christian education becomes the vehicle of evangelism. It is altogether congruous, therefore, that Baptists (and other Christians) vitally exercised over Christian education also. Christian education that is worthy of the name is coincident with evangelism, and cannot be readily delineated from it.

The link between our evangelical effort and our educational institutions is most evident in regard to, but certainly not limited to, those students preparing for careers in the work of the churches. The seven North Carolina Baptist colleges reported a total of 715 such persons in April 1975, and Southern Baptist seminaries listed 303 graduates of these colleges for the same period. The Foreign Mission Board has under appointment 152 graduates from North Carolina Baptist colleges, which is more than six per cent of the total foreign missions force. A significant number of graduates from these colleges also do missions service under the Home Mission Board, state conventions, and in associations. Approximately 100 Baptist college students were assigned to churches in North Carolina this past summer through the Baptist Youth Corps. Convention-wide, the figures for 1974-75 look like this (figures in parentheses indicate gain or loss over 1973-74):

	Ministerial Students	Home & Foreign Mission Volunteers	Church Education Volunteers	Church Music Volunteers	Other Church Vocation Volunteers
Seminaries	4212 (-16)	548 (-96)	1393 (+83)	589 (+36)	136 (-17)
Senior Colleges	5063 (+457)	993 (+73)	1046 (+130)	1458 (+206)	2071 (-86)
Junior Colleges	330 (-60)	18 (-3)	46 (-8)	89 (-16)	130 (+90)
Academies	21 (0)	3 (-9)	--- (1)	3 (-2)	---
Bible Schools	773 (-8)	45 (0)	70 (-25)	81 (+1)	12 (+7)
TOTALS	19399 (+373)	1607 (-35)	2555 (+180)	2220 (+225)	2349 (-6)

The churches also assist the colleges through the Father's Day offering, such funds being used for student aid. The colleges pledge to North Carolina Baptist young people that no qualified student will be turned away for lack of funds.

The Cooperative Program continues to be the second largest single source of income for our colleges (student fees is largest). The anticipated Cooperative Program budget to the North Carolina Colleges for 1975 is as follows:

Campbell College	$ 416,066
Chowan College	262,333
Gardner-Webb College	329,166
Mars Hill College	360,776
Meredith College	360,776
Wake Forest University	639,900
Wingate College	263,333
Total	$2.633 350

The colleges continue to struggle under intensifying economic stress caused by rising costs and reduced income. Cooperative Program support rose throughout the Southern Baptist Convention over the previous year by $2,014,935 to a total of $28,622,557, but gifts, donations, and grants dropped by $8,805,577 to $34,126,368. The Bible Schools were the only schools showing an increase in gifts. These decreases are aggravated as enrollments decline.

The Education Commission of the Southern Baptist Convention actively seeks to stimulate interest in foreign missionary commitment and service on Baptist campuses, and assists the Foreign Mission Board in recruiting Baptist teachers on sabbatical leaves for oeverseas teaching assignments. It also assists the Sunday School Board in developing programs in recruitment of vocational Christian workers at summer assemblies. The Commission performs a nationwide student recruitment service for Southern Baptist colleges, and conducts workshops in trustee orientation. A significant breakthrough was achieved in cooperation between Southern Baptist colleges and seminaries on transfer of credit, particularly in the area of religious education. The Commission continued its work in the area of tax reform, and prepared materials for the House Ways and Means Committee of the United States Congress.

STEWARDSHIP–COOPERATIVE PROGRAM REPORT

Southern Baptist have frequently been called a people on mission for God. This nission is best carried out through doing things together. Many missions would be impossible to perform individually. Cooperation of this magnitude is a unique feature of Southern Baptists. The Cooperative Program may well be called our trademark.

During 1975, we have celebrated the 50th anniversary of the Cooperative Program. Now we are challenged to turn our thinking to the years ahead. A convention wide goal has been set for $150 million to be received in the State Conventions in 1976, for the Cooperative Program ministries. This would provide approximately $52 million for SBC causes and $98 million for state causes. Sunday, October 26, has been designated as a day of church commitment. On that day churches are challenged to adopt a Cooperative Program goal that will reflect a bold step in the support of World Missions. Every church is challenged to increase Cooperative Program gifts by a minimum of 1% of the total budget income. In addition, every church is asked to consider greater support of the local Associational Program and indicate a commitment to this as well.

In our state our 1976 Cooperative Program goal is $11,000,000.00. Of this amount $3,500,700.00 or 33.34% will go to Southern Baptist Convention causes. $6,999,300.00 or 66.66% will remain in our state for the support of ministries here.

Last year more than 1,200 churches increased Cooperative Program giving by 10% or more over what they gave the year before. Let us strive to continue to support World Mission causes at all levels, South-wide, State Convention, and in our Association.

Our Goals for the coming year are:

1. Every Church in our Association giving something through the Cooperative Program for World Mission support.
2. Every church in the Association increasing Cooperative Program giving by at

least 1% of the total budget income.

3. Every church in the Association increasing Associational Missions by a good percentage over what they gave last year.

MAY EACH OF US CHALLENGE OUR CHURCH TO A BOLD STEP IN THE SUPPORT OF WORLD MISSIONS IN THE COMING YEAR.

Robert L. Clark

WOMAN'S MISSIONARY UNION ANNUAL REPORT

"God was in Christ, reconciling the world unto himself. . . .and hath committed unto us the word of reconciliation." (2 Cor. 5:19). Paul is reminding the church at Corinth of God's gift of salvation through Christ. Not only is man saved from sin but is made a new creature and has been given a task to do. We must endeavor to proclaim in word and deed the gospel of Jesus Christ to all people. We should be eager to sing "the poor and them that mourn, the faint and overborne, the wayward and the lost." Let us go forth and "Share His Love Now."

Special emphasis for 1974-75 are "Love Thy Neighbor" and Training in Mission Education called TIME. "Love Thy Neighbor" is a plan to make families aware of Mission Action and to minister to those in special needs and circumstances. TIME is a two-year emphasis on training persons in all facets of mission work.

World Mission of Reconciliation Through Jesus Christ was the theme of our Spring meeting held at Rawls Baptist Church on April 8th with 142 members present. Ricky Mason, Choir Director, and the Rawls Church Choir brought special music. The Baptist Young Women of Chalybeate Springs Church presented a playlet, "Reconciling the World in Service."

Our guest speaker was Mrs. William McElrath, Missionary on furlough from Indonesia. She brought an inspiring message and showed slides of the work she and Dr. McElrath are doing.

We were delighted to have 3 girls from our Association on the staff at Mundo Vista this year—Miss Teresa Crocker, Chalybeate Springs, Miss Cathy Cagle, Hillmon Grove and Miss Nancy Lee, Angier.

We are happy to report Coats and Oak Grove Baptist Churches have new Baptist Women Organizations.

Six Associational Directors attended the State WMU Workshop at Mundo Vista on September 5-6 in preparation for our Leadership conferences. May we be led to show love and concern for all people and be "Laborers Together With God." May our prayer be: "Lord, I am not asking you for time to do this and then that. But Your grace to do conscientiously, in the time you give me, what you want me to do."

Respectfully submitted,
Mrs. B. R. Currin

WORLD MISSIONS

World Missions is the presentation of the gospel of Jesus Christ to all peoples of the world both at home and abroad with the purpose of leading them to a personal faith in Christ and obedience to His will.

Paul, in his letter to the Romans, pointed out the responsibility of the missionary task when he asked "How then shall they call upon him in whom they have not believed?—And how shall they hear without a preacher? And how shall they preach except they be sent? Romans 10:14-15." We are commanded, in Matthew 28:19-20, to go into all the world and preach the gospel, and we have his promise that he will be with us, even unto the end of the world. To be fully equipped for service we have the same promise that Christ gave his disciples in Acts 1:8, "But ye shall receive power after that the Holy Ghost is come upon you: and ye shall be witnesses unto me both in Jerusalem and in all Judea and unto the uttermost part of the earth."

Missions begin in the local church and the base for cooperation of churches in the missionary endeavor is the Association. Mission study classes are provided in local churches, missionaries representing all areas of missionary endeavor speak in the churches. This plan gives the people in our churches a panoramic view of World Missions, a view which the majority of our members can get in no other way.

Through your prayers and financial support of our 34 churches in The Little River Association, you are helping 2 missions (1 mission becoming a church this year), helping one smaller church, and eight Sunday Schools in Nursing Homes (some sponsored by individual churches) two international students at Campbell— to mention only a small part of what is being done.

State Missions is a multiplicity of special ministries. As you shared in State Missions offering, you were able to contribute to 51 different ministries. These ministries to areas of need may be altogether supported by State Missions budgeting or a cooperative budgeting arrangement of the local church, the Association, the State Convention, and the Home Mission Board. Such specialized ministries include work at Cherokee and Pembroke, promotion and coordination of World Missions Conferences, support of part time chaplaincies in several correctional institutions, and work with all races. State Missions is a cooperative ministry by the churches to people who need God, and other churches that need help.

As you shared in Home Missions you assisted in the establishment of 96 new language culture congregations. The Department of Church Extension reported 38 new churches and 81 new missions begun in 1974. The Department of Christian Social Ministries contributed $94,365.00 in 1974 for disaster relief through 14 related State Conventions.

The sending out, and maintaining of missionaries is primary in Southern Baptist Overseas Missions through the channel of the Foreign Mission Board. At the close of 1974 the Board had an overseas missionary staff of 2,606 (including 191 missionary associates, 148 missionary journeymen and 3 special project medical workers for the first time going over 2,600).

At the end of 1974 Southern Baptist Contributions for Foreign Missions totaled $44,203,185. The Lottie Moon Christmas Offering goal was $23 million. Approximately 50 per cent of Southern Baptist Convention Cooperative Program funds is made available annually for Foreign Missions. This is the basis upon which sustained advance can be made. Still needed urgently on overseas fields are land, buildings, and equipment, amounting to several million dollars worth. As you share in Foreign Missions you contribute to evangelism and church development, schools and student work, hospitals and medical care, publication work, children's homes and national workers support.

COUNCIL ON CHRISTIAN LIFE AND PUBLIC AFFAIRS REPORT
THE CHRISTIAN ACTION LEAGUE

The Director of The Christian Action League, and our new President, Bill Wallace, wish to express deepest appreciation to the many friends and supporters of the work of the League in Little River Baptist Association. Our program depends upon you for its success. You provide the money, you furnish the prayer support, and you furnish the "clout" which the League has in its efforts. With trustees and friends and supporters in every Association in the State, we have a broad base of support. As we do the work of God in North Carolina, we are so very conscious of our dependency upon Him and for the wonderful way in which you have supplied our needs.

The General Assembly has been in session this year. A bill was introduced by Representative Dan Lilley of Kinston to close every beer joint in North Carolina at midnight. Under the present law these places can stay open until 2:30 in the morning from the last Sunday in April through the last Sunday in October. The bill failed to receive enough support in the House ABC Committee to pass.

A bill was introduced by Representative Jimmy Love on Sanford to strengthen the state-wide statute regulating the flow of pornography. This proposed change would have given the District Solicitor discretionary power in the matter of the adversary hearing, and would have defined hard-core pornography in the Public Nuisance Section of the Law. This bill also failed to get the nod of the House Judiciary One Committee. We will be back in a later session with both of these concerns.

We continue to need your support. The most dependable thing to do is to place the Christian Action League in the budget of your church for a definite amount each month. As you do this, we will continue to be able to serve.

The League will be promoting Alcoholism Awareness Sunday in January and Highway Safety Sunday in August. Your support of these two efforts will help to save the lives of multitudes of innocent people in North Carolina. God created human life and thereby made it sacred. We are to recognize the sacredness of human life and seek to preserve it for God in every way that is possible.

Respectfully submitted,
Edwin Taylor

BAPTIST CHILDREN'S HOMES REPORT

Christian child care provided by the Baptist Children's Homes of North Carolina is a cooperative mission. It was through the life, teaching and ministry of Christ and under the leadership of the Holy Spirit that North Carolina Baptists launched their child care ministry 90 years ago. Today it is recognized as one of the outstanding ministries of its kind in the nation.

New and exciting developments are in progress throughout the state. During the past year emergency shelters were opened in Charlotte and Forest City to meet the needs of children requiring immediate assistance. Both Broyhill Home and Mills Home will have a new cottage for children constructed during the next year. Progress is being made to expand facilities at Odum Home. Increasing numbers of families are opening hearts and homes for the care of foster children. All of these indicate a living, vital and growing ministry to people.

At Kennedy Home during the past year, an exciting development has occurred in a special group-therapy program for a small number of boys. The boys who have completed this program have shown encouraging progress in learning to cope with their problems, so much so that there is a strong request from members of our staff to being a similar program for girls in the fall of this year.

The award winning film, "The Mountain Within," meets with praise and appreciation wherever it is shown. It will continue to be available by request, either to the Communications Department of the Baptist State Convnetion or to the Children's Homes.

A cooperative mission requires that the parties involved have a clear, common purpose to which they are firmly committed, undergirded by mutual trust, and clear communications. These factors characterize the relationships between the Baptists of North Carolina and their Children's Homes. Through the Cooperative Program and the Thanksgiving Offering, Baptists throughout the state can share a commitment to Christian child care. In response, the staff of the Children's Homes is committed to translate this support into a dynamic ministry of love and concern for children and families in need. With God's continued blessing we will move together to fulfill our mission.

James Latta

Bethel	James Lightsey
North Clinton Avenue	James Madison
Macedonia	Bobby Dees
Crestview Mission	Joe Poe

These churches are without pastors at the present time: Buies Creek First, Chalybeate Springs, Harmony, Pleasant Memory, Faith Mission.

This will be my last report as Associational Missionary of Little River Association. This year our association is one hundred years old. I have had the opportunity to serve twenty-four years of this time (lacking two months) as your Associational Missionary. I want to say THANK YOU with all my heart. In giving me this place of service you have allowed me to respond to the call of God to be a missionary. At times it hass been a joy and thrill while in a few instances it has been a heartbreaking responsibility. I want to sincerely thank you for your prayers, financial support, encouragement and criticism. You will always have a warm place in my heart.

Now, I want to charge you to pledge your loyalty, support, prayers, and encouragement to the one you call to be your next Associational Missionary. Any questions or suggestions you will have about associational work should be ~~directed~~ the next missionary after he arrives on the field. You will sever any ties with me in this place of leadership and unite wholeheartedly under the leadership of your next missionary.

This year the mission action fund has helped two international students at Campbell College, one small church, and one mission. These are very grateful to all of you who have contributed. I hope you will continue this mission effort in Little River Association.

Thank you for providing part-time secretary help. It is my desire to see full-time secretary help for the Associational Office. It would free the Missionary to be more help to churches.

Respectfully submitted,
Julius Holloway

BROTHERHOOD REPORT

The associational Brotherhood is an organization that assists churches with their mission programs for men and boys. The Brotherhood of your church can be and we pray that it is a channel through which we can assist our pastors in the ministry of our churches. We want to thank Mr. James Brown and Rev. Tommy

Hayes for their work with our Royal Ambassadors this year. Rev. Tommy Hayes had two workshops for our R.A. boys and several of our R.A.'s spent some time at Camp Caraway. Your Royal Ambassador Directors, Brotherhood Director, and Associational Missionary attended the Regional Leader and staff meeting at the Baptist Building in Raleigh on April 15. Many of our men and boys attended the State Brotherhood Convention in Raleigh this year. Mr. James Brown had the honor of installing the Brotherhood and Royal Ambassador Officers for the new year at the Hillmon Grove Church. We thank you for giving us the opportunity to visit your church this past year. We believe that the Brotherhood and Royal Ambassador programs give our men and boys a great opportunity to be more involved in the work of our church as we work to lead the lost people to Jesus Christ our Lord. We hope and pray that next year we will have a Brotherhood and Royal Ambassador program in all of our churches in our Association.

Respectfully submitted,
Floyd O. Glover

EXECUTIVE COMMITTEE REPORT

During the April meeting the Executive Committee approved a modified version of a World Mission Conference to be held in the spring of 1978. This works on the basis of the old "School of Mission" except plans have been modified. For example: If the Association has ten churches participating, there would be five missionaries who would start this meeting with five churches on Sunday and conclude on the following Wednesday. The other five churches would then start on Thursday and conclude the following Sunday.

The Executive Committee met throughout the year at the regular time prescribed each quarter and heard reports from the various organizations and took the necessary action that was appropriate. During the January meeting in Buies Creek, the Association received through the Executive Committee, a report from the Piney Grove Church for withdrawal from the Little River Association to join with the Raleigh Association. This letter of request is printed in the Book of Reports on page 14. Since the Piney Grove Church has already united with the Raleigh Association, no associational action is necessary.

During the August meeting the following persons were appointed to fill vacancies that occurred during the year:

Rev. Tom Freeman was appointed to fill the vacancy created by the death of Rev. Weldon Johnson.

Rev. Cecil Harkey, Jr. was appointed Finance Chairman to fill the vacancy created by the resignation of Rev. Don Phillips from the Harmony Church.

Mrs. Dorothy Harkey was appointed Treasurer of the Association due to the vacancy created by the resignation of Halford O'Quinn who was moving to Georgia.

During the August meeting our Director of Associational Missions announced his plans to retire effective December 31, 1975. His resignation was accepted by the Executive Committee.

It was decided also by the Executive Committee to ask the churches of the Association to take a love offering for Rev. and Mrs. Holloway. At a later meeting of the Moderator and the Finance Chairman, it was decided to ask the churches to give on the basis of resident membership. The amount requested was $.50 per resident member. Thus far we have received a very good response from the churches.

Respectfully submitted,
Morris Andrews

(1) That we express our appreciation to the moderator, Brother Morris Andrews, for the fine work he has done.

(2) To the Program Committee for arranging the fine program for the annual meeting and for all those participating on the program.

(3) To the speakers of all sessions—especially to Brother Charles Wiggs for his missionary message on the work at the Bill Wallace Memorial Hospital in South Korea, and to Brother Joe Zimmerman for his challenging message.

(4) That we express our appreciation to the Neills Creek Church for entertaining the evening session of our annual meeting, and to the Dunn First Baptist Church for entertaining the day session and for the bountiful and delicious lunch served by the church.

(5) To Dr. Paul Yoder and the Campbell College Choir for their program on the history of church music.

(6) That we express our appreciation to Brother G. Scott Turner for the writing of the history of Little River Association from 1876 to this present year, 1975. The Resolutions Committee recommends that the clerk send a note of greetings and thanks to Brother Turner for his fine work.

(7) That we express our very deep sympathy and loss in the passing of Brother E. Weldon Johnson on July 21, 1975, who had served for 24 years as a pastor in the Little River Association.

(8) Whereas: The Reverend Julius Holloway is retiring as Superintendent of Missions, as of December 31, 1975 and whereas Mr. Holloway has served this association for twenty-four years.

BE IT RESOLVED:

FIRST: That we the members of the Little River Baptist Association in annual session October 27-28, 1975 express to him our great love.

SECOND: That we assure Mr. Holloway and his good wife of our continued prayers.

THIRD: That the minutes of the 1975 session of our Association be dedicated in honor of the Reverend Mr. Holloway and his wife, Anna.

BE IT FURTHER RESOLVED:

That the Clerk of Association present a copy of these resolutions to Mr. Holloway and that the Biblical Recorder be requested to publish the same.

BIBLICAL RECORDER REPORT

Baptist state papers claimed more attention than usual at the 1975 meeting of the Southern Baptist Convention in Miami Beach this year. In the celebration of the 50th Anniversary of the Cooperative Program, it was revealed that they had played a tremendous part in the growth of our denomination. Louie D. Newton, denominational statesman and former editor of Georgia's CHRISTIAN INDEX, introduced all the 33 editors of state papers and made a comparison of circulation of each in 1975 with that of 1925 when the Cooperative Program was born. Many were not in existence at that time, however, but this in itself reveals something of Southern Baptist growth.

In giving a special committee report on state papers, H. Franklin Paschall, pastor of First Church, Nashville, Tenn., reported that present circulation is 1¾ million and recommended that the convention reaffirm its goal of getting a state paper into two million Baptist homes by 1980. The committee recommended a vigorous campaign in all states to help accomplish this, and also recommended that state papers be incorporated in all local church budgets.

The BIBLICAL RECORDER is one of those 33 state papers, and one of the oldest, and we hope, one of the best. In spite of continued problems for religious publications because of inflation, and sky-rocketting postage costs, the circulation of the RECORDER remains above 112,000. Congregations including it in their budgets for all their families are the ones which have an informed membership. It is our hope that North Carolina churches will take seriously the recommendation reaffirmed at the Southern Baptist Convention that state papers be incorporated in local church budgets for all their member families. Already more than 1,000 churches in North Carolina are doing this, and more congregations do so each year. Pastors and deacons should initiate such action, and it should be supported by all the organizations in the church.

The BIBLICAL RECORDER has covered many sensitive issues this past year. Words of appreciation have come from Baptist people all across the state, for they are aware than "an informed people is the bulwark of Baptist democracy."

The RECORDER continues to operate on a limited budget, and with an altogether too small staff. Local churches can help us by understanding these limitations, and by renewing their subscription plans promptly.

Ray K. Hodge, pastor of First Church, Kinston, says: "One of the easiest tasks I have had as a pastor is to lead churches to include and keep the denominational paper in the church budget. It is such a bargain that trying to save a few dollars (by not subscribing to it for our families) is too costly. It would be like saving the expense of regular visits to the dentist, only to pay more in various ways later."

His advice is well taken.

Respectfully submitted,

THE NORTH CAROLINA BAPTIST FOUNDATION, INC. REPORT

As revealed through a Sunday School lesson during the past year, a good foundation of discipline and training in Spiritual matters is necessary for a young life to develop in a way to withstand the pressures of life during periods of stress and strain. It is almost trite to refer to the need of a good base or foundation for any activity or project contemplated in this life. Not in anyway is there a difference for a need of the Foundation, as thought of in terms of the Baptist Foundation, when we consider the future potentialities and needs to sustain and expand mission efforts and services to bring mankind into the influence of the saving grace of God's Son, Jesus Christ.

Chartered in 1919 by the Baptist State Convention of North Carolina, The North Carolina Baptist Foundation, Inc. has sought to assist individuals throughout the state in their estate planning, providing ways to support Baptist institutions and mission work on a permanent basis. Property and funds placed with the Baptist Foundation are invested by a convention elected board of directors with the income paid annually to the institution or mission cause designated by the donor.

Individual assistance is provided Baptists throughout the state in the establishment of trusts that not only benefit the donor but also support the Christian ministries of our denomination in a lasting, perpetual way.

During the past two years, $330,070.41 has been given to the N.C. Baptist Foundation, Inc., in the way of annuity trusts. In this type trust, the donors reserve the right to the income from the investments for their lifetime and then the income will be paid to the Baptist cause specified in the original trust agreement. The laws of our land provide to the donor certain tax advantages for the gift portion of these transactions.

Wills still account for a major portion of the funds held in trust by the Foundation. One such gift to benefit mission work from this year forward, came in the form of a farm and other assets given by the deceased. It was determined by the tax records found in this estate, that this person will give annually three times as much for missions through the income from this trust fund, as she was ever able to earn in total wages during any year of her lifetime. So what she could not do for our Lord's work here on earth in her lifetime, she does after her life here among us has ended.

New gifts to be held in trust by the N.C. Baptist amounted to $635,079.57 during 1974-75 fiscal year. Added to the market value of assets held from previous years brings the total value to $2,331,559.67 as of June 30, 1975. Income from all assets held by the Foundation which have been or will be distributed to designated beneficiaries in the near future amounted to $76,257.82 for the past 12 months.

For services offered by the Foundation to individuals or churches, please contact Mr. Edwin S. Coates, Executive Secretary, N.C. Baptist Foundation, Inc., P. O. Box 26508, Raleigh, N.C. 27611 (Tel. No. 919-833-1605). All inquiries and assistance are considered confidential and personal matters.

CHRISTIAN LITERATURE REPORT

Repetition of good news is always in order; hence this report could use its assigned five minutes to commend in detail our own BIBLICAL RECORDER, as probably the most influential state Baptist religious journal in the South, and our CHARITY AND CHILDREN, as a constantly effective reminder of one of our most extensive and best supported social interests—our Children's Homes. Excellent also for its running account of activities within our state convention's various offices and agencies is the bi-monthly CHURCH LEADER, which is mailed to 18,000 Baptists in key church positions and to others who write asking to receive it.

All alert church members know that effective denominational service is fostered by familiarity with key publications issued by the various divisions of our nationwide convention. One place to find these listed is the Southern Baptist Convention ANNUAL. Another quick way to get an overview of the some 120 periodicals, bulletins, and instructional aids available to professional Baptist churchmen and to laymen may be simply to write for the "Church Literature Order" form provided annually by the Convention's Materials Service Department (127 Ninth Avenue, North, Nashville, Tenn.).

Most valuable, of course, is actual examination and use of important literature available; and this fact prompts the following major recommendation:

THIS REPORT STRONGLY RECOMMENDS THAT BAPTIST OF THE LITTLE RIVER BAPTIST ASSOCIATION FORM THE HABIT OF VISITING AND USING CARRIE RICH MEMORIAL LIBRARY ON THE CAMPUS OF NEARBY CAMPBELL COLLEGE.

For one thing, the college library receives regularly all but three of the 42 periodicals published by 17 agencies of the Southern Baptist Convention. What these are the visitor may easily discover by consulting the SOUTHERN BAPTIST PERIODICAL INDEX, published by the Baptist Historical Commission and available in the reference division of the library. (This index, of course, is a key to use of the back-files of these magazines for library investigation of many subjects of interest to Baptists generally.)

Using the library for access to religious books is simple after the patron has completed at Campbell the simple regular procedures for establishing the identity of authorized borrowers. Visitors not accustomed to the routines of using college library catalogues will find staff members much pleased to be of help. In the Campbell Library, Little River Association members have access to one of the finest general collections of religious literary material in the South.

According to the Rev. J. Dudley Sistrunk, director of library services at the college, to increase use of the resources of Carrie Rich by off-campus ministers and laymen is an important part of the intended mission of the college. He reports as one token of this effort a brief "current and choice" reading list under preparation by his staff and the college department of religion of religious books of various types, appropriate for ministers and laymen and available now at the college. Patrons may ask for this list at the library or may write for a copy of it.

This report would make one further suggestion to readers wishing to make religious additions to their personal libraries or intelligent choices as they inquire at Campbell's Carrie Rich and elsewhere about books they may wish to borrow. An afternoon spent browsing in the nearest Baptist bookstore can be among the most profitable hours of a [illegible]ime. For Little River Association members the nearest one is Baptist Book Sto[illegible] 23 W. Morgan Street, Raleigh, North Carolina.

REPORT OF MISSIONS COMMITTEE TO ASSOCIATION CONCERNING EXAMINATION OF CALVARY CHURCH FOR ADMISSION TO THE ASSOCIATION

Minutes of MISSIONS COMMITTEE of Little River Baptist Association Meeting to examine Calvary Church for admission to LRBA September 14, 1975.

Julius Holloway chaired the meeting in the absence of Moderator Morris Andrews. The Reverend Walter Gentry opened the meeting with prayer. Mr. Holloway then stated the Associational Constitution requires a meeting of the missions committee with the church requesting admission to the Association and that the purpose of this meeting was to meet that requirement. Members of the committee who were present were: John Stephenson, Dorothy Harkey, Ed Rogers, Emmanuel Pegram, Virginia S. Currin, and Floyd Glover.

Copies of the program for the organization of the Calvary Church were made available to the committee. Also, the affirmation of Faith, Covenants and minutes of the organizational meeting were provided.

The floor was opened for questions by the committee to the Calvary Church Family. John Stephenson asked, "What are your future plans?" A member replied, "To grow." Mr. Stephenson then requested to know the church's feelings about their future with the Association and the SBC. The church family members responded to this in the absence of their pastor, Reverend Leroy, who was absent due to illness. Mrs. Leroy stated the church intended to grow and continue to cooperate with all Associational, North Carolina Baptist Convention, and SBC programs and causes.

Mrs. Virginia Currin wanted to know about the mission organizations of the church. The membership said there was a Brotherhood organization with plans underway for a WMU and Missions Friends.

Julius Holloway wanted to know about their plans to attend the Associational meetings. The immediate response was—How many of us can go? This was answered according to the Associational Constitution.

The Church Membership wanted to know when they would become a part of the Association? This was explained.

Walter Gentry expressed his feeling about the Calvary Church. He stated how he loved them. Then he spoke on cooperation. "The fact that a church chooses to cooperate is based on the freedom of choice. My church is independent," he stated. "The convention does not give us orders—but a church CHOOSES TO COOPERATE because we can do more together than alone." He then stated—these folks at Calvary believe this too—and when I die, he continued, if they don't continue this spirit of cooperation, I will haunt them. The response from the congregation was that Brother Gentry would have a peaceful sleep.

Julius Holloway emphasized that an Associational Missionary can only do what a church asks him to do. Associational Missionaries are not bosses of the church or its pastor.

Ed Rogers questioned the manner of determining their Cooperative Program gifts. The Church Treasurer stated they gave 10% of their total gifts.

Other testimonies and discussions were shared. The meeting adjourned with prayer by John Stephenson.

In a brief meeting of the Missions Committee following this meeting with the church, Ed Rogers moved, and Floyd Glover seconded the motion, that the Mission Committee recommend the Calvary Baptist Church for admission to the LRBA. This was unanimous.

Little River Baptist Association
Julius Holloway, Missionary
Box 896
Lillington, N.C. 27546

Dear Brother Holloway:

Our church has voted to join the Raleigh Baptist Association. Since we are located in Wake County, we feel that it would be to our advantage to belong to the Raleigh Association. As you know, the Little River Baptist Association consists mainly of the Baptist Churches of Harnett County.

We have already made the request to the Raleigh Association and eight of our members met with the membership committee last night, November 12th. The committee voted to recommend us at the next executive meeting of the Association.

Therefore, we will be attending and participating with the Raleigh Association.

We do hope that our church can be dismissed from the Little River Baptist Association with your love and blessings. We shall always pray for you, and we are thankful for the sweet Christian fellowship we have enjoyed as a member of Little River Association.

Sincerely,
C. Paul Jones, Pastor
CPJ:jsm

This appears in the Book of Reports upon request of the Executive Committee of the Little River Baptist Association.

A HISTORY OF THE LITTLE RIVER BAPTIST ASSOCIATION

The Little River Baptist Association was organized in the year of 1875 at Cumberland Union Church in Harnett County. We have not been able to find minutes of the organization meeting, the only information we have, comes from a history of the Association, by Dr. J. A. Campbell.* Dr. Campbell writes as follows: "As I recall from memory, Elder Ferrel Brooks, A. N. Campbell, Allen Betts, Orrin Churchill, J. W. Collins and J. M. Holleman were the leaders in organizing the new association from churches, in the main, belonging to the Raleigh Association. As my recollection goes Cumberland Union, Hector's Creek, Lillington, Friendship, Antioch and possibly Jonesboro churches were in the organization. These churches had in their membership about 500 members at that time, possibly Jonesboro churches were in the organization at that time. At the organization of the association, Rev. Terrell Brooks was elected moderator, who served next year also when the Association met at Lillington. Brother A. J. Kivett was elected clerk of the Association at Cumberland Union.

First Annual Meeting, November 2, 3, 4, 5, 1876.

The first Annual Meeting of the Little River Baptist Association was held with the church at Lillington, Harnett County, N.C. on November 2, 3, 4, 5, 1876.

Elder H. D. Judd preached the Denominational Introductory Sermon. Prayer by Elder O. Churchill.

At the afternoon session several churches petitioned the Association for membership and were accepted.

Churches reported at the first annual meeting were:

Baptist Grove
Antioch
Lillington
Hector's Creek (now Chalybeate)
Bethel
Friendship
Cumberland Union
Holly Springs
Juniper Springs
Jonesboro
Cameron's Grove (now Swann's Station)
Kinnie's Creek

This first annual meeting was a sort of pattern for the following meetings. What sort of men were these founding brethern? They were interested in the development of Sunday Schools, because at this time not a single church in the Association had an all year Sunday School. To quote Dr. Campbell further, "The growth of the Baptist churches is most remarkable when we remember ours was an entirely rural section. At that time we had but one town in the county, Lillington, and fewer than 50 people lived there. Other denominations sought mainly the little centers which were beginning to grow. Our people preached in private homes and school houses. Methodist and Presbyterian preachers are better trained, but these old time Baptist preachers, uneducated though they were, had something which preachers of our present time may well wish we possessed. They believed the Bible from beginning to end as the inspired Word of God.

The early minutes show the brethern had an intense concern about the use of intoxicating beverages.

Messengers to the Annual Meeting were called delegates. The importance of prayer was emphasized.

At the Annual Session in 1886, the Association endorsed the school at Buies Creek under the management of Brother J. A. Campbell. This now is known as Campbell College. Growing from school, to academy, to Junior College, to what is now one of our finer Senior Colleges in North Carolina.

In 1907, resolutions endorsing and commending the organization of the Women's Missionary Societies in the churches were adopted. A deep concern about temperance continued in the 1900's. It is interesting to note that during this period the Association gradually cut down the number of days meeting from five to two days.

In 1942 at the 67th Annual Meeting, war was very present in the minds of the brethern. This probably accounted for the Association Meeting lasting only one day.

During the 1950's a resolution was presented, suggesting that the Spring Meeting of the Association be abolished and that the Association meet for two days in October.

At the Annual Meeting in 1960 the messengers were taking seriously the matter of building a home for the Associational Missionary. The home was completed in 1968.

In the 1970's the Mission Action Fund was started to help churches in growing sections where facilities were inadequate and to help international students at Campbell College.
